TREASURER'S REPORT

MAY 2021

BOARD SUMMARY

The following Board Summary is provided to assist in the review of the detailed monthly Treasurer's Report on the following pages, provided by fund. The Treasurer's Report provides monthly fiscal-year-to-date operating results for the General Fund, the State Street Aid Fund, the Debt Service Fund, the Sewer Fund, the Storm Water Fund, and the Solid Waste Fund. This report **excludes** the funds of Lakeland School System ("LSS"), either individually or in the aggregate.

Short Take (highlights only – results matching expectations and targets are not addressed):

- Fund Balance decreased by \$3.26 million in the month of May – this was primarily due to the repayment of the 2008 TML note payable authorized by the Board of Commissioners (\$2.738 million) and the annual principal payment of the Sewer Fund's 2005 TML note payable (\$0.588 million)
- General Fund:
 - Revenues overall are performing better than budgeted, with property taxes exceeding the budget as well as licenses and permits (primarily building permits), as discussed in prior months
 - Expenditures significantly under budget primarily due to capital projects, such as New Canada Road and the Athletic Complex – both of which are related to the timing of the work
- State Street Aid Fund:
 - State gas/motor vehicle taxes passed through have begun to recover, resulting in YTD excess over the revised budget progress
 - Expenditures under budget related to the timing of the paving work
- Storm Water Fund:
 - Expenditures under budget related to the timing of the capital outlays planned for this fund
- Solid Waste Fund:
 - Expenditures under budget related to vehicle purchase and other capital equipment not yet expended

BOARD SUMMARY (CONTINUED)

Fund Balance and Net Position

Across all funds (of the City), fund balance (and net position) decreased during May from \$28,968,321 to \$25,706,113 - or by \$3.26 million; year-to-date increase in fund balance is \$0.45 million. This decrease was due to debt repayments in the current month.

BOARD SUMMARY (CONTINUED)

Fund Balance – Minimum vs. Excess

There is no minimum fund balance requirement by the State of Tennessee; however, the Board of Commissioners has established a minimum fund balance policy for the General Fund.

The graph below compares the current fund balance for the General Fund for various periods, showing the minimum and excess fund balances.

In March 2021, cash was transferred from the General Fund to the Street Aid Fund as anticipated in the budget ahead of paving activities; additionally, in May 2021 the 2008 note payable was repaid in total (\$2.7 million principal) further reducing the excess fund balance.

END OF PRESENTATION

Lakeland Economic Development Commission Recommendations

June 10th, 2021

In support of economic development, the EDC has defined 5 focus areas:

1. Communications and Marketing
2. Development and Planning
3. North Quadrant of Exit 20
4. Data and Analytics
5. Infrastructure

Recommendations from the EDC to support these focus areas are as follows:

1. Continue to support an exceptional quality school system
2. Continue with road maintenance plan and New Canada Road
3. Continue with sewerage plan expansion
4. Actively pursue any options to provide/expand high speed internet to underserved areas
5. Continue to support creation of a plan for the north quadrant of Exit 20
6. Continue to retain Dexter Muller as a consultant
7. Recruit a Planning Director to support strategic initiatives, particularly updating the LDRs
8. Hire a Staff Planner to handle routine planning and permitting to ensure requests continue to be addressed in a timely manner
9. Work with city staff to identify and report key metrics on economic growth
10. EDC will continue to investigate resources such as Buxton's services - will submit a specific request when research and evaluation is complete
11. Increase capacity of staff to support communications activities such as updating and publishing of the EDC marketing packet as well as the EDC electronic resources
12. Increase capacity of staff to support economic and community development activities

DRAFT

ORDINANCE O-5-2021
AN ORDINANCE OF THE CITY OF LAKELAND, TENNESSEE
ADOPTING THE ANNUAL BUDGET AND TAX RATE
FOR THE FISCAL YEAR BEGINNING JULY 1, 2021 AND ENDING JUNE 30, 2022

- WHEREAS, *Tennessee Code Annotated* ("T.C.A.") § 9-1-116 requires that all funds of the State of Tennessee and all its political subdivisions shall first be appropriated before being expended and that only funds that are available shall be appropriated; and
- WHEREAS, T.C.A. § 6-56-201 et seq (the Municipal Budget Law of 1982) requires the governing body of each municipality to adopt and operate under an annual budget ordinance presenting the minimum information required by said State statute and may not expend any funds regardless of source (except for moneys expended pursuant to a project ordinance or accounted for in a proprietary type fund or a fiduciary type fund that are excluded from the budget ordinance) except in accordance with a budget ordinance in which appropriations may not exceed estimated available funds; and
- WHEREAS, the activities in the sewer enterprise proprietary fund type are supported by charges for services and are not in a fund type included in T.C.A. § 6-56-203 (quoted above) yet operate under an annual financial plan; and
- WHEREAS, the City Manager, as budget commissioner, has presented the Annual Budget document to the Board of Commissioners prior to May 15th, such document included the appropriated budget schedules, budgetary comparison schedules, long-term financial planning and capital improvements plan documents, and other financial plans, in accordance with City Charter; and
- WHEREAS, the Board of Commissioners has published the annual operating budget and budgetary comparisons of the proposed budget with the prior year actual results and current year estimated results in a newspaper of general circulation not less than ten (10) days prior to the meeting wherein the Board will consider final passage of the budget.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF LAKELAND, TENNESSEE, AS FOLLOWS:

- SECTION 1: That the governing body projects for the fiscal year ending June 30, 2022, anticipated revenues and other financing sources from all sources and appropriates planned expenditures and other financing uses for each appropriated governmental fund type, inclusive of each department, board, office, or other agency of the municipality included therein, presented together with 1) the actual annual revenues, other financing sources, expenditures, and other financing uses of the last preceding fiscal year, 2) the estimated annual results of the same for the current fiscal year, 3) actual or planned addition to or use of fund balance for the three (3) periods presented, and 4) actual and estimated ending fund balances for the three (3) periods presented, as follows:

PRESENTED TO

**City of Lakeland
Tennessee**

For the Fiscal Year Beginning

July 1, 2020

Christopher P. Morrill

Executive Director

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to **City of Lakeland, Tennessee**, for its Annual Budget for the fiscal year beginning **July 1, 2020**. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Citizens of Lakeland,

Every fiscal year the City of Lakeland Board of Commissioners has the honor and responsibility of appropriating funds for the delivery of city services, expansion of needed infrastructure, funding of our award-winning school system, and accomplishment of the city's mission to provide the highest quality of life for our citizens and constituents. The City of Lakeland is presenting a comprehensive annual budget that encompasses our strategic vision and priorities, sound fiscal policies, capital improvement plan, and planned expenditures while providing our citizens valuable information about our financial direction for the upcoming fiscal year.

The FY2022 Annual Budget is a balanced, fiscally sound budget preserving the city's resources for future needed infrastructure improvements. This is the result of untold hours of collaboration, review, and discussion by the city's leadership as we understand our primary responsibility as elected officials and that of city staff is to manage and utilize resources available to maintain a quality of life that the citizens of Lakeland expect.

The fiscal year 2022 budget provides funding for the continued design and construction of Lakeland School System's new high school, the completion of Phase 1 of a new athletic complex and future plan, and increased roadway improvements throughout the city. Every aspect of this document has been subjected to thoughtful planning and due diligence and reflects the desire of the Board of Commissioners to maintain and improve the quality of life for our citizens. Being mindful of our responsibility to be good stewards of citizen tax dollars, this budget has been balanced without an increase to our property tax rate, which was equalized (decreased) in 2021 due to the County reappraisal.

This annual budget document continues the tradition started with the Fiscal Year 2021 Annual Budget – the City's first to win the coveted GFOA Distinguished Budget Presentation Award. This would not have been possible without the hard work and dedication of the City of Lakeland's faithful and committed team - our city staff. We, as the Board of Commissioners, look forward to the execution of this annual budget under our continued oversight and direction. The Board of Commissioners and I thank each and every one of our staff for their continued support of the City of Lakeland.

Mike Cunningham, *Mayor*
City of Lakeland, Tennessee

EXECUTIVE SUMMARY

This document represents the City of Lakeland's comprehensive and robust Annual Budget and the results of countless hours of data accumulation and review, financial and operating projections, and coordination between City and Lakeland School System ("LSS") staff and boards.

The Annual Budget is driven by the City's *Mission, Vision and Goal Statements*, *Long-Term Financial Plan ("LTFP")*, and *Financial Policies*. The short-term factors that affected the development of this Annual Budget included 1) the reappraisal of taxed property assessed values in 2021 and the impact on revenues, 2) the potential need for short-term interim financing for large capital projects such as the New Canada Road project, 3) the need for capital infrastructure to support the City's parks and recreation functions, and 4) other budgetary considerations as outlined below and in accordance with the Board of Commissioners priorities and goals. City services are planned and budgeted to meet or exceed the service levels in the currently ending fiscal year, including the addition of additional staff to support the City's vision and priorities.

This Annual Budget places greater importance on the maintenance and paving of street infrastructure than does prior City annual budgets, including the annual budget for fiscal year 2021. Additionally, this Annual Budget appropriates funds for continued planned construction of a new high school facility and the New Canada Road project.

To address the short-term factors noted above, and in conjunction with consideration of the LTFP included in this Annual Budget, the budget is prepared with no planned use of unassigned fund balance in fiscal year 2022. The projects prioritized for the fiscal year included in the *LTFP and CIP* section are funded through current financial resources or committed and assigned fund balance.

As more information is available as to the extent and nature of the impact of federal grant revenues and expenditures related to the *American Rescue Plan Act of 2021*, the City will follow its *Financial Policies* in terms of analyzing the need to amend this budget.

Summary of Budgetary Considerations

City of Lakeland Funds

The City of Lakeland (the "City") developed its fiscal year 2022 budget with the following underlying assumptions and factors:

- Personnel costs are budgeted based upon these factors:
 - A City-wide cost-of-living adjustment of three (3) percent for all employees
 - A combined merit and bonus pool of funds comparable in amount to prior periods, to be utilized for bonuses (at the Board of Commissioners discretion) and merit increases (at the City Manager's discretion)
 - Healthcare costs are budgeted to increase approximately five (5) percent for vision and dental benefits, with no increase in rates for medical benefits

Summary of Budgetary Considerations (Continued)

City of Lakeland Funds (Continued)

- One part-time position is added in the Information Systems function
- One full-time position is added in the Planning function
- Two full-time positions are added in the Public Works function
- Two full-time positions are added in the Wastewater function
- More information on factors impacting personnel costs can be found in the *Personnel Management* section of this document

- Due to the 2021 reappraisal of property tax values, the City's property tax rate has been equalized in accordance with State of Tennessee requirements to \$1.04 per \$100 of assessed value (prior to reappraisal, the rate was \$1.24 per \$100 of assessed value)
 - The City has not increased the property tax rate above the equalized rate for fiscal year 2022
- In certain cases, use of fund balance is planned to facilitate a balanced budget for fiscal year 2022 –the City has no planned use of fund balance in fiscal year 2022 from unassigned fund balance reserves
 - While overall fund balance will increase in the General Fund, use of assigned fund balance is planned for athletic fields
 - Use of restricted and/or committed fund balance from City special revenue funds is for planned capital projects and infrastructure maintenance
 - The uses above are all permissible uses of City fund balance outlined in the City's fund balance policy (see *Financial Policies* section of this document)

Summary of Budgetary Considerations (Continued) City of Lakeland Funds (Continued)

- The following debt activities are anticipated in the fiscal year 2022 Annual Budget –
 - The issuance of interim financing of \$13.5M to fund project costs and timing of reimbursements from grant revenues on the New Canada Road project
 - The issuance of USDA loan financing of \$2.9M to fund the local match portion of the New Canada Road project
 - Debt service expenditures include the annual repayment of USDA refunding loan debt service for debt refinancing activities in fiscal year 2021
- Debt service – including principal, interest, and related charges – is anticipated to decrease by 61.5 percent compared to fiscal year 2021

Reader's Guide to the Fiscal Year 2022 Annual Budget

Introduction

The *Introduction* to the Annual Budget contains useful information about the City's organizational structure, an executive summary of the budget, and useful information regarding the legislative and financial processes for the compilation of the budget. This section also includes other introductory information regarding the City of Lakeland, such as our mission and vision statements.

Budget Summaries

For those looking for a quick overview of the City's plans for fiscal year 2022, the *Budget Summaries* section is a great starting place to understand the projected resources and planned appropriations for the ensuing fiscal year. In this section, the reader will also find useful information regarding revenue projection methods and factors, a breakdown of planned expenditures, and long-term financial plans of the City.

Detailed Line-Item Budgets by Fund

For readers looking to view specific planned appropriations and expenditures by fund, the sections headed *General Fund*, *LSS General Purpose School Fund*, *LSS School Capital Projects Fund*, *Debt Service Fund*, and *Non-Major Appropriated Funds* provide line-by-line detailed revenues, expenditures, and other financing sources and uses for each of the City's municipal and LSS funds.

Other Fund Financial Plans includes the detailed line-item budget for the City's single enterprise fund, the Sewer Fund.

Appendix

In the *Appendix*, the reader will find useful information related to the City of Lakeland's demographic and economic factors, as well as a summary of outstanding debt, the City's financial policies, and a glossary of terms used throughout this Annual Budget document.

Respectfully Submitted,

GENERAL INFORMATION AND MAP

History

The City of Lakeland was incorporated in 1977 and is located in the northeast corner of Shelby County in the southwest corner of the State of Tennessee. The history of Lakeland traces back to the mid-1950s, when Louis Garner began construction of “LakeLand,” an amusement park centered around a 235-acre man-made lake. The park closed in 1976, however some remnants of the park – a long-gone drag strip and a motorcycle dirt track – can be found throughout the City. Today, Garner Lake endures as the largest lake in Shelby County and hosts some of the most exclusive homes and scenic vistas in West Tennessee.

Concept

In a day and age of clear-cut subdivisions and ill-planned, sprawling suburbs, the City of Lakeland retains a focus on quality of life and a commitment toward preserving the environment. The City offers over 124 acres of parks. Our largest park is home to a bustling senior center and a beautiful amphitheater, which hosts an annual outdoor concert series. Lakeland protects its rolling hills and beautiful trees with strict design guidelines, a tree management ordinance, generous conservation easements, and sheltered scenic corridors. Some of the developments devote as much as 40% of their acreage to conservation areas, and integrated pathways allow one to run, walk, and bike throughout the neighborhoods. Lakeland is proud to be certified by **Tree City USA** and is a committed affiliate of **Keep America Beautiful**.

LAKELAND MIDDLE PREPARATORY SCHOOL

Schools

One of the things Lakeland is most proud of is its school system. In 2015, LSS was named an **Exemplary District**, a designation given to only 12 of 142 school systems in the state. This same year, the state of Tennessee awarded Lakeland Elementary School as a **Reward School**, finishing in the top 5% in academic achievement. Our students' TCAP scores ranked #1 in Math, #1 in Reading and Language Arts, and #2 in Science, making us the highest ranked school system in the state of Tennessee. This tradition

continues to expand with the recent addition of Lakeland Middle Preparatory School (pictured left), and the construction of our new High School estimated to open for the 2022 – 2023 school year.

GENERAL INFORMATION AND MAP (CONTINUED)

Activities

Lakeland embraces outdoor activities of all kinds and offers a full range of sports leagues for both youth and adults. Residents and visitors can participate in annual events like the **Lakeland Spring Festival, Lakeland Expo, Rockstock Music Festival, Lakeland Fishing Rodeo, Hot Air Balloon Events, and Outdoor Concert Series** held at both the LAMP Amphitheatre and the Delta Blues Winery. Our picturesque city is the proud host of several running events, golf tournaments, and walking events.

Community

In the 1980 census, the population of Lakeland was 612. This number has now grown to an estimated 12,642¹ and continues to grow due to the City's natural amenities and focus on quality as a way of life. Median household income in Lakeland is \$103,074. Of those 25 and older, 42.9% are college graduates. Over 88% of Lakeland residents are homeowners, with the median home value exceeding \$300,000 – a growth of 25% in the past 20 years.

Growth and Development

The City of Lakeland is growing, with numerous housing units added each year. In fiscal years 2021 and 2022, Lakeland expects the completion of seven residential developments, two mixed-use developments (in various phases of completion), four commercial developments, and Phase 1 of a City-owned athletic complex on Memphis-Arlington Road. The locations of these projects are listed on the map on the following page.

¹ Estimated as of 2019, per <https://census.gov>

MISSION STATEMENT

The mission of the City of Lakeland is to proactively create and maintain a high quality of life for all of its citizens and to continually evolve as a city where people and businesses prefer to reside or visit. Quality of life involves one's perceived satisfaction resulting from many diverse factors including health, family, education, employment, wealth, religious provision, social interaction, environmental surroundings, safety, and respect. In Lakeland, quality is a way of life.

Lakeland School System encourages and supports continuous learning; fosters physical, emotional and intellectual growth; and develops the unique leadership qualities of each individual.

ORDINANCE O-5-2021 AN ORDINANCE OF THE CITY OF LAKELAND, TENNESSEE ADOPTING THE ANNUAL BUDGET AND TAX RATE

FOR THE FISCAL YEAR BEGINNING JULY 1, 2021 AND ENDING JUNE 30, 2022

- SECTION 7: Money may be transferred from one appropriation to another in the same fund by the Finance and Human Resources Director, subject to such limitations and procedures as may be set from time to time by the Board of Commissioners, and pursuant to T.C.A. § 6-56-209. Any resulting transfer shall be reported to the governing body at its next regular meeting as a component of the Treasurer's Report and be entered into the minutes.
- SECTION 8: This ordinance will be included with and become a component of the Annual Budget document, which is encompassed and made a part of this ordinance in whole. This published Annual Budget document, including the detailed financial plans and budgets by fund, showing all anticipated revenues, other financing sources, expenditures, and other financing uses and ending fund balances, as well as personnel levels by fund and function required by T.C.A. § 6-56-206, shall be made available online and in person for public viewing.
- SECTION 9: There is hereby levied a property tax of \$1.04 per \$100 of assessed value on all real and personal property within the City of Lakeland, Tennessee.
- SECTION 10: The Annual Budget shall be submitted to the Comptroller of the Treasury of the State of Tennessee (the "Comptroller" or Comptroller's designee) for approval in accordance with T.C.A. § 9-21 et al ("State Statute"), within fifteen (15) days of adoption. This budget shall not become the official budget for the fiscal year until such budget is approved by the Comptroller in accordance with State Statute. If the Comptroller determines that this budget does not comply with State Statute, the governing body shall adjust its estimates or make additional tax levies sufficient to comply with State Statute or as directed by the Comptroller.
- SECTION 11: All unencumbered balances of appropriations remaining at the end of the fiscal year shall lapse and revert to the respective fund balances.
- SECTION 12: All ordinances or parts of ordinances in conflict with any provision of this ordinance are hereby repealed.

BASIS OF ACCOUNTING AND BUDGETARY BASIS

Lakeland primarily utilizes the “current financial resources” measurement focus and the “modified accrual” basis of accounting for the Annual Budget; however, the “accrual” basis of accounting is used for the presentation of the financial plans of the Sewer Fund.

The *current financial resources* measurement focus means that for the budgeted operating statements presented herein, only the sources and uses of available resources for the period of July 1, 2021 to June 30, 2022 are presented. Fund balance is the measurement of available resources as of the end of the fiscal year.

The *modified accrual* basis of accounting means that revenues are recognized as soon as they are both *measurable* and *available* to finance expenditures of the current period. Revenues are considered available when they are –

- collectable within the fiscal year, or
- soon enough after fiscal year end to pay for liabilities of the fiscal year.

Revenues are considered available if they are expected to be collected within 60 days of the end of the fiscal year. The primary sources of revenues for Lakeland are property taxes, sales taxes, and intergovernmental, or State of Tennessee, shared revenues. Licenses and permits, charges for services, fines and forfeitures, and miscellaneous revenues are measurable and available only when cash is expected to be received by Lakeland. Expenditure-driven grants are budgeted as revenue when the qualifying expenditures are expected to be incurred and all other eligibility requirements are expected to be met, and the amount is expected to be received during the fiscal year or within 60 days after June 30th.

Modified Accrual of Revenues

The concept of revenues as available and measurable is best explained in the example of sales taxes. Sales taxes are measurable when a sales transaction occurs in Lakeland in June. The business collecting the sales tax remits them to the State of Tennessee in July. The State then pays Lakeland’s share of those taxes to Lakeland in August. Because August is within 60 days of the City’s fiscal year end, those taxes are available to fund the fiscal year just ended, and are shown as revenues in this Annual Budget. However, those same transactions have a portion of their sales tax paid to Shelby County in August, and Shelby County then remits the City’s share in September. That sales tax for June transactions is received after the period of availability has ended; and would not be a part of the funding for fiscal year 2022.

BASIS OF ACCOUNTING AND BUDGETARY BASIS (CONTINUED)

Budgetary Basis v. External Reporting Basis

The budgetary basis used in this Annual Budget for fiscal year 2022 is the same basis of accounting used by Lakeland for annual financial reporting of the governmental and proprietary fund activities.

Fund Types

The individual fund is the building block of governmental budgeting, accounting, and reporting. The City of Lakeland has three types of funds – governmental funds, proprietary funds, and fiduciary funds. For budgeting and reporting purposes, certain funds are considered to be major funds due to quantitative or qualitative factors. The Annual Budget classifies each fund as major or non-major based upon the same factors used for this determination in external financial reporting.

Lakeland's Annual Budget reports the financial plans for both appropriated funds (the governmental funds) and non-appropriated funds (the proprietary Sewer enterprise fund). The Annual Budget excludes fiduciary agency funds (the LSS OPEB Trust and school activity funds) for which appropriation is not required. There are 11 governmental funds that require appropriation via Lakeland Ordinance prior to expenditure. The Sewer Fund is presented in the Annual Budget as a means of exercising the City's fiduciary obligation to control the spending within this fund, and as a matter of State of Tennessee and Lakeland policy.

Lakeland's funds are presented by fund type below:

LSS = Lakeland School System; SRF = special revenue fund; EF = enterprise fund

BASIS OF ACCOUNTING AND BUDGETARY BASIS (CONTINUED)

Fund and Department Relationship

The City departments listed in the *Organization Chart* are accounted for in the City's funds as follows (note that some departments are accounted for in multiple funds):

Major Funds

Major funds are funds that meet certain quantitative or qualitative factors. The quantitative factors are that the fund's revenues, expenditures or expenses, assets, or liabilities are greater than 10% of the total for their fund type – governmental or enterprise – and are greater than 5% of the total for both governmental and enterprise funds. The qualitative factors are subject to interpretation and judgment by the City – for example, if a fund has been a major fund in the past but does not meet the qualitative factors for the current fiscal year, the City may choose to continue to report the fund as a major fund. Fiduciary funds are never considered major funds.

Based upon budgeted quantitative results and current qualitative assessment, the City's major governmental and enterprise funds for fiscal year 2022 are as follows.

Major Governmental Funds

- **General Fund** – The primary operating fund of the City and accounts for all financial resources of the general government not specifically provided for in other funds. Most of the essential City services are reported in the General Fund.
- **LSS General Purpose School Fund** – The operating fund of the Lakeland School System and accounts for all general revenues and other receipts that are not allocated by law or contractual agreement to another Lakeland School System fund, such as property tax revenue from Shelby County, Tennessee, Basic Education Program funds, sales tax, etc. General operating expenditures and capital improvement costs that are not paid through other LSS funds are paid from the General Purpose School Fund.

BASIS OF ACCOUNTING AND BUDGETARY BASIS (CONTINUED)

Major Governmental Funds (Continued)

- **LSS School Capital Projects Fund** – This fund accounts for LSS’s financing of major capital improvement projects and capital asset purchases.
- **Debt Service Fund** – This fund is supported by transfers in (other financing sources) from the General Fund, and is the fund used to account for all debt-related expenditures.

Major Enterprise Fund

- **Sewer Fund** – Accounts for sewer fees and related operating expenses in connection with the operation of the City's sewer system.

Lakeland’s remaining funds are non-major funds.

Appropriated Funds

The State of Tennessee Municipal Budget Law of 1982 (*T.C.A. 6-56-203 et seq.*) states, in part, that “except for moneys expended pursuant to a project ordinance or accounted for in a proprietary type fund or a fiduciary type fund that are excluded from the budget ordinance, all moneys received and expended by a municipality shall be included in a budget ordinance.” For the City of Lakeland, this means that the governmental fund types listed above are appropriated funds.

Other Funds

While the Sewer fund is not considered an appropriated fund according to State law, it is required to be budgeted annually and therefore the City includes the annual financial plans for this fund in the Annual Budget.

BUDGET PROCESS AND CALENDAR

Lakeland's budget process begins with a review of planned financial resources (revenues) and expenditures for the coming fiscal year. Revenues are projected based upon historical actual amounts received and planned increases or decreases in the underlying economic factors that affect each revenue stream. Expenditures are projected based upon historical actual amounts as well as consideration of the staffing and service delivery goals and objectives for the coming fiscal year.

The budget document presented to the Board of Commissioners is the result of extensive planning, research, and analysis. The Annual Budget provides the legislative body and citizens of the City of Lakeland a comprehensive picture of proposed operations for the fiscal year based on these guidelines:

- Highest possible level of service to citizens without impairing the City's sound financial position
- Balanced budgets for each fund wherein total projected revenues, other financing sources, and in some cases use of fund balance equal or exceed each respective fund's anticipated expenditures
- Unrestricted General Fund balance is maintained at a minimum of 20% of anticipated General Fund revenues, plus \$1.1 million, in accordance with the City's fund balance policy
- Budgetary control is maintained at the fund level to provide reasonable assurance that budgetary goals are accomplished

Budget Adoption

The City Manager and Finance and Human Resources Director, working closely with the Superintendent and Finance Director of LSS, submit an annual budget to the Board of Commissioners providing a comprehensive financial plan for the upcoming fiscal year. This annual budget is balanced, as noted above, in accordance with T.C.A. requirements.

Public Notice

Publication of the proposed budget in a newspaper of general circulation is published no less than ten days prior to the second reading and final passage of the Annual Budget.

Budget Ordinance

The Board of Commissioners adopts the Annual Budget by ordinance upon two required readings on or before the last day of the preceding fiscal year – in the case of this Annual Budget, on or before June 30, 2021.

Budget Amendments

Subsequent to the approval and second reading of the budget ordinance for the Annual Budget, the Board of Commissioners may amend the legally adopted budget by ordinance, upon two required readings and public comment, when unexpected modifications are required to estimated revenues, other financing sources, expenditures, or other financing uses.

BUDGET PROCESS AND CALENDAR (CONTINUED)

Budget Amendments (Continued)

Each appropriated fund's revenue budget is prepared by source, and each appropriated fund's expenditure budget is prepared by fund, with constitutes the legal level of budgetary control. Expenditures may not exceed appropriations at the legal level. Management of the City of Lakeland is authorized to make line-item-detail appropriation transfers within each fund. Such transfers are made by the Finance and Human Resources Director and reported to the Board of Commissioners at their next regularly scheduled meeting.

Budget Calendar

The budget process begins in January with the distributions of the budget calendar and budget worksheets to department directors.

During this time, the Board of Commissioners may also meet in open session for a planning workshop to discuss priorities for the upcoming year or years.

In February the department directors remit their year-end estimates and budget requests for the upcoming year to the Finance and Human Resources Director. Budgets are then reviewed with the City Manager, and ultimately the Board of Commissioners in various budget workshops. Program changes, if any, and capital investment planning is performed at this time as well.

During this same time, the LSS Superintendent and Finance Director are also working with the LSS Board of Education on the LSS funds' budgets, which are generally approved by the Board of Education and remitted to the City in April.

The detailed fiscal year 2021-2022 budget calendar is on the following page.

Priorities and Goals

In February 2021, the Board of Commissioners met in a strategic planning workshop that identified the Board's short- and long-term goals for the City of Lakeland. This strategic planning session resulted in the following five priorities, which heavily influenced the development of this Annual Budget.

1. **Update Lakeland's land development regulations and comprehensive plan**
2. **Create and expand Parks and Recreation facilities and services**
3. **Focus upon economic development**
4. **Develop a communications strategy for consistent and timely distribution of information to citizens**
5. **Focus upon infrastructure improvements, including roads and wastewater systems**

Priority 1 – Land Development Regulations and Comprehensive Plan

Goal

- Updated comprehensive plan and land development regulations to clarify and facilitate smart growth

Strategy and Implementation

- Identify a local oversight team to review and select qualified consultant(s) to perform review and update of the land development regulations and comprehensive plan
- Appropriate funds in the Annual Budget for fiscal years 2022 and 2023 for related consultant expenditures

Related Vision Statements

- Vision Statements 1 and 3

VISION AND GOAL STATEMENTS (CONTINUED)

Priority 2 – Parks and Recreation Facilities and Services

Goals

- Complete the Memphis-Arlington recreation complex phase 1
- Update City-wide parks and recreation master plan

Strategy and Implementation

- Empower Parks and Recreation Board to complete and update a five-year capital improvement projects plan
- Appropriate funds in the Annual Budget for fiscal year 2022 for the completion of phase 1
- Include estimated expenditures for five-year capital improvement projects plan related to parks and recreation in the long-term financial plan of the General Fund
- Appropriate funds for the City-wide Parks and Recreation master plan

Related Vision Statements

- Vision Statements 2, 3, 4, and 5

Priority 3 – Economic Development

Goals

- Increase retail and commercial development in the City of Lakeland
- Improve marketing and branding of the City of Lakeland as a sought-after municipality for potential retail and commercial development

Strategy and Implementation

- Continue to partner and collaborate with the Lakeland Chamber of Commerce
- Partner with established development brokers to effectively market the City to potential investors
- Review and update the Economic Development Commission marketing plan
- Research existing and potential data-driven metrics for use in the overall marketing plan

Related Vision Statements

- Vision Statements 1, 4, and 5

Priority 4 – Communications Strategy

Goal

- Provide consistent and timely information to residents and businesses

Strategy and Implementation

- Update our existing communications channels in conjunction with a communications and marketing consultant
- Appropriate funds in the Annual Budget for fiscal year 2022 for the consultant referenced above
- Utilize the Community Advisory Board to further the communications strategy of the City

Related Vision Statements

- Vision Statements 3 and 5

VISION AND GOAL STATEMENTS (CONTINUED)

Priority 5 – Infrastructure Improvements

Goals

- Protect scenic corridors within the City of Lakeland
- Improve transportation and the quality of roadways within Lakeland
- Invest in continued sewer improvements to further sustain and promote economic growth

Strategy and Implementation

- Undertake transportation plan update and appropriate funds in the Annual Budget for fiscal year 2022 to cover related project expenditures
- Ensure appropriate sewer plant staffing related to the acquisition of additional sewer assets in fiscal year 2021
- Appropriate additional paving and related costs in the Street Aid fund for fiscal year 2022
- Continue to fund the design and initial construction costs of the New Canada Road capital project

REVENUES AND OTHER FINANCING SOURCES (CONTINUED)

The table on the previous page presents the revenues and other financing sources, by source, for all appropriated (governmental) funds combined for the prior three fiscal years and the budget for fiscal year 2022. The Sewer Fund is not an appropriated fund and therefore is not included in the figures above.

The chart below shows the mix of governmental fund revenues by source for the respective periods above.

The following chart shows revenues by fund, including the Sewer Fund, for the respective periods shown:

REVENUES AND OTHER FINANCING SOURCES (CONTINUED)

Revenue Projections

The specific revenue projections described below *represent 94 percent of the total revenues of all appropriated funds*. The remaining revenue categories – Licenses and Permits, Charges for Services, Interest, and Other Income – were budgeted based on a combination of trend analysis (with heavy weight given to the most recent three-year period) and specific identification of planned economic developments that would generate City revenues.

Property Taxes

Property taxes are levied as of January 1st of each year to fund the ensuing fiscal year, as they are due by November 1st. Property taxes are considered delinquent if unpaid as of February 28th of the following calendar year. In the preparation of the Annual Budget, property tax revenues are considered from two sources – City of Lakeland property taxes, and Shelby County, Tennessee, property taxes that fund LSS.

City of Lakeland Property Taxes

The City's property tax rate is set annually by ordinance of the Board of Commissioners. For fiscal year 2022 the property tax rate is set at \$1.04 per \$100 of assessed value, down from \$1.24 per \$100 of assessed value previously. This is the equalized certified rate calculated in accordance with State statutes and submitted to the State Board of Equalization for approval. Property tax revenue projections are based on the property tax rate set as well as the underlying assessed values of taxed property.

Assessed values were reappraised within Shelby County in 2021. For the City's property tax revenue projection, the Shelby County Assessor's Certified Tax Assessment resulted in an approximate 23 percent increase in the underlying assessed values utilized for property tax revenue forecast. The resulting projection was then based on an assumed 99 percent collection rate within fiscal year 2022. Other minor components of property tax revenue, such as delinquent tax collections and penalty income, were projected using trend analysis.

LSS Property Taxes

Lakeland School System's share of Shelby County property taxes, local option sales taxes, and wheel taxes are based on the average daily attendance ("ADA") distribution for Lakeland School System in fiscal year 2021-2022.

Local Sales Taxes

Local sales taxes are projected based on a combination of factors. The most significant portions of local sales taxes are LSS's proportional share of the 2.25 percent county sales tax committed for educational purposes and the .50 percent City local option sales tax. Sales taxes are collected by the State and remitted to the City directly (for local option sales tax) and through Shelby County, Tennessee (for county sales taxes).

REVENUES AND OTHER FINANCING SOURCES (CONTINUED)

Revenue Projections (Continued)

Local Sales Taxes (Continued)

The projections for local option and County sales taxes are based on the City's trend analysis of the previous 24 months, economic research into spending trends for the coming fiscal year, and specific identification of increased sales taxes for the City to be realized through planned mixed-use tax-generating developments known as The Lake District and Lakeland Commons, as well as other specific retail establishments that have recently become operational.

Other local sales taxes include wholesale beer and liquor taxes, telecom and cable franchise taxes, and other business taxes. These are projected based on the City's trend analysis with the assumption that recent increase percentages in revenues will continue into fiscal year 2022.

Intergovernmental

The primary components of intergovernmental revenues are:

- State of Tennessee shared revenues;
- State basic education funding;
- State gas and motor fuel taxes; and
- Payments in lieu of taxes from other governmental entities.

State Shared Revenues

State shared revenues include the proportional share, generally per capita, allocated to the City of Lakeland by the State of Tennessee. These amounts are projected based upon the City's trend analysis of the previous 24 months as well as any known factors that would impact fiscal year 2022.

Basic Education Funding

The Basic Education Program ("BEP") is the main source of K-12 education funding and distributes nearly \$5 billion to public school districts. It has two parts: a state share, and a required local match contributed by local school districts. State and local shares are set based on each county's fiscal capacity, or ability to raise local revenue; counties with higher fiscal capacities receive less state funding and must contribute more local matching dollars than counties with less ability to raise local revenue. The BEP is split into four main categories, which together contain 46 different components that generate funding – for example, teacher salaries or textbooks – but districts have considerable flexibility on how to spend their BEP money. For this reason, the BEP is often referred to as a funding formula, not a spending plan. BEP funding for fiscal year 2022 is based upon guidance received from the Tennessee Department of Education.

REVENUES AND OTHER FINANCING SOURCES (CONTINUED)

Revenue Projections (Continued)

Intergovernmental (Continued)

Gas and Motor Fuel Taxes

Gas and motor fuel taxes are restricted for spending on street infrastructure expansion and maintenance and are required to be accounted for in a separate special revenue fund, regardless of whether this fund meets the test, per GAAP, for a special revenue fund. The City's State Street Aid fund is primarily supported by transfers from the General Fund, as the City expends more on maintenance of streets than the amounts received from the State. Gas and motor fuel taxes are projected based upon the City's trend analysis compared for the prior 24 months.

Payments in Lieu of Taxes

Lakeland receives payments in lieu of taxes from the Tennessee Valley Authority ("TVA") and Memphis Light Gas and Water ("MLGW"). Revenues are projected based upon the City's trend analysis, with no significant changes expected in fiscal year 2022.

Federal, State, and Local Grants

Federal, state, and local grants are received by both the City of Lakeland and LSS.

City of Lakeland

The grant revenues in the City's General Fund are budgeted based upon the reimbursement rates for grants related to capital projects planned for fiscal year 2022. In the majority of the cases, the grant reimbursement rate through the State of Tennessee (sourced by federal and/or state funds) is 80 percent of the cost of the capital project, based upon the approved grant funding and underlying grant budget. The largest grant in the General Fund for fiscal year 2022 is the 80 percent reimbursement grant for the New Canada Road project.

LSS

LSS receives both federal and state grant funds which are provided on a reimbursable basis through the Tennessee Department of Education ("TDOE"). These grants are apportioned and monitored by a rigorous and ongoing TDOE process by which grant fund proposals are submitted from school systems, reviewed by state monitors, and reimbursed with appropriate documentation. Federal grants support areas such as special education, education for economically disadvantaged students, and educator professional development. State grants support such areas as school safety and coordinated school health.

EXPENDITURES AND OTHER FINANCING USES

(CONTINUED)

The table on the previous page lists the expenditures by type for all appropriated (governmental) funds, which are combined and presented with actual results from fiscal years 2019 and 2020, estimated results for fiscal year 2021, and the budget for fiscal year 2022.

The chart below further illustrates the City’s expenditures by type.

FUND BALANCES

Fund balance is the term used to describe the equity in governmental funds. Fund balance is the net amount of assets less liabilities and deferred inflows of resources. The City's fund balances are classified into the following categories:

- **Nonspendable** – amounts that cannot be spent because they are either 1) in a non-spendable form, including items not expected to be converted to cash (i.e. inventories and prepaid amounts), or 2) legally or contractually required to be maintained intact (i.e. the principal of a permanent fund).
- **Restricted** – amounts constrained to be used for specific purpose as per external parties, constitutional provision, or enabling legislation.
- **Committed** – amounts constrained to be used for specific purposes by formal action by ordinance adopted by the Board of Commissioners. Amounts classified as committed are not subject to legal enforceability as are restricted sources; however, they cannot be used for any other purpose unless the Board of Commissioners removes or changes the commitment by ordinance.
- **Assigned** – amounts intended to be used by the City for a specific purpose but are neither restricted nor committed. The intent shall be expressed by the Board of Commissioners or a designee authorized by the Board of Commissioners with authority to assign amounts (such as the LSS Board of Education). The nature of the actions necessary to remove or modify as assignment is not as rigid as required under a committed fund balance classification. Amounts in excess of nonspendable, restricted, and committed fund balance in funds other than the General Fund are reported as assigned fund balance.
- **Unassigned** – represents the residual balance available for any purpose in the General Fund or deficit balances in other funds.

FUND BALANCES (CONTINUED)

The following schedules present the changes in fund balance for each of the City's major governmental funds and the aggregate changes in fund balance for non-major governmental funds. Any changes in fund balance exceeding ten (10) percent are explained for each major governmental fund, and for the non-major governmental funds in the aggregate.

The increase in fund balance in the General Fund is primarily due to the receipt of \$8.1 million of interim financing proceeds to manage cash flow on the New Canada Road project, which will cross fiscal year end. The future operating impact is that these funds, which will be restricted as of June 30, 2022, will be used (and result in a decrease in fund balance) in fiscal year 2023, as noted in the LTFP in this document.

The decrease in fund balance in the LSS General Purpose School Fund is not expected to be a recurring event and is not expected to have future operating impact upon the school system's primary operating fund. The planned use of fund balance is an operating transfer to the LSS Capital Projects Fund related to constructions costs on the new high school project.

The net decrease in fund balance of the non-major appropriated funds is due to the planned use of fund balance for capital outlays in the Stormwater and Solid Waste funds. These uses are allowable uses of fund balance per the City's Fund Balance Policy. These decreases in fund balance are not anticipated to have an ongoing negative impact on the financial condition of these funds, as these funds typically operate annually on the user fees generated, with minimal or no support from the General Fund.

MAJOR APPROPRIATED FUNDS – BUDGET SUMMARIES

The City of Lakeland's major funds are described in further detail in the *Basis of Accounting and Budgetary Basis* section beginning on page 32. Details of the line-item amounts for each fund are as listed in the *Table of Contents*.

General Fund

The General Fund, fund 110, is the primary operating governmental fund of the City of Lakeland. This fund accounts for revenues and expenditures that are not specifically provided for in other funds. Essential governmental services of the City – general government administration, community development, public works, and parks and recreation – are accounted for in this fund. The use of committed fund balance in the FY2021-2022 budget is related to activities designated for education (and therefore committed to LSS) and the use of previously accumulated fund balance committed for park acquisition that is expected to be used in the coming fiscal year for the construction of an athletic complex. The budget anticipates a growth of unassigned fund balance.

Functional Departments in the General Fund

General Government

The General Government function in the General Fund includes government administration, City court, the Board of Commissioners, finance, human resources, and GIS and information systems. All expenditures related to the Board of Commissioners, the City Attorney, the City Judge, the City Manager, Public Relations, Finance and HR, and GIS and Information Services are reported in this functional classification.

Purpose

The purpose of the General Government function is to provide legislative, judiciary, administrative, financial, and technical support to the operation of City government. This is accomplished by providing ongoing and responsive feedback to the needs of citizens, constituents, other City departments, and coordinating governmental agencies.

Performance

For fiscal year 2021, the General Government function worked collective to present, review, and approve balanced operating and capital budgets to continue serving Lakeland citizens at the highest possible level, while maintaining the same property tax rate. This function obtained the GFOA's award for budgetary excellence for the first time during fiscal year 2021 for the fiscal year 2021 Annual Budget. Additionally, in fiscal year 2021 the City obtained an unmodified annual audit opinion for the fiscal year ended June 30, 2020.

Community Development

Community Development includes engineering, construction inspection, code enforcement, planning, and economic and community development. This function supports the delivery of critically-needed services to residents and businesses in Lakeland, including engineering design for major projects, review and approval of building permits and planned developments, monitoring and enforcement of the City's zoning and other ordinances, and provides staff support for the planning and development boards of the City.

Purpose

To provide staff and resource support for the design, administration, and enforcement of the City's planning, zoning, building, and design codes as well as to work with residential and commercial developers to foster and encourage further quality economic growth in the City of Lakeland.

Performance

In fiscal year 2021, the Community Development function continued to support and encourage major developments planned within the City of Lakeland, including The Lake District, Lakeland Commons, and the ALDI project. Community Development also worked with the Board of Commissioners to present and obtain approval for several municipal code enhancements to further clarify Lakeland's position for current and future developments.

Public Works

The Public Works function in the General Fund is responsible for general grounds, building, and equipment maintenance for City-owned property. The Public Works staff and equipment costs are allocated between the General Fund, the Stormwater Fund, Street Aid Fund, and the Solid Waste Fund on a pro-rata basis determined by the allocable time spent on each functional area.

Purpose

The Public Works department is the City's primary maintenance force for streets, right of way areas, parks and public buildings, equipment, and drainage systems. Non-maintenance activities include residential bulk waste collection, residential leaf collection and managing contracted residential curb-side trash and recycle collection.

Performance

The Public Works Department maintains 74 centerline miles of roadway. Many of the roads are in need of repaving which increases the number of street repairs and patching required by Public Works each year. On average the department conducts 125 street repairs per year. The Public Works Department also maintains the drainage infrastructure and stream crossings to keep them clear of litter and debris and repairing any structural issues. The department also runs the bulk waste collection program averaging 50 collections per week. The City began a residential leaf collection service for residents in fiscal year 2021.

Parks and Recreation

The Parks and Recreation function in the General Fund is responsible for the operations of the International Harvester Managerial Clubhouse, Lakeland Senior Center, The “LAMP” Amphitheater, and youth recreation programming. Current recreation programming includes recreation and competitive youth soccer, flag and tackle football, basketball, cheerleading, and tennis.

Purpose

The Parks and Recreation function supports the health and fitness of the community by providing public spaces and programs to recreate and connect with other citizens of the City of Lakeland. The function provides regular programs for seniors, family events, and youth sports. The function also works interdepartmentally to plan and provide future improvements such as playgrounds and new field infrastructure.

Performance

Parks and Recreation provides year-round programming for a variety of citizens. These programs include sports leagues and instruction for youth. There are 55 weekly senior programs including Bunco, Book Club, Bridge, and regularly scheduled holiday potluck lunches and fundraising dinners. The function also programs and hosts summer music series at the “LAMP” Amphitheater, as well as several annual special events including the May Fishing Rodeo in partnership with the Tennessee Wildlife Resource Agency and the Lakeland Lions Club, and the Lakeland Christmas Festival.

Education

Lakeland School System, like all Tennessee school systems, is subject to numerous academic and non-academic accountability measures through the TDOE. Per the TDOE website, the state’s model is built on multiple indicators that make districts and schools successful, including state test scores and student growth data; English learner performance; low chronic absenteeism and out-of-school suspensions. Based on these accountability measures in the 2018-2019 school year, Lakeland School System was named one of only 21 Exemplary School Districts, the highest designation possible, in the state of Tennessee. In addition, both of Lakeland School System’s schools; Lakeland Elementary and Lakeland Middle Preparatory; were named Reward Schools, the highest designation possible for schools.

NON-MAJOR APPROPRIATED FUNDS – BUDGET SUMMARIES

The City of Lakeland's non-major funds are described in greater detail below. Details of the line-item amounts for each fund are as listed in the Table of Contents.

State Street Aid Fund

Fund 121, the State Street Aid Fund, is a special revenue fund. The fund's status as a special revenue fund is required by the State of Tennessee, due to the inclusion in the fund of intergovernmental revenues from gas and motor fuel state taxes. While the revenues are restricted in terms of purpose, the City of Lakeland expends more funding annually on street repair and maintenance than the per capita allocation from the State of Tennessee, with any remaining fund balance as of the end of each fiscal year being committed by the Board of Commissioners for ongoing street repair and maintenance. Therefore, this fund's budget includes transfers in from Fund 110, the General Fund, for the portion of expenditures that exceed State funding.

LSS Discretionary Grants Fund

Fund 145, the LSS Discretionary Grants Fund, is established by the Standardized System of Accounting and Reporting developed by the Tennessee Department of Education. State funds and grants must be spent for a specific purpose and are not reflected in the LSS General Purpose School Fund operating budget. These items include such state initiatives including coordinated school health, student safety, and specific grants for which systems may apply such as the State Personnel and Development Grant.

LSS LEAP Fund

Fund 146, the LEAP Fund, is a fund specific to Lakeland School System's in-house before and after care program. LEAP funds are generated by tuition paid by Lakeland parents for before and after care for students at Lakeland Elementary and Lakeland Preparatory schools. These funds are used to provide personnel, resources, and maintenance for the program spaces.

Functional Departments in the Sewer Fund

The Sewer Fund is an enterprise fund that accounts for the activities of the Sewer Department. The Sewer Department is responsible for maintaining the sewer collection system and operating the Scotts Creek Wastewater Treatment Plant. The Sewer staff and equipment costs are funded solely through the Sewer Enterprise Fund.

Purpose

The Sewer Department maintains the collection system including pipe, manholes, and lift stations. The Department also maintains equipment at the Scotts Creek Wastewater Treatment Plant. The Wastewater Supervisor serves as the certified operator of the plant. Staff also collect samples daily and perform lab work to maintain compliance with the State National Pollutant Discharge Elimination System ("NPDES") Permit as well as Environmental Protection Agency ("EPA") regulations.

OTHER FUND FINANCIAL PLANS– SUMMARY (CONTINUED)

Sewer Fund (Continued)

Functional Departments in the Sewer Fund (Continued)

Performance

The City performs video inspections on a portion of the collection system every two years. Repairs, as identified in the inspection, are conducted on the year between inspections. Lift Stations are checked daily and require regular maintenance such as cleaning, pump/motor repair, and electrical repair. The Scotts Creek Wastewater plant operation requires daily sampling and lab testing. In addition, the plant requires extensive preventative maintenance and cleaning.

LTFP AND CIP

Long-Term Financial Plan (“LTFP”)

City policy requires that a LTFP be developed, in conjunction with anticipated changes in City services, long-range vision statements, the Board of Commissioners goals and priorities, and needed capital improvements (along with CIP planning), to ensure the City’s long-term financial health and stability. The LTFP is required to cover any City fund with a minimum fund balance, or reserve, policy. Currently the General Fund is the only City fund with a minimum fund balance policy requirement.

For the LTFP presented below, the City’s revenues and current expenditures are projected based upon a combination of trend analyses and specific identification of changing economic factors (including economic development). The projected change in fund balance before capital and debt activities provides a measure of the available funding, on an annual basis, for CIP plan implementation. The LTFP then outlines the total capital outlays and associated projected grant revenues, and other financing sources and uses that will impact ending fund balance on an annual basis. A significant goal of the LTFP is to ensure that at the end of the five-year plan, projected ending fund balance is maintained at a level compliant with the City’s financial policies.

The LTFP is the financial synthesis of the City’s vision, goals, and priorities, as outlined beginning on page 39 – specifically:

Priority	Execution in the LTFP
<i>1. Update Lakeland’s LDR and Comprehensive Plan</i>	The LTFP provides sufficient increases and planned appropriations in the Community Development function of current expenditures, with a 5 percent growth rate, to cover the costs of this priority.
<i>2. Expand Parks and Recreation facilities and services</i>	The Capital Improvements Plan, a critical component of the LTFP, anticipates significant capital spending on parks and recreation facilities.
<i>3. Focus upon economic development</i>	Various capital projects and planned current expenditure levels in the LTFP are designed to continue the City’s focus on economic development.
<i>4. Communications strategy</i>	Planned current expenditure levels in the LTFP, specifically in the General Government and Community Development functions, would cover future expenditures related to the implementation of a robust communications strategy.
<i>5. Infrastructure improvements</i>	Capital projects presented herein, such as New Canada Road, as well as greatly increased planned annual paving expenditures, reflect the focus in the LTFP upon this priority.

LTFP AND CIP (CONTINUED)

Long-Term Financial Plan ("LTFP") (Continued)

As shown in the graph below and the plan summary on the following page, the LTFP ensures adequate funds are available for execution of the CIP and that ending fund balance remains in compliance with the City's fund balance policy at the end of the five-year period.

As noted earlier, a LTFP is only required by City policy for the General Fund, as it is the only fund with a minimum fund balance requirement. However, to properly project the General Fund, five-year plans must also be projected for other funds supported by transfers out from the General Fund. These include the State Street Aid Fund and the Debt Service Fund. Therefore, on the following pages are five-year LTFP for the General Fund (primary) as well as the other funds mentioned above.

Capital Improvements Plan (“CIP”)

The CIP is a five-year planning document that prioritizes and plans for needed capital expenditures. A capital expenditure is generally an expenditure of funds for the acquisition or construction of assets with a useful life in excess of one year. Capital expenditures for projects expected to exceed \$100,000 in funding must be included in the CIP; however, smaller projects and/or items of equipment may also be included as identified. On the following pages, significant *non-recurring* capital projects (significant being those with expected costs greater than \$100,000) are individually described and their major funding sources identified.

The schedule on the following page is the City’s governmental funds CIP. The CIP for the Sewer Fund is included in the detailed Sewer Fund Financial Plan. On the following pages are summaries by governmental fund, providing project descriptions as well as funding sources and ongoing maintenance and operating (“M&O”) costs, as applicable.

Governmental fund CIP expenditures by fund for each of the projected five years is as follows:

Significant Non-recurring Capital Projects

PROJECT:	5-YEAR CIP EXPENDITURES:
New Canada Road	\$30,000,000
	FUNDING SOURCES:
	Grants through the State of Tennessee (80%)
	General Fund general governmental revenues
	Interim Financing Proceeds
DESCRIPTION:	
The New Canada Road project consists of the realignment of existing Canada Road between Interstate 40 ("I-40") and Highway 70. The new roadway will be approximately 2.3 miles in length. Project costs include the anticipated remaining costs on this project.	
FUTURE OPERATING BUDGET IMPACT:	
Upon completion, the new roadway will require regular maintenance including mowing and vegetation control. After 5 years of installation the City may expect to replace pavement markings and perform some asphalt patching and curb and gutter repair. At some point in the future the road surface will require full asphalt mill and overlay.	

PROJECT:	5-YEAR CIP EXPENDITURES:
Memphis-Arlington Athletic Complex	\$1,920,000
	FUNDING SOURCES:
	General Fund general governmental revenues
	General Fund assigned fund balance (\$1,770,000)
DESCRIPTION:	
Originally planned and budgeted as an athletic complex, Phase 1 of this project will include multiple soccer fields and practice areas on the land owned by the City along Memphis-Arlington Road. Remaining budget is for the completion of the design and construction of future project phases.	
FUTURE OPERATING BUDGET IMPACT:	
Upon completion, the parks and recreation budget in the General Fund will be increased to cover additional labor and materials for field maintenance and is covered through the planned increase in parks and recreation expenditures in the LTFP. An additional employee in parks and recreation has been during fiscal year 2021 in anticipation of increased programs and activities related to the completion of Phase 1 in fall 2021.

Capital Improvements Plan ("CIP") (Continued)

Significant Non-recurring Capital Projects (Continued)

PROJECT:	5-YEAR CIP EXPENDITURES:
IH Pavilion and Access Road	\$200,000
	FUNDING SOURCES:
	General Fund general governmental revenues and fund balance
DESCRIPTION:	
The pavilion at International Harvester Park was destroyed in a storm in 2020, and insurance proceeds were received for the replacement. This project is to complete the replacement, as well as construct an access road to the pavilion.	
FUTURE OPERATING BUDGET IMPACT:	
Annual operating budget impact is negligible.	

PROJECT:	5-YEAR CIP EXPENDITURES:
Metal Maintenance Building	\$300,000
	FUNDING SOURCES:
	General Fund transfers to State Street Aid Fund
	Solid Waste user fees and fund balance
DESCRIPTION:	
Project is for the purchase, installation, and outfitting of a covered parking and storage facility on the metal maintenance building in the Public Works department.	
FUTURE OPERATING BUDGET IMPACT:	
There are minimal anticipated future operating budget impacts from this project. Within five years following installation, anticipated additional repairs and maintenance should not increase more than two percent related to this project.	

LTFP AND CIP (CONTINUED)

Capital Improvements Plan ("CIP") (Continued)

Significant Non-recurring Capital Projects (Continued)

PROJECT:	5-YEAR CIP EXPENDITURES:
Street Sweeper	\$180,000
	FUNDING SOURCES:
	Stormwater user fees and fund balance
DESCRIPTION:	
The purchase of a street sweeper is planned for fiscal year 2024 for use in the Stormwater fund to aid in the removal of street debris and improve drainage system functions.	
FUTURE OPERATING BUDGET IMPACT:	
Annual repairs and maintenance expenses are not expected to exceed 5 to 10 percent of project costs.	

PROJECT:	5-YEAR CIP EXPENDITURES:
Knuckleboom Truck	\$150,000
	FUNDING SOURCES:
	Solid Waste collection user fees and fund balance
DESCRIPTION:	
The purchase of a knuckleboom truck is planned for fiscal year 2023 for use in the Solid Waste fund to aid in the collection of bulk pick up of solid waste items.	
FUTURE OPERATING BUDGET IMPACT:	
Annual repairs and maintenance expenses are not expected to exceed 5 to 10 percent of project costs.	

LTFP AND CIP (CONTINUED)

Capital Improvements Plan ("CIP") (Continued)

Significant Non-recurring Capital Projects (Continued)

PROJECT:	5-YEAR CIP EXPENDITURES:
High School Project	\$35,465,054
	FUNDING SOURCES:
	LSS Capital Projects Fund USDA fund balance (from USDA interim financing proceeds)
	LSS Capital Projects Fund restricted fund balance
	LSS General Purpose School Fund revenues and fund balance
DESCRIPTION:	
This project is for the planned construction of a high school educational facility, including athletic fields, adjacent to the existing LMPS.	
FUTURE OPERATING BUDGET IMPACT:	
LSS General Purpose School Fund revenues and expenditures will increase based upon a phased-in enrollment in the new high school facility. By the time the high school is fully built out and accommodating all four high school grades (9-12), both revenues and expenditures in the fund are anticipated to increase by 40-45 percent.	

PROJECT:	5-YEAR CIP EXPENDITURES:
Extension of Highway 70	\$2,500,000
	FUNDING SOURCES:
	LSS General Purpose School Fund revenues and fund balance
DESCRIPTION:	
This project is to fund the extension of highway 70 to accommodate increased traffic related to the completion of the new LSS high school facility and related athletic fields.	
FUTURE OPERATING BUDGET IMPACT:	
Annual repairs and maintenance expenses are to be determined as more planning is completed related to this project. Annual operating impact may include repairs and maintenance.	

PERSONNEL MANAGEMENT

Personnel Management Plan

City staffing levels for fiscal year 2022 are expected to remain stable as compared to prior periods. As noted below, the City expects to add an additional GIS and Information Systems position, two positions in Public Works, and two positions in Wastewater in the ensuing fiscal year, and changes in LSS staffing levels are described further below. Refer to the table on the following page for FTE's by Fund and Function for the most recent fiscal year, estimates for the current fiscal year, and budgeted levels for fiscal year 2022.

General Government **8.4 FTE's**

Staffing in the General Government function includes the City Manager, the Finance and Human Resources Director, and the GIS and Information Systems Director, as well as full-time and part-time staff positions, including the addition of a part-time information systems staff position in fiscal year 2022. The change from prior periods is due to vacancies and turnover rates in those periods.

Community Development **7.4 FTE's**

Community Development staffing includes the City Planner, Staff Planner, City Recorder, Code Inspector, and Construction Inspector positions. The staffing level also includes partially-allocated FTE's for the City Engineer, staff engineer, and chief inspector positions. The change from prior periods is due to vacancies and turnover rates from year to year.

Public Works **22.5 FTE's**

Public Works staff are allocated across the General Fund, the State Street Aid Fund, the Stormwater Fund, and the Solid Waste Fund. Sewer Fund Public Works employees are separately assigned and dedicated to the enterprise fund. The Annual Budget for fiscal year 2022 includes the addition of two positions in the Public Works department, and two positions in the Sewer Fund – both of which are components of the public works function.

Parks and Recreation **6.2 FTE's**

Staffing for Parks and Recreation includes the Parks and Recreation Director, two (2) Recreation Coordinators, part-time Recreation assistants, and the Community Services Representative. The change from prior periods is due to vacancies and turnover in prior periods.

Education **226.0 FTE's**

Education staff are allocated across all LSS funds. Changes for fiscal year 2022 include changes in various part-time to full-time staffing levels as noted in the *Executive Summary* of this document.

Sewer Fund CIP

The Capital Improvements Plan for the Sewer Fund is prepared in accordance with the City's financial policies and is designed to identify and plan for needed system improvements on a long-term basis. Unlike the CIP projects described for governmental activities, the Sewer Fund CIP is not funded by taxpayers or general governmental revenues, rather by the issuance of utility debt and sewer user fees and reserves. Developer contributions (contributed infrastructure) are not included in the Sewer Fund CIP.

APPENDIX

Demographic and Economic Statistics

The beautiful city of Lakeland, TN is quickly becoming one of the most desirable and most prosperous communities in the Memphis Metro area. Over the past five years, Lakeland has strategically invested in and planned for future growth from both a residential and commercial standpoint. In fact, Single Family Building Permits have increased over 400% over the past three years, with an average *new* home value of \$474,000 (2019). Over 895 additional home lots are currently approved, and even more exciting developments are in the process.

Commercial development is also thriving. In 2018, The Lake District and Lakeland Town Square broke ground. Both are unique upscale mixed-use developments, sure to be a catalyst for growth and opportunity for our City.

In addition, breaking ground in 2020 is a new Lakeland Preparatory High School, which promises to complete one of the top performing school systems in Tennessee. Lakeland School System currently ranks #1 in TN for Achievement in grades 3-5 and #2 in TN for Achievement in grades 6-8. The new high school will open in August of 2022 and will include a new varsity gym with capacity for 2000, a performing arts auditorium with a capacity for 800, and a full range of academic, athletic, and fine arts facilities.

Lakeland was also awarded a “Most Safe” Crime Rating from Neighborhood Scout and has an overall crime rate that is 49% lower than the national average. These are just a few of a long list of accolades for a flourishing city “Where Quality is a Way of Life”.

Financial Policies

1. Governance

1.1. Authority and Adoption

- 1.1.1. The Board of Commissioners is responsible for legislation, policy formulation, and overall direction setting of the City of Lakeland, Tennessee (the “City”). This includes the approval of financial policies which establish and direct the City’s operations. The City Manager is responsible for carrying out the policy directives of the Board of Commissioners and managing the day-to-day operations of the City. The policies contained herein shall be administered on behalf of the Board of Commissioners by the City Manager and the Finance and Human Resources Director.
- 1.1.2. The financial policies contained herein shall be adopted by resolution of the Board of Commissioners.

1.2. Amendments

- 1.2.1. As necessary, the City Manager and/or the Finance and Human Resources Director will present recommendations for any amendments, deletions, additions, improvements, or clarifications to these financial policies. For changes to these policies to be effective, the Board of Commissioners must take formal action to do so and adopt a resolution or ordinance, as applicable, in which the policy is amended.
- 1.2.2. With the formal resolution to adopt the policies contained herein, the following previous resolutions are hereby amended and/or superseded:
 - 1.2.2.1. Resolution 2016/12-103 – *A Resolution Adopting a Revised Debt Management Policy for the City of Lakeland*
 - 1.2.2.2. Resolution 2016/12-104 – *A Resolution Adopting a Fund Balance Policy for the City of Lakeland*
- 1.2.3. The following financial policies were approved by the Board of Commissioners via Ordinance, and are not amended or superseded by the resolution to adopt this document – amendment of these Ordinances, as and if so desired, shall require the approval of an ordinance by the Board of Commissioners, upon public notice and two readings:
 - 1.2.3.1. Ordinance 06-96 – *An Ordinance of the City of Lakeland Providing Standards for Ethics and the Procedure for Handling Complaints of Alleged Violations*
 - 1.2.3.2. Ordinance 08-124 – *An Ordinance of the City of Lakeland Amending Section 5-101 of the Lakeland City Code to Provide for Official Depositories for City Accounts*
 - 1.2.3.3. Ordinance 08-128 – *An Ordinance Amending Ordinance 07-105 Pertaining to Sanitary Sewer User Rates, Sanitary Sewer Recapture Fees, Stormwater User Fees, and Sanitation Fees* (Remaining un-amended section of Ordinance related to Stormwater User Fees)

- 1.2.3.6. Ordinance 17-249 – *An Ordinance Establishing Sewer User Rates and Sewer Charge Adjustments*
- 1.2.4. Should the Board of Commissioners approve 1) a resolution or resolutions changing the financial policies contained herein or 2) an ordinance or ordinances changing information in the above section 1.2.3., the City Manager and Finance and Human Resources Director will update this Financial Policies Manual with the approved changes.

1.3. Ethics (Ordinance 06-96)

- 1.3.1. Applicability
 - 1.3.1.1. This chapter is the code of ethics for personnel of the municipality (the City of Lakeland). It applies to all full-time and part-time elected or appointed officials and employees, whether compensated or not, including those of any separate board, commission, committee, authority, corporation, or other instrumentality appointed or created by the municipality. The words “municipal” and “municipality” include these separate entities.
- 1.3.2. Definition of “personal interest”
 - 1.3.2.1. For purposes of 1.3.3. and 1.3.4., “personal interest” means:
 - 1.3.2.1.1. Any financial, ownership, or employment interest in the subject of a vote by a municipal board not otherwise regulated by state statutes on conflicts of interests; or
 - 1.3.2.1.2. Any financial, ownership, or employment interest in a matter to be regulated or supervised; or
 - 1.3.2.1.3. Any such financial, ownership, or employment interest of the official’s or employee’s spouse, parent(s), stepparent(s), grandparent(s), sibling(s), child(ren), or stepchild(ren).
 - 1.3.2.2. The words “employment interest” include a situation in which an official or employee or a designated family member is negotiating possible employment with a person or organization that is the subject of the vote or that is to be regulated or supervised.
 - 1.3.2.3. In any situation in which a personal interest is also a conflict of interest under state law, the provisions of the state law take precedence over the provisions of this chapter.

- 1.3.3. Disclosure of personal interest by official with vote
 - 1.3.3.1. An official with the responsibility to vote on a measure shall disclose during the meeting at which the vote takes place, before the vote and so it appears in the minutes, any personal interest that affects or that would lead a reasonable person to infer that it affects the official's vote on the measure. In addition, the official may recuse himself or herself from voting on the measure.
- 1.3.4. Disclosure of personal interest in nonvoting matters
 - 1.3.4.1. An official or employee who must exercise discretion relative to any matter, other than casting a vote, and who has a personal interest in the matter that affects or that would lead a reasonable person to infer that it affects the exercise of the discretion must disclose, when possible, the interest on a form provided by and filed with the recorder.
- 1.3.5. Acceptance of gratuities, etc.
 - 1.3.5.1. An official or employee may not accept, directly or indirectly, any money, gift, gratuity, or other consideration or favor of any kind from anyone other than the municipality:
 - 1.3.5.1.1. for the performance of an act, or refraining from performance of an act, that he/she would be expected to perform, or refrain from performing, in the regular course of his/her duties; or
 - 1.3.5.1.2. that might reasonably be interpreted as an attempt to influence his/her action, or reward him/her for past action, in executing municipal business.
- 1.3.6. Use of information
 - 1.3.6.1. Any official or employee may not disclose any information obtained in his/her official capacity or position of employment that is made confidential under state or federal law except as authorized by law.
 - 1.3.6.2. An official or employee may not use or disclose information obtained in his/her official capacity or position of employment with the intent to result in financial gain for himself/herself or any other person or entity.
- 1.3.7. Use of municipal time, facilities, etc.
 - 1.3.7.1. An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to himself/herself.
 - 1.3.7.2. An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to any private person or entity, except as authorized by legitimate contract or lease that is determined by the governing body to be in the best interests of the municipality.
- 1.3.8. Use of position or authority
 - 1.3.8.1. An official or employee may not make or attempt to make private purchases, for cash or otherwise, in the name of the municipality.

APPENDIX (CONTINUED)

Financial Policies (Continued)

1.3.8.2. An official or employee may not use or attempt to use his/her position to secure any privilege or exemption for himself/herself or others that is not authorized by the charter, general law, or ordinance or policy of the municipality.

1.3.9. Outside employment

1.3.9.1. An official or employee may not accept or continue any outside employment if the work unreasonably inhibits the performance of any affirmative duty of the municipal position or conflicts with any provision of the municipality's charter or any ordinance or policy.

1.3.10. Ethics complaints

1.3.10.1. The City Attorney is designated as the ethics officer of the municipality. Upon the written request of an official or employee potentially affected by a provision of this chapter, the City Attorney may render an oral or written advisory ethics opinion based upon this chapter and other applicable law.

1.3.10.2. Except as otherwise provided in this subsection, the City Attorney shall investigate any credible complaint against an appointed official or employee charging any violation of this chapter, or may undertake an investigation on his/her own initiative when he/she acquires information indicating a possible violation and make recommendations for action to end or seek retribution for any activity that, in the attorney's judgment, constitutes a violation of this code of ethics.

1.3.10.3. The City Attorney may request that the governing body hire another attorney, individual, or entity to act as ethics officer when he/she has or will have a conflict of interests in a particular matter.

1.3.10.4. When a complaint of a violation of any provision of this chapter is lodged against a member of the municipality's governing body, the governing body shall either determine that the complaint has merit, determine that the complaint does not have merit, or determine that the complaint has sufficient merit to warrant further investigation. If the governing body determines that a complaint warrants further investigation, it shall authorize an investigation by the City Attorney or another individual or entity chosen by the governing body.

1.3.10.5. The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this code of ethics.

1.3.10.6. When a violation of this code of ethics also constitutes a violation of personnel policy, rule, or regulation or a civil service policy, rule, or regulation, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this code of ethics.

1.3.11. Violations

- 1.3.11.1. An elected official or appointed member of a separate municipal board, commission, committee, authority, corporation, or other instrumentality who violates any provision of this chapter is subject to punishment as provided by the municipality's charter or other applicable law and in addition is subject to censure by the governing body. An appointed official or an employee who violates any provision of this chapter is subject to disciplinary action.

1.4. Internal Controls and Risk Management

1.4.1. Applicability

- 1.4.1.1. The internal controls and risk management policies contained in this chapter are designed to undergird all of the City's financial policies, and apply to all City elected or appointed officials, full- or part-time employees, departments, and funds.

1.4.2. Policy

- 1.4.2.1. The City shall maintain a system of internal control to safeguard its assets against loss, check the accuracy and reliability of its accounting data, promote operational efficiency, and encourage adherence to prescribed managerial policies.
- 1.4.2.2. The Finance and Human Resources Director shall maintain the City's Internal Control Manual and provide annual updates for approval by resolution of the Board of Commissioners. The Internal Control Manual shall:
 - 1.4.2.2.1. Address the objectives of internal controls, including:
 - 1.4.2.2.1.1. reporting – reliability;
 - 1.4.2.2.1.2. operations – effective and efficient; and
 - 1.4.2.2.1.3. compliance – compliant with applicable laws, regulations, contracts, and grant agreements.
 - 1.4.2.2.2. Address the components of internal controls, including:
 - 1.4.2.2.2.1. the control environment;
 - 1.4.2.2.2.2. risk assessment;
 - 1.4.2.2.2.3. control activities;
 - 1.4.2.2.2.4. information and communications; and
 - 1.4.2.2.2.5. monitoring.
- 1.4.2.3. Written procedures
 - 1.4.2.3.1. Written procedures will be maintained by the Finance and Human Resources Director for all functions involving the handling of cash and securities. These procedures shall be in compliance with the Internal Control Manual.

APPENDIX (CONTINUED)

Financial Policies (Continued)

1.4.3. Finance department responsibilities

1.4.3.1. The Finance Department shall issue internal control procedures, updated annually, and based upon best practices in internal controls and/or based upon deficiencies that have been identified by City staff or the independent auditors. Finance shall ensure that a good faith effort is made to implement all independent auditor recommendations pertaining to internal control. The Finance Department will administer an “in-house audit” program to regularly and systematically review and monitor internal control procedures and compliance with City charter and state and federal regulations regarding internal controls or financial reporting.

1.4.4. City Manager responsibilities

1.4.4.1. The City Manager is responsible to ensure that internal control procedures developed by the Finance Department and approved by the Board of Commissioners are followed throughout each department of the City.

2. **Financial Planning**

2.1. Annual Budget

2.1.1. Applicability

2.1.1.1. This chapter is the City’s Annual Budget policy. The City’s budget policy is driven by the City’s charter, from which most of the policy elements were derived.

2.1.1.2. Budget commissioner and fiscal year

2.1.1.2.1. The City Manager shall be budget commissioner.

2.1.1.2.2. The fiscal year of the city shall begin on July 1, unless otherwise provided by ordinance.

2.1.2. Budget process

2.1.2.1. The City Manager shall, on or before May 15 of each year, submit to the Board of Commissioners an estimate of the expenditures and revenue of the City for the ensuing fiscal year. This estimate shall be compiled from detailed information obtained from the several departments.

2.1.2.1.1. The City Manager shall provide an annual budget calendar, to be approved by resolution of the Board of Commissioners, that outlines the necessary steps to prepare the annual budget in accordance with 2.1.2.1. above.

2.1.2.1.2. In addition to revenues and expenditures, the City Manager shall cause to be provided an estimate of other financing sources, other financing uses, and any planned use of fund balance to arrive at a balanced budget for the ensuing fiscal year.

2.1.3. Appropriation ordinance and amendments

2.1.3.1. Upon receipt of the estimate provided for in 2.1.2.1. above, the Board of Commissioners shall prepare a tentative appropriation ordinance.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.1.3.2. The appropriation ordinance for each fiscal year shall be finally adopted before the first day of the fiscal year.
- 2.1.3.3. Amendments may be made to the original appropriations ordinance at any time during a current fiscal year; provided, however, that, except for emergency expenditures, increased appropriations may be made only after the City Manager has certified in writing that sufficient unappropriated revenue will be available.
 - 2.1.3.3.1. The City Manager may make line-item-detail appropriation transfers within each fund, which shall be reported to the Board of Commissioners at their subsequent regularly scheduled meeting.
- 2.1.4. Reversion of appropriations to general fund
 - 2.1.4.1. At the end of each year, all unencumbered balances or appropriations in the treasury shall revert to the general fund and be subject to further appropriations.
- 2.1.5. Annual operating budget – publication – budgetary comparison
 - 2.1.5.1. The governing body shall publish the annual operating budget and budgetary comparisons of the proposed budget with the prior year's actual figures and the current year's estimated figures, which information shall include the following:
 - 2.1.5.1.1. Revenues and expenditures for the following governmental funds: general, streets/public works, general purpose school, and debt service;
 - 2.1.5.1.2. Revenues for each fund shall be listed separately by local taxes, State of Tennessee, federal government, and other sources;
 - 2.1.5.1.3. Expenditures for each fund shall be listed separately by salaries and other costs;
 - 2.1.5.1.4. Beginning and ending fund balances shall be shown for each fund; and
 - 2.1.5.1.5. The number of full-time equivalent employee positions shall be shown for each fund.
 - 2.1.5.2. The publication shall be in a newspaper of general circulation and shall be published not less than ten (10) days prior to the meeting where the governing body will consider final passage of the budget.

2.2. Long-Term Financial Planning

- 2.2.1. Applicability
 - 2.2.1.1. This chapter is applicable to all funds with a minimum fund balance requirement set by official action of the Board of Commissioners (see chapter 2.7. Fund Balances).

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.2.2. Purpose

- 2.2.2.1. The purpose of this policy is to ensure the City's ongoing financial sustainability beyond a single fiscal year budget cycle (see City Charter and chapter 2.1. Annual Budget). Financial sustainability is defined as the City's long-term financial performance and positioning where planned long-term service and infrastructure levels and standards are met without unplanned increases in rates or disruptive cuts to City services.

2.2.3. Definitions and acronyms

- 2.2.3.1. Business Plan – an operational plan that describes how a given department will accomplish its mission.
- 2.2.3.2. Capital Improvement Plan ("CIP") – a plan that describes the capital projects and associated funding sources the City intends to undertake in the ensuing fiscal year, plus four additional fiscal years, including the acquisition or construction of capital facilities and assets, and the maintenance thereof.
- 2.2.3.3. Long-Term Financial Plan ("LTFP") – an investment plan or strategy with a term of usually longer than one year.
- 2.2.3.4. Program – a set of activities, operations, or organizational units designed and directed to accomplish a specific service objective for a defined set of constituents.

2.2.4. Policy

- 2.2.4.1. The LTFP process evaluates known internal and external issues impacting the City's financial condition. Such issues are identified, presented, and mitigated when and where possible. The process begins by identifying critical areas which have, or are expected to have, an impact on the financial condition of the City over the next five years. Once the issues are identified, specific goals and objectives are developed for each matter. The LTFP is a constantly changing and moving document which will be routinely updated and presented on an ongoing five-year rolling basis. The LTFP will be incorporated into the City's annual operating budget (see chapter 2.1. Annual Budget) and presented to the Board of Commissioners through the formulation of the Annual Budget. The LTFP is intended to help the City achieve the following:
 - 2.2.4.1.1. ensure the City can attain and maintain financial sustainability;
 - 2.2.4.1.2. ensure the City has sufficient long-term information to guide financial decisions;
 - 2.2.4.1.3. ensure the City has sufficient resources to provide Programs and services to stakeholders;
 - 2.2.4.1.4. ensure potential risks to ongoing operations are identified in the LTFP process and communicated on a regular basis;
 - 2.2.4.1.5. establish mechanisms to identify early warning indicators, and

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.2.4.1.6. identify changes in expenditure or revenue structures needed to deliver services or to meet the goals adopted by the Board of Commissioners.
- 2.2.4.2. Scope of the Plan
 - 2.2.4.2.1. Timeline – the LTFP will forecast revenues, other financing sources, expenditures, other financing uses, use of fund balance, and ending fund balances at least five years into the future or longer where specific issues call for a longer timeline.
 - 2.2.4.2.2. Analysis – the LTFP will provide meaningful analysis of key trends and conditions, including but not limited to:
 - 2.2.4.2.2.1. Analysis of the affordability of current services, projects, and obligations:
 - 2.2.4.2.2.1.1. An analysis of the City's environment in order to anticipate changes that could impact the City's service and/or financial objectives.
 - 2.2.4.2.2.1.2. Revenue, other financing source, expenditure, and other financing use projections, including the financial sustainability of current service levels over a multi-year period.
 - 2.2.4.2.2.1.3. The affordability of current debt relative to affordability ratios prescribed by City or State of Tennessee law.
 - 2.2.4.2.2.1.4. The affordability of maintaining and replacing the City's current capital assets.
 - 2.2.4.2.2.1.5. The ability to maintain compliance with the Fund Balance policy (chapter 2.7.) within target ranges over a multi-year period.
 - 2.2.4.2.2.1.6. The impact of non-current liabilities on the City's financial position.
 - 2.2.4.2.2.2. Analysis of the affordability of anticipated service expansions or investments in new assets:
 - 2.2.4.2.2.2.1. The operating costs of any new initiatives, projects, or expansion of services where funding has been identified through alternative sources (CIP, grants, debt issuance, etc.) or adopted or approved by the Board of Commissioners through other actions. Service delivery of administrative services and functions shall be included to the extent needed proportionately with the expansion of other services.
 - 2.2.4.2.2.2.2. The affordability of the City's long-term CIP, including operating and maintenance costs for new assets.
 - 2.2.4.2.2.2.3. The affordability of other master plans that call for significant financial investment by the City.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.2.4.2.2.3. Synthesis of the above to present the City's financial condition:
 - 2.2.4.2.2.3.1. A clear presentation of the resources needed to accomplish the capital improvements identified in the City's CIP and to maintain the existing capital assets.
 - 2.2.4.2.2.3.2. A clear presentation of the resources needed to maintain existing services at their present level in addition to the expansion of services as may have been identified through the analysis described above.
 - 2.2.4.2.2.3.3. Identification of imbalances between the City's current direction and the conditions needed for continued financial health.
- 2.2.4.2.3. Solution-Driven – the LTFP will identify issues that may challenge the City's continued financial health, and the plan will identify possible solutions. Planning decisions shall be made primarily from a long-term perspective and structural balance is the goal of the planning process. For the purpose of this policy, structural balance means that ending fund balance must meet the minimum levels prescribed in chapter 2.7. Fund Balances.
- 2.2.4.3. Continuous improvement
 - 2.2.4.3.1. City staff will regularly look for and implement opportunities to improve the quality of the forecasting, analysis, and strategy development that comprises the LTFP. These improvements will primarily be identified through the comparisons of projected performance with actual results.
- 2.2.4.4. Structural balance
 - 2.2.4.4.1. Long-term structural balance is the goal of long-term financial planning. Should the long-term forecasting and analysis show that the City is not structurally balanced over the five-year projection period, the City Manager will make recommendations for the Board of Commissioners' approval on how the plan can be brought into balance.
- 2.2.4.5. Non-current liabilities
 - 2.2.4.5.1. The LTFP will address strategies for ensuring that the City's long-term liabilities remain affordable.
- 2.2.5. Quality control and assurance
 - 2.2.5.1. It is the responsibility of the City Manager and Finance and Human Resources Director to develop procedures providing sufficient guidance to affected City personnel to fulfill the intent of this policy.

Financial Policies (Continued)

2.3. Cash Management and Investments

2.3.1. Applicability

- 2.3.1.1. This chapter outlines the City's cash management and investment policy in compliance with the requirements of Tennessee Code Annotated ("T.C.A.") § 6-56-106. The City has a responsibility to be a good steward of public resources, and this policy will ensure a reasonably safe and productive investment environment for City resources. The responsibility of oversight of the policy resides with the Board of Commissioners, while the daily operation of the policy, including authority for investing or reinvesting assets, is the responsibility of the City Manager and the Finance and Human Resources Director.
- 2.3.1.2. This policy shall be operated in conformity with all applicable governing legislation and other legal requirements. In instances where T.C.A. and/or federal requirements are more restrictive than City policy requirements, the more restrictive requirements will be followed.
- 2.3.1.3. Investment policies of the Lakeland School System ("LSS") and associated funds shall be set by the Lakeland Board of Education, in compliance with other applicable federal and/or State of Tennessee requirements as set forth above.

2.3.2. Scope

- 2.3.2.1. This policy applies to the investment of all City cash and cash equivalents, including certificates of deposit and other investments allowed for under this policy. This policy does not apply to investment of employee retirement funds nor to investment of LSS funds.
- 2.3.2.2. This policy applies to investments within both governmental and proprietary funds of the City, and to governmental and business-type activities.
 - 2.3.2.2.1. Pooling of funds
 - 2.3.2.2.1.1. Except for cash in certain restricted and special funds, the City will consolidate cash and reserve balances from all funds to maximize investment earnings and to increase efficiencies regarding investment pricing, safekeeping, and administration.
 - 2.3.2.2.1.2. Investment income will be allocated to the various funds based on their respective participation and in accordance with accounting principles generally accepted in the United States ("GAAP").
 - 2.3.2.2.1.3. Exclusions: Un-spent proceeds from general obligation municipal bonds or other externally restricted sources of cash and cash equivalents shall not be pooled but maintained in separate depository accounts (see Authorized Financial Institutions and Depositories).

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.3.3. General objectives

2.3.3.1. The primary objectives of investment activities shall be safety, liquidity, and return.

2.3.3.2. Safety –

2.3.3.2.1. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest-rate risk.

2.3.3.2.1.1. Credit risk

2.3.3.2.1.1.1. The City will minimize credit risk, which is the risk of loss of all or part of the investment due to the failure of the security issuer or backer, by:

2.3.3.2.1.1.1.1. limiting investments to the types of securities listed in Suitable and Authorized Investments in this Policy;

2.3.3.2.1.1.1.2. pre-qualifying and conducting ongoing due diligence of the financial institutions and advisers (as applicable) with which the City will do business in accordance with Authorized Financial Institutions and Depositories; and

2.3.3.2.1.1.1.3. diversifying the investment portfolio so that the impact of potential losses from any one type of security or from any one individual issuer and/or financial institutions will be minimized.

2.3.3.2.1.2. Interest-rate risk

2.3.3.2.1.2.1. The City will minimize interest-rate risk, which is the risk that the market value of securities in the portfolio will fall due to changes in market interest rates, by:

2.3.3.2.1.2.1.1. structuring the investment portfolio so that security maturities match cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity; and

2.3.3.2.1.2.1.2. investing operating funds primarily in shorter-term securities or similar investment pools and limiting individual security maturity as well as the average maturity of the portfolio in accordance with the Investment Diversification and Constraints section of this policy.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.3.3.3. Liquidity

2.3.3.3.1. The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands. As all possible cash demands cannot be anticipated, the portfolio shall also consist largely of funds maintained in active checking accounts or local government investment pools offering same-day liquidity for short-term funds.

2.3.3.4. Return

2.3.3.4.1. The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs.

2.3.3.4.2. Return on investment is of secondary importance compared to the safety and liquidity objectives described above. The core investments are limited to relatively low-risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall generally be held until maturity with the following exceptions:

2.3.3.4.2.1. A security with declining credit may be sold early to minimize loss of principal (if applicable).

2.3.3.4.2.2. Selling a security and reinvesting the proceeds that would improve the quality, yield, or target duration in the portfolio may be undertaken.

2.3.3.4.2.3. Unanticipated liquidity needs of the portfolio require that the security be sold.

2.3.4. Standards of care

2.3.4.1. Prudence - the standard of prudence to be used by investment officials shall be the "uniform prudent investor act" standard and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and this policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.3.4.2. Ethics and conflicts of interest - officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material interests in financial institutions with which they conduct business, in accordance with applicable laws. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees and officers shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of the City.
- 2.3.4.3. Delegation of authority - authority to manage the investment program in accordance with this policy is granted to the City Manager and Finance and Human Resources Director, hereinafter referred to as “investment officers.” Responsibility for the operation of the investment program is hereby delegated to the investment officers, who shall act in accordance with established written procedures and internal controls for the operation of the investment program consistent with this policy. At a minimum, procedures shall include references to the following: safekeeping, delivery vs. payment, investment accounting, repurchase agreements, wire transfer agreements, and collateral/depository agreements. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the investment officers. The investment officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials.
- 2.3.5. Authorized financial institutions and depositories
 - 2.3.5.1. Authorized financial institutions and depositories, whether utilized for investment or business checking services, are those that are 1) Tennessee Bank Collateral Pool participants (thereby ensuring funds are adequately collateralized in accordance with T.C.A. requirements) or 2) the State of Tennessee Local Government Investment Pool (“LGIP”).
 - 2.3.5.2. Currently authorized financial institutions utilized by the City are as listed in Ordinance 08-124:
 - 2.3.5.2.1. Trustmark National Bank;
 - 2.3.5.2.2. Regions Bank;
 - 2.3.5.2.3. First Citizens National Bank;
 - 2.3.5.2.4. SunTrust Bank;
 - 2.3.5.2.5. Bank of Bartlett; and
 - 2.3.5.2.6. First Tennessee Bank.
 - 2.3.5.3. The investment officers shall annually verify that City depositories remain participants in the Bank Collateral Pool via the Tennessee Department of Treasury website.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.3.6. Safekeeping and custody

2.3.6.1. Delivery vs. payment - if authorized by further ordinance, all trades of marketable securities will be executed by delivery vs. payment ("DVP") to ensure that securities are deposited in an eligible custody account prior to the release of funds.

2.3.6.2. Safekeeping - if authorized by further ordinance, securities will be held by an independent third-party custodian selected by the City as with all securities held in the City's name. The safekeeping institution shall annually provide a copy of their most recent report on internal controls (Statement of Auditing Standards No. 70, or SAS 70).

2.3.6.3. Internal controls - the investment officers shall establish a system of internal controls, which shall be documented in writing (see chapter 1.4. Internal Controls and Risk Management). The internal controls shall be reviewed annually by the Board of Commissioners and with the independent auditor. The controls shall be designed to prevent the loss of public funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by employees and officers of the City.

2.3.7. Suitable and authorized investments

2.3.7.1. While T.C.A. § 6-56-106 allows for the investment of City funds in several types of investments, for the purposes of this policy investment of City funds is only authorized in demand deposit accounts, including checking accounts and non-negotiable certificates of deposit. Funds held shall be segregated and identified by external restrictions, where applicable.

2.3.7.2. Full collateralization will be required on all demand deposit accounts, including checking accounts and non-negotiable certificates of deposit. Such collateralization is accomplished via the selection of institutions included in 2.3.5.2. above.

2.3.7.3. Repurchase agreements are not authorized.

2.3.8. Investment diversification and constraints

2.3.8.1. To eliminate risk of loss resulting from the overconcentration of assets in a specific maturity, issuer, or class of securities, all cash and cash equivalents in all City funds shall be diversified by investment with the financial institutions listed in 2.3.5.2. above.

2.3.9. Reporting

2.3.9.1. Investment earnings and performance shall be reported monthly to the Board of Commissioners as a component of the Treasurer's Report.

Financial Policies (Continued)

2.4. Capital Projects

2.4.1. Applicability

2.4.1.1. This chapter contains a number of important policy considerations that are the basis for the Capital Improvements Plan (“CIP”). These policies provide guidelines for all financial aspects of the CIP and ultimately affect the project selection process.

2.4.2. Relationship of LTFP to the CIP

2.4.2.1. Virtually all of the projects included in the CIP are based upon formal long-range plans that have been adopted by the Board of Commissioners. This ensures that the CIP, which is the embodiment of the recommendations of these individual planning studies, is responsive to the officially stated direction of the Board of Commissioners as contained in the LTFP and supporting documents.

2.4.3. Establishing CIP priorities

2.4.3.1. The City uses the following basic CIP project prioritization and selection process:

2.4.3.1.1. Each CIP program area establishes criteria to be used in the prioritization of specific projects submitted for funding. These specific criteria are developed in conjunction with Board of Commissioners priorities and input from citizens and associated City boards and commissions (if applicable).

2.4.3.1.2. The Finance Department determines revenue projections available to the non-utility CIP in consultation with various revenue-generating departments and the amount of resources available for new projects.

2.4.3.1.3. The City Manager evaluates the various CIP projects and, in consultation with the City Engineer, selects those with highest priority.

2.4.3.1.4. Within the available funding, the highest priority projects are then selected and funded in the CIP.

2.4.3.1.5. The City Engineer recommends an expenditure plan to the City Manager and Finance and Human Resources Director, which includes all capital costs and any applicable maintenance and operations (“M&O”) and/or required short-term financing costs. The City Engineer is responsible for the cost estimates, including future M&O costs related to the implementation of completed projects.

2.4.3.1.6. A preliminary CIP is recommended to the Board of Commissioners by the City Manager and Finance and Human Resources Director along with the Annual Budget.

2.4.3.1.7. The Board of Commissioners review the LTFP, the CIP, and the Annual Budget prior to adopting the Annual Budget and establishing related appropriations as a part of the City’s annual operating budget process.

Financial Policies (Continued)

2.4.4. Types of projects included in the CIP

2.4.4.1. The CIP will display, to the maximum extent possible, all major capital projects in which the City is involved. While the following criteria may be used as a general guide to distinguish which projects should be included or excluded from the CIP, there are always exceptions which require management's judgment.

2.4.4.2. For purposes of the City's CIP, a CIP project is generally defined to be any project that possesses all of the following characteristics:

2.4.4.2.1. exceeds an estimated cost of \$100,000;

2.4.4.2.2. involves totally new physical construction, reconstruction designed to gradually and systematically replace an existing system, replacement of a major component of an existing facility or computer system, or acquisition of land or structures; and

2.4.4.2.3. involves City funding in whole or in part or involves no City funds but is the City's responsibility for implementing (such as a 100%-grant-funded project).

2.4.5. Scoping and costing based on predesign study

2.4.5.1. Some projects are initially proposed and funded only for preliminary engineering and planning work. This funding will not provide any monies to develop final plans, specifications, and estimates to purchase rights-of-way or to construct the projects. However, generally an estimated amount sufficient to cover these costs based on a rough preliminary estimate is earmarked within the program area.

2.4.6. Required project features and financial responsibility

2.4.6.1. If a proposed CIP project will cause a direct impact on other publicly owned facilities, an equitable shared and funded cost plan must be coordinated between the affected program areas.

2.4.7. Predictability of project timing, cost, and scope

2.4.7.1. The predictability of timing and costs of projects is important to specific private developments, such as the provision of street improvements or the extension of major sewer lines or water supply, without which development could not occur. These projects generally involve significant financial contributions from such private development through impact fees, developer extension agreements, developer contributions, and other means. Once a project has been approved by the Board of Commissioners in the CIP, project scheduling is a priority to maintain.

2.4.8. CIP non-utility maintenance and operating ("M&O") costs

2.4.8.1. Non-utility CIP project M&O costs identified in the project description, as approved by the Board of Commissioners, shall have a funding plan. Preferably, operating budget tax sources will not be provided for this purpose. More suitable sources of funding include project-generated revenues, user fees, or other new taxes.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.4.9. Preference for existing capital infrastructure

2.4.9.1. It is the City's policy to ensure that adequate resources are allocated to preserve the City's existing infrastructure before targeting resources to build new facilities that also have operating and maintenance obligations. This policy addresses the need to protect the City's historical investment in capital facilities and to avoid embarking on a facility enhancement program, which when coupled with the existing facilities requirements, the City cannot afford to adequately maintain.

2.4.10. New facilities should be of high quality, low maintenance, least cost

2.4.10.1. This policy has guided the development and execution of the CIP through an emphasis on lowest life-cycle cost. Projects should only be built if the necessary funding to operate them is provided. Also, priority is given to new facilities that have minimal ongoing maintenance costs so as to limit the impact upon both the CIP and the operating budget.

2.4.11. Public input for capital projects

2.4.11.1. The City makes a serious commitment to public involvement. All of the City's long-range plans have been developed through an extensive citizen involvement program. Citizen involvement occurs at the long-range plan development stage, during CIP review and adoption, during master planning processes, during design and construction of specific projects, and through public processes associated with City boards and commissions. Public hearings are held during the CIP development and approval process to allow the public to comment on the recommended projects. The projects themselves call for an extensive public outreach effort, allowing those most closely effected to influence the design of the projects. While public input is essential to the successful implementation of the CIP, staff and the Board of Commissioners must also remain conscious of the overall effect upon costs when responding to requests of project neighbors.

2.4.12. Basis for project appropriations

2.4.12.1. During the Board of Commissioners' annual CIP review and Annual Budget process, the Board of Commissioners will appropriate the estimated project costs for projects in the CIP to be implemented in the ensuing fiscal year. Subsequent amendments to appropriation levels for changes to the CIP may be approved by the Board of Commissioners – see section 2.1.3. above.

2.4.13. Balanced CIP

2.4.13.1. The CIP is a balanced five-year plan. This means that for the entire five-year period, revenues will be equal to project expenditures in the Plan. It is anticipated that the plan will have more expenditures than revenues in single years of the Plan, but this imbalance will be corrected through the use of interim financing as needed. Any additional financing needed for CIP implementation will be approved by the Board of Commissioners.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.4.14. Use of debt in the CIP

2.4.14.1. The CIP is viewed as a long-term program that will continually address capital requirements far into the future. The use of debt to fund the CIP shall be limited, and in accordance with chapter 2.5. Debt Management.

2.4.15. CIP plan update and amendment

2.4.15.1. The CIP will be updated at least annually as a part of the City's annual budget process. The Board of Commissioners may amend the CIP at any time if a decision must be made and action must be taken before the next CIP review period. The Board of Commissioners has delegated authority to the City Manager to administratively approve CIP adjustments if their impact is within the current fiscal year, and within the same fund (see policy on budget transfers). All project additions or deletions must be approved by the Board of Commissioners.

2.4.16. Formalization of monetary agreements

2.4.16.1. All agreements between the City and outside jurisdictions shall be in writing specifying the financial terms of the agreement, the length of the agreement, and the timing of any required payments. These agreements shall be reviewed by the City Attorney. Formalization of these agreements will protect the City's interests. Program areas shall make every effort to promptly request any reimbursements that are due the City. Where revenues from outside jurisdictions are ongoing, these requests shall be made at least quarterly, unless alternative arrangements are approved by the City Manager or Board of Commissioners.

2.4.17. Projected grant revenues

2.4.17.1. Grant-funded capital expenditures are budgeted prior to the specific grant award. City overhead or indirect costs for grant-funded programs will be included in all grant proposals, where permitted. With grant-funded capital acquisitions, the City will attempt to recover ongoing M&O costs, and replacement costs associated with the acquisition.

2.4.18. Applicable project charges

2.4.18.1. CIP projects should reflect all costs that can be clearly shown to be necessary and applicable. Staff charges to CIP projects will be limited to time spent actually working on those projects and shall include an overhead factor to cover the applicable portion of that person's operating cost.

Financial Policies (Continued)

2.5. Debt Management

2.5.1. Applicability and purpose

2.5.1.1. The purpose of this chapter is to establish a set of parameters by which debt obligations will be undertaken by the City. This policy reinforces the commitment of the City and its officials to manage the financial affairs of the City so as to minimize risks, avoid conflicts of interest, and ensure transparency while still meeting the City's capital needs. A debt management policy signals to the public and the rating agencies that the City is using a disciplined and defined approach to financing capital needs and fulfills the requirements of the State of Tennessee regarding the adoption of a debt management policy. This policy applies to all debt-related activities of the City without respect to the City fund in which the proceeds will be deposited, or from which debt service will be paid.

2.5.2. Goals and objectives

2.5.2.1. The goal of this policy is to assist decision makers in planning, issuing, and managing debt obligations by providing clear direction as to the steps, substance, and outcomes desired. In addition, greater long-term stability will be generated by the use of consistent guidelines in issuing debt. The City's objectives are to enhance internal financial management by:

- 2.5.2.1.1. achieving the lowest cost of capital;
- 2.5.2.1.2. ensuring high credit quality;
- 2.5.2.1.3. assuring access to capital markets;
- 2.5.2.1.4. preserving financial flexibility; and
- 2.5.2.1.5. managing various forms of risk exposure.

2.5.3. Debt and debt types

2.5.3.1. Definition of debt – all obligations of the City to repay, with or without interest, in installments and/or at a later date, some amount of money utilized for the purchase, construction, or operation of City resources. This includes but is not limited to notes, bond issuances, capital leases, and loans of any type (whether from an outside source such as a bank or from another internal fund). When the City determines that the use of debt is appropriate, the types of debt listed herein shall be utilized.

2.5.3.2. The Finance and Human Resources Director shall monitor and report the City's total outstanding debt obligation to the Board of Commissioners (maturities and terms and conditions of all obligations, to ensure compliance). The Finance and Human Resources Director shall also report to the Board of Commissioners any matter that adversely affects the credit or financial integrity of the City.

2.5.3.3. The City will seek to structure debt with level or declining debt service payments over the life of each individual bond issue or loan.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.5.3.4. As a rule, the City will not backload, use “wrap-around” techniques, balloon payments, or other exotic formats to pursue the financing of projects. When refunding opportunities, natural disasters, other non-general fund revenues, or other external factors occur, the City may utilize non-level debt methods. However, the use of such methods must be thoroughly discussed in a public meeting and the mayor and governing Board of Commissioners must determine such use is justified and in the best interest of the City.
- 2.5.3.5. Long-term debt
 - 2.5.3.5.1. The City may issue long-term debt at their discretion if the City presumes that capital improvements should not be financed from current revenues or short-term borrowing. Long-term debt shall not be used to finance current operations. Long-term debt may be used for capital purchases or construction identified through the CIP, regional development, transportation, or other master process or plan.
 - 2.5.3.5.2. In accordance with accounting principles generally accepted in the United States (“GAAP”) and state law, the maturity of the underlying debt will not be more than the useful life of the assets purchased or built with the debt, not to exceed 30 years; however, an exception may be made with respect to federally-sponsored loans, provided such an exception is consistent with law and accepted practices.
 - 2.5.3.5.3. All costs associated with the initial issuance or incurrent of debt, management, and repayment of debt (including interest, principal, and fees or charges) shall be disclosed prior to action by the Board of Commissioners in accordance with the notice requirements stated above.
 - 2.5.3.5.4. Costs related to the repayment of debt, including liabilities for future years, shall be provided in context of the annual budgets from which such payments will be funded (i.e. General Obligations bonds in context of the General Fund, revenue bonds in context of the dedicated revenue stream and related expenditures, loans, and notes).
 - 2.5.3.5.5. General obligation debt
 - 2.5.3.5.5.1. The City may issue general obligation debt secured by the full faith and credit of the City. The City may also use the general obligation pledge to support other debt issuances, if the additional support improves the economics and complies with this debt management policy.
 - 2.5.3.5.6. Revenue debt
 - 2.5.3.5.6.1. The City may issue revenue bonds secured by the revenues generated from the capital project being financed.
 - 2.5.3.5.7. Bond or note structure
 - 2.5.3.5.7.1. Serial bonds – the City may issue bonds that mature serially.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.5.3.5.7.2. Term bonds – the City may issue bonds that mature with mandatory sinking funds.
- 2.5.3.5.7.3. Duration – all debt will be financed for the shortest period of time between the useful life of the asset financed or thirty (30) years.
- 2.5.3.5.7.4. Capitalized interest – revenue bonds may require the use of capitalized interest to pay debt service until the project begins to generate revenue. Capitalized interest will be calculated from the issuance date to the shortest period of time between three (3) years or the time limit imposed by statute or the internal revenue service (“IRS”) code.
- 2.5.3.5.7.5. Debt structure – debt issuances shall be structured to achieve level debt service or level principal. The use of bullet or balloon maturities should be avoided except in instances where bullets or balloon maturities make existing overall debt service level or to match a specific revenue stream.
- 2.5.3.5.7.6. Call provisions – long-term debt issuances will include a minimum call feature that is ten (10) years from the date of delivery of such debt.
- 2.5.3.5.7.7. Original issuance discount/premium – debt with original issuance discount or premium will be permitted.
- 2.5.3.5.8. Capital leases
 - 2.5.3.5.8.1. The City may issue capital leases to finance projects that amortize in three (3) to seven (7) years.
- 2.5.3.6. Short-term debt
 - 2.5.3.6.1. Short-term borrowing may be issued in order to finance short-term funding for projects and temporary funding of operational cash flow deficits or anticipated revenues.
 - 2.5.3.6.2. Bond anticipation notes (“BANs”): The City may issue BANs during the construction period of a project or to provide short-term financing for a project. The BANs shall not mature more than six (6) years from the date of issuance. BANs shall mature within six (6) months after substantial completion of the financed project.
 - 2.5.3.6.3. Revenue anticipation notes (“RANs”)/tax anticipation notes (“TANs”): The City may issue RANs or TANs to meet cash flow needs as long as the issue fully conforms to federal IRS and state requirements and limitations.
 - 2.5.3.6.4. Intrafund and interfund loans: The City may also issue loans to fund operational deficiencies or to fund capital projects to be paid from the current fiscal year revenues. Loans will not extend beyond twelve (12) months and should only be issued in compliance with state statute.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.5.3.7. Other short-term debt

2.5.3.7.1. Short-term debt may be used for certain projects and equipment financing as well as for operational borrowing; however, the City will minimize the use of short-term cash flow borrowings by maintaining adequate working capital and close budget management. Short-term debt may be issued when it provides an interest rate advantage or as interim financing until market conditions improve. The City will only issue short-term debt when there is a defined repayment source or amortization of principal.

2.5.4. Issuance process

2.5.4.1. The City is currently rated by Moody's Investor Services ("Moody's"). Moody's has prescribed certain debt metrics to ensure municipalities remain able to service existing debt and afford additional debt, should it be necessary. The City will strive to maximize their rating and minimize their borrowing cost by being mindful of the following metrics when considering the option to issue debt:

2.5.4.1.1. Net Direct Debt / Full Value – 4.00% max allowable

2.5.4.1.2. Net Direct Debt / Operating Revenue – 7.00x max allowable

2.5.4.2. Legal requirements

2.5.4.2.1. BANs, capital outlay notes ("CONs"), grant anticipation notes, RANs, and TANs will be submitted to the State of Tennessee Comptroller's Office, as and if required by T.C.A., and the Board of Commissioners prior to issuance or entering into the obligation. A plan for refunding debt issues will also be submitted to the Comptroller's Office prior to issuance. Capital or equipment leases may be entered into by the Board of Commissioners; however, details on the lease agreement will be forwarded to the Comptroller's Office on the specified form within 45 days. Additionally, the City will adhere to laws and regulations as stipulated by the Controller's Office and submit any additional information that may be required, including but not limited to refunding plans, swap documents, and negotiated sales requests.

2.5.4.2.2. The City shall comply with legal requirements for notice and for public meetings related to debt issuances. All notices shall be posted in the customary and required posting locations, including local newspapers and websites. All costs (including principal, interest, issuance, continuing, or other), terms and life of each debt issue, and a debt service schedule outlining the rate of retirement for the principal amounts shall be clearly presented and disclosed to the citizens, the Board of Commissioners, and other stakeholders in a timely manner. The City will post the Official Statement, or an electronic link to the official statement, of bond or note issuances on the City's website to ensure transparency.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.5.4.2.3. Method of sale
 - 2.5.4.2.3.1. Competitive sale – long-term debt is awarded to the bidder providing the lowest true interest cost. Competitive sales will be the default method of sale for the City.
 - 2.5.4.2.3.2. Negotiated sale – long-term debt that meets certain criteria may be sold via negotiated sale. Examples of such criteria include:
 - 2.5.4.2.3.2.1. a structure which may require a strong pre-marketing effort (such as a complex transaction or a “story” bond);
 - 2.5.4.2.3.2.2. size of the issue;
 - 2.5.4.2.3.2.3. market volatility;
 - 2.5.4.2.3.2.4. variable rate demand obligations; or
 - 2.5.4.2.3.2.5. proprietary product of a single firm
 - 2.5.4.2.3.3. Private placement – debt purchased directly by a bank with limited marketing efforts will be allowable should it be in the City’s best interest.
- 2.5.5. Interest rates
 - 2.5.5.1. Variable-rate debt
 - 2.5.5.1.1. In order to maintain a predictable debt service burden, the City will give preference to fixed-rate debt but may consider variable-rate debt. The percentage of net variable-rate debt outstanding (excluding debt which has been converted to synthetic fixed-rate debt and debt matched to assets) will not exceed thirty (30) percent of the total outstanding debt. The following circumstance may result in the consideration of issuing variable-rate debt:
 - 2.5.5.1.1.1. Asset-liability matching
 - 2.5.5.1.1.2. Construction funding
 - 2.5.5.1.1.3. Current high interest rates
 - 2.5.5.1.1.4. Variable revenue stream
 - 2.5.5.1.1.5. Adequate safeguards against risk
 - 2.5.5.1.2. The City will annually include in its budget an interest-rate assumption for any outstanding variable-rate debt that takes market fluctuations affecting the rate of interest into consideration.
 - 2.5.5.1.3. Prior to entering into any variable-rate debt obligation that is backed by insurance and secured by a liquidity provider, the Board of Commissioners shall be informed of the potential effect on rates as well as any additional costs that might be incurred should the insurance fail.
 - 2.5.5.1.4. Additionally, prior to entering into any variable-rate debt obligation that is backed by a letter of credit provider, the Board of Commissioners shall be informed of the potential effect on rates as well as any additional costs that might be incurred should the letter of credit fail.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.5.5.1.5. Lastly, prior to entering into any variable-rate debt obligation, the Board of Commissioners will be informed of any terms, conditions, fees, or other costs associated with the prepayment of variable-rate debt obligations.
- 2.5.5.1.6. In cases of variable interest or non-specified costs, detailed explanation of the assumptions shall be provided along with the complete estimate of total costs anticipated to be incurred as part of the debt issue.
- 2.5.5.2. Use of synthetic debt
 - 2.5.5.2.1. The City chooses not to use derivative or other exotic financial structures in the management of the City's debt portfolio.
 - 2.5.5.2.2. Prior to any reversal of this provision, a written management report outlining the potential benefits and consequences of using these structures must be submitted to the Board of Commissioners; and the Board of Commissioners must adopt a specific amendment to this policy concerning the use of derivatives or interest-rate agreements that complies with the State Funding Board Guidelines.
- 2.5.6. Refinancing debt
 - 2.5.6.1. Refinancing criteria
 - 2.5.6.1.1. The City will refund debt when it is in the best financial interest of the City to do so. The Finance and Human Resources Director shall have the responsibility to analyze outstanding debt for refunding opportunities. The decision to refinance must be explicitly approved by the Board of Commissioners, and all plans for current or advance refunding of debt must be in compliance with state laws and regulations. Examples of reasons to refund debt include:
 - 2.5.6.1.1.1. restructuring to meet unanticipated revenue expectations;
 - 2.5.6.1.1.2. achieve cost savings;
 - 2.5.6.1.1.3. mitigate irregular debt service payments;
 - 2.5.6.1.1.4. release reserve funds; and/or
 - 2.5.6.1.1.5. remove unduly restrictive bond covenants.
 - 2.5.6.1.2. The City establishes a minimum present value savings threshold of three (3) percent of the refunded bond principal amount. The present value savings will be net of all costs related to the refinancing.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.5.6.2. Term of refunding issues

2.5.6.2.1. The City will refund bonds within the term of the originally issued debt. However, the Finance and Human Resources Director may consider maturity extension, when necessary to achieve a desired outcome, provided such extension is legally permissible. The Finance and Human Resources Director may also consider shortening the term of the originally issued debt to realize greater savings. The remaining useful life of the financed asset and the concept of inter-generational equity should guide this decision.

2.5.6.3. Escrow structuring

2.5.6.3.1. The City shall utilize the most optimal securities available in structuring refunding escrows. In the case of open market securities, a certificate will be provided by a third-party agent, who is not a broker-dealer, stating that the securities were procured through an arms-length, competitive bid process, that such securities were more cost effective than State and Local Government Obligations ("SLGS"), and that the price paid for the securities was reasonable within federal guidelines. Under no circumstances shall an underwriter, agent, or financial advisor sell escrow securities to the City from its own account.

2.5.6.4. Arbitrage

2.5.6.4.1. The City shall take all necessary steps to optimize escrows and to avoid negative arbitrage in its refunding. Any resulting positive arbitrage will be rebated as necessary according to federal guidelines. The City shall consult with persons familiar with the arbitrage rules to determine applicability, legal responsibility, and potential consequences associated with any refunding.

2.5.7. Professional services

2.5.7.1. The City shall require all professionals engaged in the process of issuing debt to clearly disclose all compensation and consideration received related to services provided in the debt issuance process by both the City and the lender or conduit issuer, if any. This includes "soft" costs or compensations in lieu of direct payments.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.5.7.2. Underwriter

2.5.7.2.1. The underwriter will clearly identify itself in writing (e.g., in a response to a request for proposals or in promotional materials provided to an issuer) as an underwriter and not as a financial advisor from the earliest stages of its relationship with the City with respect to that issue. The underwriter must clarify its primary role as purchaser of securities in an arms-length commercial transaction and that it has financial and other interests that differ from those of the City. The underwriter in a publicly offered, negotiated sale will be required to provide pricing information both as to interest rates and to takedown per maturity to the City (or its designated official) in advance of the pricing of the debt.

2.5.7.2.2. Underwriter selection (negotiated transaction)

2.5.7.2.2.1. The City will select the senior manager (and co-managers, if necessary) for a proposed negotiated sale. Examples of the selection criteria include:

2.5.7.2.2.1.1. the firm's ability and experience in managing complex transactions;

2.5.7.2.2.1.2. prior knowledge and experience with the City;

2.5.7.2.2.1.3. the firm's willingness to risk capital and demonstration of such risk;

2.5.7.2.2.1.4. quality and experience of personnel assigned to the City's engagement;

2.5.7.2.2.1.5. financing plan presented; and

2.5.7.2.2.1.6. underwriting fees.

2.5.7.2.3. Underwriter's discount

2.5.7.2.3.1. The City will evaluate the proposed underwriter's discount against comparable issues in the market. If there are multiple underwriters in the transaction, the City will determine the allocation of fees, if any, with respect to the management fee. The determination will be based upon participation in the structuring phase of the transaction.

2.5.7.2.3.2. All fees and allocation of the management fee will be determined prior to the sale date; a cap on management fee, expenses, and underwriter's counsel may be established by the City. The senior manager shall submit an itemized list of expenses charged to members of the underwriting group. Any additional expenses must be substantiated.

2.5.7.2.4. Evaluation of underwriter performance

2.5.7.2.4.1. The City will evaluate each bond sale after completion to assess:

2.5.7.2.4.1.1. costs of issuance including underwriters' compensation;

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 2.5.7.2.4.1.2. pricing of the bonds in terms of the overall interest cost and on a maturity-by-maturity basis; and
- 2.5.7.2.4.1.3. distribution of bonds and sales credits
- 2.5.7.3. Financial advisor
 - 2.5.7.3.1. The City may select a financial advisor (or advisors) to assist in its debt issuance and debt administration processes. The City will enter into a written agreement with each person or firm serving as financial advisor in debt management and transactions. The financial advisor shall not be permitted to bid on, privately place, or underwrite an issue for which the firm is providing advisory services. Selection of the financial advisor(s) will be based on, but not limited to, the following criteria:
 - 2.5.7.3.1.1. overall quality of the firm's proposal as an indicator of its probability for success;
 - 2.5.7.3.1.2. relevant financial advisor experience with municipal government issuers and the public sector;
 - 2.5.7.3.1.3. indication that the firm has a broadly-based background and is therefore capable of balancing the overall need for continuity and innovation in capital planning and debt financing;
 - 2.5.7.3.1.4. experience and demonstrated success as indicated by its listing of current major clients;
 - 2.5.7.3.1.5. the firm's professional reputation for integrity and compliance with state and federal law; and
 - 2.5.7.3.1.6. independence from municipal bond underwriting, trading, or other clients, activities, or events which could result in a conflict of interest.
 - 2.5.7.3.2. Whether in a competitive sale or negotiated sale, the financial advisor shall not be permitted to bid on, privately place, or underwrite an issue for which they are or have been providing advisory services for the issuance or broker any other debt transactions for the City.
- 2.5.7.4. Bond or disclosure counsel
 - 2.5.7.4.1. The City shall enter into an engagement letter agreement with each lawyer or law firm representing the City in a debt transaction. (No engagement letter is required for any lawyer who is an employee of the City or lawyer or law firm which is under a general appointment or contract to serve as counsel to the City. The City does not need an engagement letter with counsel not representing the City, such as underwriters' counsel.)

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.5.8. Monitoring and compliance

2.5.8.1. Continuing disclosure

2.5.8.1.1. The City will provide annual financial and economic information to the Electronic Municipal Market Access system (“EMMA”) website, which is the official source for municipal disclosures and market data designated by the Securities and Exchange Commission (“SEC”) and the State Information Depository (“SID”).

2.5.8.1.2. The City will also notify EMMA and SID of any of the following material events:

- 2.5.8.1.2.1. principal and interest payment delinquencies;
- 2.5.8.1.2.2. nonpayment-related defaults;
- 2.5.8.1.2.3. unscheduled draws on bond-related reserves;
- 2.5.8.1.2.4. unscheduled draws on credit enhancements;
- 2.5.8.1.2.5. substitution of credit or liquidity providers or the failure of performance on the part of a liquidity provider;
- 2.5.8.1.2.6. adverse tax opinions or events affecting the tax-exempt status of any bonds;
- 2.5.8.1.2.7. modifications to rights on bond holders;
- 2.5.8.1.2.8. bond calls;
- 2.5.8.1.2.9. defeasances;
- 2.5.8.1.2.10. matters affecting collateral;
- 2.5.8.1.2.11. rating changes; or
- 2.5.8.1.2.12. any additional enumerated events specified in Official Statements.

2.5.8.1.3. The City will also maintain a system of record keeping and reporting which complies with the arbitrage rebate compliance requirements of the federal tax code.

2.5.8.2. Conflicts of interest

2.5.8.2.1. Professionals involved in a debt transaction hired or compensated by the City shall be required to disclose to the City existing client and business relationships between and among the professionals to a transaction (including but not limited to financial advisor, swap advisor, bond counsel, swap counsel, trustee, paying agent, liquidity or credit enhancement provider, underwriter, counterparty, and remarketing agent), as well as conduit issuers, sponsoring organizations, and program administrators. This disclosure shall include that information reasonably sufficient to allow the City to appreciate the significance of the relationships.

Financial Policies (Continued)

2.5.8.2.2. Professionals who become involved in the debt transaction as a result of a bid submitted in a widely and publicly advertised competitive sale conducted using an industry standard, electronic bidding platform are not subject to this disclosure. No disclosure is required that would violate any rule or regulation of professional conduct.

2.5.8.3. Compliance

2.5.8.3.1. The Finance and Human Resources Director is responsible for ensuring compliance with this policy.

2.6. Working Capital (Enterprise Funds)

2.6.1. Applicability

2.6.1.1. This chapter applies to the City's proprietary enterprise fund, the Sewer Fund currently designated as fund number 412. Working capital is an important measure of liquidity in enterprise funds, which include both current and long-term assets and liabilities, as well as deferred outflows of resources and deferred inflows of resources. This policy sets that targets for minimum working capital to be maintained in the City's enterprise fund, both during the annual financial planning process as well as throughout the fiscal year.

2.6.2. Working capital defined

2.6.2.1. Working capital is defined as the enterprise fund's current assets less its current liabilities. Working capital for enterprise funds may provide a measure more comparable to governmental funds' fund balance than does the enterprise fund's net position, which is typically heavily weighted with a net investment in capital assets.

2.6.2.2. Any current assets that are restricted as to use or liquidity shall be excluded from the working capital calculation.

2.6.3. Policy

2.6.3.1. It is the City of Lakeland's policy to maintain working capital in the Sewer Fund equivalent to at least ninety (90) days' worth of annual operating expenses and debt service requirements. While this represents the minimum working capital for the Sewer Fund, it is management's and the Board of Commissioners' desire to maintain a higher level of working capital in most instances.

2.6.3.2. Working capital for the Sewer Fund shall be reported to the Board of Commissioners on a monthly basis by the Finance and Human Resources Director as a component of the Treasurer's Report.

2.6.3.3. Should the working capital in the Sewer Fund fall below the minimum working capital requirement, the City Manager and Finance and Human Resources Director shall present a plan to the Board of Commissioners, for their approval, to raise working capital above the minimum level.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.6.4. Compliance and reporting

- 2.6.4.1. The City Manager is responsible for ensuring that the minimum working capital level is maintained in the Sewer Fund. The Finance and Human Resources Director is responsible for calculating, monitoring, and reporting working capital to the City Manager and the Board of Commissioners.

2.7. Fund Balances

2.7.1. Overview and applicability

- 2.7.1.1. The City is committed to creating, maintaining, and improving a vibrant environment for the residents of the City. To ensure economic viability, the City has established a fund balance policy dedicated to maintaining a reasonable fund balance. An appropriate fund balance should be sufficient to mitigate current and future financial risks. Benefits of a healthy fund balance include reducing the need for urgent and significant tax increases, ensuring timely response to emergency situations or unanticipated events, decreasing the need for short-term financing solutions, exhibiting sound fiscal management by permitting the development of a responsible and responsive long-term financial plan, and, maintaining (or improving) the bond rating, minimizing the cost of financing long-term projects. This policy shall apply to the funds mentioned herein.

2.7.2. Definitions

- 2.7.2.1. A fund is described as a set of accounts, segregated for specific purposes in accordance with laws or regulations. A Fund Balance is the difference between the assets and the liabilities of a particular fund. Fund balance descriptions can be classified into several different categories:
 - 2.7.2.1.1. Nonspendable – balance is not able to be spent. This category is created by a legal opinion, or by the nature of underlying assets (such as prepaid expenditures and/or deposits).
 - 2.7.2.1.2. Restricted – balance can only be spent for specific purposes stipulated by constitution, external resource providers, or through enabling legislation.
 - 2.7.2.1.3. Committed – balance can be used only for the specific purposes determined by a formal action of the government's highest level of decision-making authority.
 - 2.7.2.1.4. Assigned – balance of the fund is intended to be used for specific purposes but are not considered restricted or committed.
 - 2.7.2.1.5. Unassigned – all other balances not previously categorized are included in this balance.

APPENDIX (CONTINUED)

Financial Policies (Continued)

2.7.3. Establishing a Policy

2.7.3.1. When establishing a policy, the City considered a number of factors including predictability of revenues and volatility of expenditures; exposure to significant one-time outlays (disasters, immediate capital needs, state budget cuts); potential availability of fund resources from other funds; potential impact on credit ratings; and commitments and assignments.

2.7.3.2. The City has determined that the unassigned General Fund Balance will remain at a level equal to 20-30 percent of General Fund Revenues, with a target of 25 percent, plus \$1,100,000 associated with cash flow purposes and exposure to variable rate debt.

2.7.3.3. During the budget process, an annual review of cash flow requirements and appropriate fund balances shall be undertaken to determine if modifications to the fund balance policy are necessary and appropriate. Any proposed amendments to this policy will be presented and voted on by the Commission as referenced herein.

2.7.4. Using Fund Balance

2.7.4.1. The City has decided to limit the use of fund balance to unanticipated expenditures (such as natural disasters or calamities, emergencies, or unexpected liabilities created by new state or federal legislation); specific and reasonable cash flow purposes; grant anticipation reimbursement; new public health and safety needs; service enhancements; early retirement of debt; and one-time capital expenditures that align with essential services. Fund balance should not be used as a long-term approach to balancing the budget or ongoing expenditures.

2.7.5. Replenishing the Fund Balance

2.7.5.1. If the Fund Balance is depleted below the level established by this policy, the City Manager, with consultation from the Finance Director, will develop a plan to replenish the Fund Balance. The plan will be approved by the Commission and should include recommendations for rate, fee or revenue adjustments and expenditure reductions, as necessary. The plan should also be reviewed and modified on an annual basis until the Fund Balance policy level is achieved. Any increase in discretionary expenditures should be limited until the Fund Balance is restored to the policy level.

3. Revenues

3.1. General Revenue Management

3.1.1. Applicability

3.1.1.1. The revenue policies in this chapter are designed to ensure that revenue planning and management is conducted in accordance with City charter and ordinances, as well as state and federal regulations.

Financial Policies (Continued)

3.1.2. General revenue policies

3.1.2.1. Diversified and stable base – the City will seek to maintain a diversified and stable revenue base to reduce the effects of short-term fluctuations in any one revenue source.

3.1.2.2. Current revenues for current users – the City will fund current expenditures with current revenues, avoiding procedures that balance current budgets by postponing needed expenditures, accruing future revenues, or rolling over short-term debt.

3.1.2.3. Interfund transfers and loans

3.1.2.3.1. In order to achieve important public policy goals, the City has established various special revenue, debt service, and enterprise funds to account for revenues whose use should be restricted to certain activities. Accordingly, each fund exists as a separate financing entity from other funds, with its own revenue sources, expenditures, and fund equity (fund balance or net position).

3.1.2.3.2. Any transfers between funds for operating purposes are clearly set forth in the annual budget (see chapter 2.1.). These operating transfers, under which financial resources are transferred from one fund to another, are distinctly different from interfund borrowings, which are usually made for temporary cash flow reasons, and are not intended to result in a transfer of financial resources by the end of the fiscal year. In summary, interfund transfers result in a change in fund equity; interfund borrowings do not, as the intent is to repay the loan in the near term.

3.2. User Fee Cost Recovery Goals

3.2.1. Ongoing review

3.2.1.1. Fees will be reviewed and updated on an ongoing basis to ensure that they keep pace with changes in the service delivery costs as well as changes in methods or levels of service delivery. In instances where State or other regulations limit the level of fees charged for City services, the user fee cost recovery principles may not apply. The budget document will identify where fee levels have been limited and clearly identify the subsidy required due to user fee limitations.

3.2.2. User fee cost recovery levels

3.2.2.1. In setting user fees and cost recovery levels, the following factors will be considered:

3.2.2.1.1. Community-wide versus special benefit – the level of user fee cost recovery should consider the community-wide versus special service nature of the program or activity. The use of general-purpose revenues is appropriate for community-wide services, while user fees are appropriate for services that are of special benefit to easily identified individuals or groups.

Financial Policies (Continued)

- 3.2.2.1.2. Service recipient versus service driver – after considering community-wide versus special benefit of the service, the concept of service recipient versus service driver should also be considered. For example, it could be argued that the applicant is not the beneficiary of the City’s development review efforts; the community is the primary beneficiary. However, the applicant is the driver of development review costs, and as such, cost recovery from the applicant is appropriate.
- 3.2.2.1.3. Effect of pricing on the demand for services – the level of cost recovery and related pricing of services can significantly affect the demand and subsequent level of services provided. At full cost recovery, this has the specific advantage of ensuring that the City is providing services for which there is genuinely a market that is not overly stimulated by artificially low prices. Conversely, high levels of cost recovery will negatively impact the delivery of services to lower income groups. This negative feature is especially pronounced, and works against public policy, if the services are specifically targeted to low income groups.
- 3.2.2.1.4. Feasibility of collection and recovery – although it may be determined that a high level of cost recovery may be appropriate for specific services, it may be impractical or too costly to establish a system to identify and charge the user. Accordingly, the feasibility of assessing and collecting charges should also be considered in developing user fees, especially if significant program costs are intended to be financed from that source.
- 3.2.3. Factors favoring low cost recovery levels
 - 3.2.3.1. Very low cost recovery levels are appropriate under the following circumstances:
 - 3.2.3.1.1. There is no intended relationship between the amount paid and the benefit received.
 - 3.2.3.1.2. Collecting fees is not cost-effective or will significantly impact the efficient delivery of the service.
 - 3.2.3.1.3. There is no intent to cover the cost of the service. Examples may include park shelter and auditorium rental.
 - 3.2.3.1.4. The service is non-recurring, generally delivered on a “peak demand” or emergency basis, cannot reasonably be planned for on an individual basis, and is not readily available from a private sector source. Many public safety services fall into this category.
 - 3.2.3.1.5. Collecting fees would discourage compliance with regulatory requirements and adherence is primarily self-identified, and as such, failure to comply would not be readily detected by the City. Small-scale licenses and permits might fall into this category.

APPENDIX (CONTINUED)

Financial Policies (Continued)

3.2.4. Factors favoring high cost recovery levels

3.2.4.1. The use of service charges as a major source of funding service levels is especially appropriate under the following circumstances:

3.2.4.1.1. The service is similar to services provided through the private sector and private or other public sector alternatives could or do exist for the delivery of the service.

3.2.4.1.2. For requested service that requires added costs, it is intended that there be a direct relationship between the amount paid and the level and cost of the service received. An example is higher fees for utility hookup after normal working hours.

3.2.4.1.3. The service is regulatory in nature and voluntary compliance is not expected to be the primary method of detecting failure to meet regulatory requirements. Building permit, plan checks, and subdivision review fees for large projects would fall into this category.

3.2.5. General concepts regarding the use of service charges

3.2.5.1. The following general concepts will be used in developing and implementing service charges:

3.2.5.1.1. Revenues should not exceed the reasonable cost of providing the service.

3.2.5.1.2. Cost recovery goals should be based on the total cost of delivering the service, including direct costs, departmental administration costs, and organization-wide support costs such as accounting, personnel, data processing, vehicle maintenance, and insurance.

3.2.5.1.3. The method of assessing and collecting fees should be as simple as possible in order to reduce the administrative cost of collection.

3.2.5.1.4. Rate structures should be sensitive to the "market" for similar services as well as to smaller, infrequent users of the service.

3.2.5.1.5. A unified approach should be used in determining cost recovery levels for various programs based on the factors discussed above.

3.2.6. Low cost recovery services

3.2.6.1. Based on the criteria discussed above, the following types of services should have very low cost recovery goals. In selected circumstances, there may be specific activities within the broad scope of services provided that should have user charges associated with them. However, the primary source of funding for the operation as a whole should be general-purpose revenues, not user fees.

3.2.6.1.1. Maintaining and developing public facilities that are provided on a uniform, community-wide basis such as streets, parks, and general-purpose buildings.

3.2.6.1.2. Providing social service programs and economic development activities.

APPENDIX (CONTINUED)

Financial Policies (Continued)

3.2.7. Recreation programs

3.2.7.1. The following cost recovery policies apply to the City's recreation programs:

3.2.7.1.1. Cost recovery for activities directed to adults should be relatively high.

3.2.7.1.2. Cost recovery for activities directed to youth and seniors should be relatively low. Although ability to pay may not be a concern for all youth and senior participants, these are desired program activities, and the cost of determining need may be greater than the cost of providing a uniform service fee structure to all participants. Further, there is a community-wide benefit in encouraging high levels of participation in youth and senior recreation activities regardless of financial status.

3.2.7.1.3. In those circumstances where services are similar to those provided in the private sector, cost recovery levels should be higher.

3.2.7.2. The City Parks and Recreation Department will work with the Parks Board to review recreation programs and establish specific cost recovery targets for broad program classifications.

3.2.8. Planning programs

3.2.8.1. The following cost recovery policies apply to the current planning programs:

3.2.8.1.1. Services provided under this category include:

3.2.8.1.1.1. Planning (planned development permits, tentative tract and parcel maps, rezonings, general plan amendments, variances, use permits).

3.2.8.1.1.2. Building and safety (building permits, structural plan checks, inspections, rental inspections).

3.2.8.1.1.3. Engineering (public improvement plan checks, inspections, subdivision requirements, encroachments).

3.2.8.1.2. Cost recovery for these services should generally be very high. In most instances, the City's cost recovery goal should be 100%. Exceptions to this standard include any long-range planning services, as this function is clearly intended to serve the broader community.

3.2.9. Comparability with other communities

3.2.9.1. In setting user fees, the City will consider fees charged by other agencies in accordance with the following criteria:

3.2.9.1.1. Surveying other comparable communities provides useful background information in setting fees as they reflect the market for these fees and can assess where the City compares.

3.2.9.1.2. If prudently analyzed, they can serve as a benchmark for how cost-effectively the City provides its services.

Financial Policies (Continued)

3.2.9.1.3. However, fee surveys should never be the sole or primary criteria in setting City fees as there are many factors that affect how and why other communities have set their fees at their levels. For example:

3.2.9.1.3.1. What level of cost recovery is their fee intended to achieve compared with our cost recovery objectives?

3.2.9.1.3.2. What costs have been considered in computing the fees?

3.2.9.1.3.3. When was the last time that their fees were comprehensively evaluated?

3.2.9.1.3.4. What level of service do they provide compared with our service or performance standards?

3.2.9.1.3.5. Is their rate structure significantly different than ours and what is it intended to achieve?

3.2.9.1.4. These can be very difficult questions to address in fairly evaluating fees among different communities. As such, the comparability of City of Lakeland fees to other communities should be one factor among many that is considered in setting City fees.

3.3. Sewer Fees and Rates

3.3.1. City will set fees and rates for the Sewer utility enterprise fund at levels that fully cover total direct and indirect costs, including operations, capital outlay and improvements, and debt service. The City will model five years of projected revenues and expenses, including capital improvements, and set or modify sewer rates via ordinance of the Board of Commissioners.

3.3.2. Debt service

3.3.2.1. The City will set Sewer enterprise fund rates at levels needed to fully cover debt service requirements as well as operations, maintenance, administration, and capital improvement costs. The ability to afford new debt for enterprise operations will be evaluated as an integral part of the City's rate review and setting process.

3.4. Stormwater Fees and Rates

3.4.1. The stormwater fees and rates are intended to fund operating costs of the Stormwater special revenue fund. Typically, the City will model five years of operating costs in order to recommend changes to stormwater fees to the Board of Commissioners for approval via ordinance. Major capital improvements will typically be funded by other funding sources or accumulated fund balance, if any.

3.5. Solid Waste Fees and Rates

3.5.1. The solid waste fees and rates are intended to fund operating costs of the Solid Waste special revenue fund. Typically, the City will model five years of operating costs in order to recommend changes to solid waste fees to the Board of Commissioners for approval via ordinance. Major capital improvements will typically be funded by other funding sources or accumulated fund balance, if any.

APPENDIX (CONTINUED)

Financial Policies (Continued)

3.6. Grant Funding

3.6.1. The City shall actively seek grant funding to fund both operating and capital expenditures. Prior to acceptance of grant funding, an evaluation of the grant must determine the following:

- 3.6.1.1. The grant purpose is compatible with City program objectives.
- 3.6.1.2. The benefits provided by the grant exceed the cost of administration.
- 3.6.1.3. The grant does not commit the City to long-term tax funded expenditures after the completion of the grant period. The City will evaluate the cost and funding source to determine whether to continue the service when the grant period ends. The decision to continue to fund or discontinue will be made prior to accepting the grant. Alternatively, the City could choose to continue the service with other funding.

3.7. Revenue Distribution

3.7.1. The City recognizes that GAAP discourages the earmarking of General Fund revenues, and accordingly, the practice of designating General Fund revenues for specific programs should be minimized in the City's management of its fiscal affairs. However, certain revenue sources may, from time to time, be committed or assigned via resolution or ordinance of the Board of Commissioners for dedicated expenditure purposes.

3.7.2. State Street Aid Fund

- 3.7.2.1. The State of Tennessee requires that intergovernmental revenues received by the City for certain state-wide gas and motor fuel taxes be segregated into a separate special revenue fund – the State Street Aid Fund. The revenues received from these taxes are restricted for use on street infrastructure and maintenance. While a special revenue fund with a designated revenue source, the City may from time to time supplement expenditures in this fund through transfers from the General Fund.

4. Resource Management

4.1. Purchasing

4.1.1. Applicability

- 4.1.1.1. This chapter presents the City's purchasing policy. The City intends to purchase goods and services of high quality consistent with the expected use at the most reasonable cost. The purpose of the City purchasing policy is to provide guidance for all department and purchasing personnel involved in the procurement process. This policy applies to all City personnel involved in the procurement process and to all City purchases in any City fund.

4.1.2. Competitive procurement

- 4.1.2.1. Purchases less than \$2,500 – competitive bids or quotations for the purchase of items which cost less than \$2,500 are desirable but not mandatory. All purchases must be authorized by a purchase order approved by the City Manager, unless otherwise specifically exempt.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 4.1.2.2. Purchases of \$2,500 and above, but less than \$10,000 – purchases, leases, and lease purchases of \$2,500 and above, and less than \$10,000 singly or in the aggregate during any fiscal year and, except as otherwise provided, shall require three (3) competitive bids or quotations, either verbal or written, whenever possible prior to each purchase.
- 4.1.2.3. Purchases of \$10,000 and above
 - 4.1.2.3.1. A description of all projects or purchases, except as otherwise provided in this chapter, which require the expenditure of City funds of \$10,000 or more shall be prepared and submitted to the City Manager for authorization to call for bids or proposals.
 - 4.1.2.3.2. The award of purchases, leases, or lease purchases of \$10,000 or more shall be authorized by the Board of Commissioners to the lowest and best responsible bidder.
 - 4.1.2.3.3. The City Manager may approve the procurement of goods or services authorized in the annual operating budget, or subsequent budget amendment, and purchases that are routine to City operations provided that the purchase, lease, or lease-purchase does not impose any substantial long-term consequences upon the City
 - 4.1.2.3.4. The transaction involving purchases, leases, or lease-purchases of \$10,000 or greater shall be evidenced by written contract.
- 4.1.2.4. Exceptions
 - 4.1.2.4.1. Upon the written recommendation of the City Manager that it is clearly to the advantage of the City not to contract with competitive bidding, the Board may authorize noncompetitive contracts by resolution adopted unanimously by members present.
 - 4.1.2.4.2. Purchases amounting to \$10,000 or greater, which do not require public advertising and sealed bids or proposals, may be allowed only under the following circumstances and, except as otherwise provided herein, when such purchases are authorized by the governing body:
 - 4.1.2.4.2.1. Sole source of supply or proprietary products as determined after complete search by the City Manager or designee, after which the City Manager shall provide notification to the Board.
 - 4.1.2.4.2.2. Emergency expenditures with subsequent approval of the City Manager or designee in accordance with the provisions herein.
 - 4.1.2.4.2.3. Purchases from instrumentalities created by two or more cooperating governments.
 - 4.1.2.4.2.4. Purchases from non-profit corporations whose purpose or one of whose purposes is to provide goods or services specifically to municipalities.
 - 4.1.2.4.2.5. Purchases, leases, or lease-purchases of real property.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 4.1.2.4.2.6. Purchases, leases, or lease-purchases from any federal, state, or local governmental unit or agency, of second-hand articles or equipment or other materials, supplies, commodities, and equipment.
- 4.1.2.4.2.7. Purchases through other units of governments as authorized by T.C.A. 6-56-301 et seq.
- 4.1.2.4.2.8. Purchases directed through or in conjunction with the State Department of General Services.
- 4.1.2.4.2.9. Purchases from Tennessee State industries.
- 4.1.2.4.2.10. Professional service contracts as provided in T.C.A. 29-20-407.
- 4.1.2.4.2.11. Tort Liability Insurance as provided in T.C.A. 12-4-407.
- 4.1.2.4.2.12. Purchases of perishable commodities.
- 4.1.2.4.2.13. Professional services as provided in Consultant Selection Policy for Projects funded in Whole or in Part with Funds Provided by the Federal Highway Administration or the Tennessee Department of Transportation (Local Government Guidelines Form 1-2)
- 4.1.2.5. Sealed bids or proposals
 - 4.1.2.5.1. Sealed bids are required on purchases of \$10,000.00 or more. Bids must be advertised in a local newspaper of general circulation not less than five days before bid opening date.
 - 4.1.2.5.2. All solicitations of offers shall clearly set forth all requirements which vendors must fulfill and all other factors to be used in evaluating bids, proposals, or statements of qualifications.
 - 4.1.2.5.3. Contracts shall be awarded only to responsible contractors/firms that possess the potential ability to perform successfully under the terms and conditions of the proposed procurement.
- 4.1.2.6. Recording bids - a summary of bids form should be used to record all bids. The form should be included in the information presented to the Board for consideration of award of the bid. All bids should be opened in public at a specified time. Late bids should not be accepted or opened.
- 4.1.2.7. Rejection of bids
 - 4.1.2.7.1. The City Manager may reject any and all bids when in the City's best interest. The City shall have the authority to reject any and all bids, parts of all bids, or all bids for any one or more supplies or contractual services included in the proposed contract, when the public interest will be served thereby.
 - 4.1.2.7.2. The City shall not accept the bid of a vendor or contractor who is in default on the payment of any taxes, licenses, fees, or other monies of whatever nature that may be due the City by said vendor or contractor.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 4.1.2.8. Electronic bidding, invitations to bid, requests for proposals, and other solicitations
 - 4.1.2.8.1. Any authorized agent purchasing on behalf of the City may satisfy any requirement for mailing by distributing invitations to bid, requests for proposals and other solicitations electronically.
 - 4.1.2.8.2. The authorized agent may receive bids, proposals, and other offers electronically. Small businesses and minority-owned businesses shall not be required to receive or respond to invitations to bid, requests for proposals, or other solicitations electronically as provided in T.C.A 12-3-704.
- 4.1.2.9. Competitive sealed proposals
 - 4.1.2.9.1. The City may use competitive sealed proposals to purchase goods and services rather than competitive sealed bids when the City Manager or designee, acting under the restrictions and requirements of T.C.A. 12-3-10, determines that the use of competitive sealed bidding is either not practicable or not advantageous to the City as provided by the City's Purchasing Policy.
 - 4.1.2.9.2. The following conditions for use apply to purchases where competitive sealed proposals may be used in place of competitive bidding.
 - 4.1.2.9.2.1. Competitive sealed proposals may be used only when qualifications, experience, or competence are more important than price in making the purchase; and
 - 4.1.2.9.2.2. When there is more than one solution to a purchasing issue and the competitive sealed proposals will assist in choosing the best solution; or
 - 4.1.2.9.2.3. When there is no readily identifiable solution to a purchasing issue and the competitive sealed proposals will assist in identifying one or more solutions.
 - 4.1.2.9.3. Adequate public notice of the request for competitive sealed proposals shall be given in the same manner provided by applicable law for competitive sealed bids.
 - 4.1.2.9.4. The award shall be made to the responsible proposer whose proposal the Board determines is the most advantageous to the City, taking into consideration price and the evaluation factors set out in the request for competitive sealed proposals. No other factor may be used in the evaluation.
- 4.1.2.10. Purchase orders - a pre-numbered Purchase Order form must be submitted prior to the purchase of any item, except as designated by the City Manager or designee, or otherwise provided within the City of Lakeland Purchasing Policy.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 4.1.2.11. Purchase authorization by email or telephone - email and phone authorizations may be made in cases where, due to being out of the office, timely authorization is not possible. The City Manager shall appoint the authorizing person.
- 4.1.2.12. Sole-source and proprietary purchasing - sole-source or proprietary purchasing shall only be used when a vendor providing a good or service is the only source wherein no other acceptable substitutes or alternatives are available.
- 4.1.2.13. Emergencies
 - 4.1.2.13.1. Emergency purchases are essential purchases to be made only when normal functions and operations of the City would be hampered by purchasing in the regular manner, or where property, equipment, or life are endangered through unexpected circumstances and materials, services, etc., and are needed immediately.
 - 4.1.2.13.2. Competitive procurement according to the guidelines in the City's Purchasing Policy should be used when possible in emergencies.
- 4.1.2.14. Direct payments - purchases made for recurring services, most notably telephone, internet, and utility services, do not require the use of a purchase order when authorized by the City Manager or designee in advance.
- 4.1.2.15. Blanket purchase orders - blanket purchase orders may be used in circumstances wherein purchases from vendors are made for small or routine purchases, authorized at the first of each month, provided that the amount is less than \$250 per item.
- 4.1.2.16. Delegated purchasing authority - purchases up to \$500 may be authorized by a designated Supervisor. The City Manager may designate the persons who can authorize up to \$500 in purchases.
- 4.1.2.17. Gasoline - the City Manager or designee may authorize the purchase of gasoline for City vehicles at gas stations within the Lakeland City Limits without a Purchase Order.
- 4.1.2.18. Use of City's credit card and petty cash fund
 - 4.1.2.18.1. Purchases if items that cost less than \$40 from businesses that do not issue invoices or have charge accounts may be made by either credit card or withdrawals from the petty cash fund.
 - 4.1.2.18.2. The agent designated by the City Manager is solely responsible for any withdrawals from the petty cash fund.
 - 4.1.2.18.3. Purchases made by credit card must comply with the City's policy governing the use of credit cards.
 - 4.1.2.18.4. The City Manager or designee may authorize the use of debit or purchasing cards, and designate City personnel authorized to make purchases using said debit or purchasing cards in accordance with the same provisions in the City's policy governing the use of credit cards.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 4.1.2.19. Invoices
 - 4.1.2.19.1. All invoices for services or products must be signed as received by the person receiving the equipment or service before the City releases funds to a vendor.
 - 4.1.2.19.2. All vendor checks for City purchases shall be mailed to the vendor address on file.
 - 4.1.2.19.3. Exceptions under special circumstances must be approved by the City Manager or designee.
- 4.1.3. Ethics
 - 4.1.3.1. City employees involved in the procurement process, as in any other area of City operations, shall behave according to the highest ethical and professional standards in their affairs, conducting such business with the utmost concern for and consideration of the public's trust in the City. In accordance with maintaining the public's trust, any ethical impropriety or the perception thereof should be avoided in all business involving the City of Lakeland.
 - 4.1.3.2. As an employee of the City of Lakeland, all City employees shall notify their supervisor as well as the City Manager if the employee has any knowledge of another employee of the City violating any provision of the City's Purchasing Policy or any other unethical or unprofessional behavior immediately upon receiving such information.
- 4.1.4. Conflict of interest
 - 4.1.4.1. No purchase shall be made from, nor any contract for purchase of services made with any person, firm, or corporation in which any officer or employee of the City has a direct financial interest except when such person, firm, or corporation is the sole source for such goods or services in Shelby County, Tennessee. In such instances, all purchases shall be subject to prior approval by the City Manager, any direct financial interest having been disclosed to the City Manager prior to authorization for the purchase.
 - 4.1.4.2. Any indirect financial relationship with any person, firm, or corporation in which the City purchases goods or services shall be disclosed to the City Manager or designee. No officer or employee of the City shall accept directly or indirectly any fee, rebate, money, or other thing of value from any person, firm, or corporation employed by or doing business with the City, except on behalf of and for the use of the City, or in accordance with the exception herein above set forth.

Financial Policies (Continued)

4.1.5. Responsibility for purchasing and record-keeping.

4.1.5.1. The City Manager or designee shall be responsible for acting in accordance with the City of Lakeland Purchasing Policy, the procedures therein required, and the general law provisions of the Municipal Purchasing Law of 1983, as amended, including keeping and filing required records and reports, as if they were set out herein and made a part the City's Purchasing Policy.

4.2. Human Resource Management

4.2.1. Applicability

4.2.1.1. This chapter provides the City's policy approach to human resource management in terms of regular staffing, temporary staffing, and the use of independent contractors in the City's efforts to ensure quality service delivery in the most efficient and cost-effective manner.

4.2.2. Regular staffing

4.2.2.1. The budget will fully appropriate the resources needed for authorized regular staffing and will limit programs to the regular staffing authorized.

4.2.2.2. Regular employees will be the core work force and the preferred means of staffing ongoing, year-round program activities that should be performed by full- and part-time City employees rather than independent contractors. The City will strive to provide competitive compensation and benefit schedules for its authorized regular work force. Each regular employee will:

4.2.2.2.1. fill an authorized regular position;

4.2.2.2.2. be assigned to an appropriate department and fund; and

4.2.2.2.3. receive salary and benefits (if applicable) consistent with the City's compensation plans.

4.2.2.3. To manage the growth of the regular work force and overall staffing costs, the City will follow these procedures:

4.2.2.3.1. The Board of Commissioners will authorize all regular positions (generally through the Annual Budget process, see chapter 2.1.).

4.2.2.3.2. The City Manager shall approve the hiring of all regular and temporary employees.

4.2.2.3.3. All requests for additional regular positions will include evaluations of:

4.2.2.3.3.1. the necessity, term, and expected results of the proposed job description;

4.2.2.3.3.2. staffing and materials costs including salary, benefits, equipment, uniforms, clerical support, and facilities;

4.2.2.3.3.3. the ability of private industry to provide the proposed service; and

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 4.2.2.3.3.4. additional revenues or cost savings which may be realized.
- 4.2.2.4. Periodically, and before any request for additional regular positions, programs will be evaluated to determine if they can be accomplished with fewer regular employees (see chapter 4.3. Productivity).
- 4.2.3. Temporary staffing
 - 4.2.3.1. The hiring of temporary employees will not be used as an incremental method for expanding the City's regular work force.
 - 4.2.3.2. Temporary employees include all employees other than regular employees, elected or appointed officials, and volunteers. Temporary employees will generally augment regular City staffing as extra-help employees, seasonal employees, contract employees, interns, and/or work-study assistants.
 - 4.2.3.3. The City Manager and department directors will encourage the use of temporary rather than regular employees to meet peak workload requirements, fill interim vacancies, and accomplish tasks where less than full-time year-round staffing is required. Under this guideline, temporary employee hours will generally not exceed fifty (50) percent of a regular full-time position. There may be limited circumstances where the use of temporary employees on an ongoing basis in excess of this target may be appropriate due to unique programming or staffing requirements. However, any such exceptions must be approved by the City Manager.
 - 4.2.3.4. Contract employees are defined as temporary employees with written contracts approved by the City Manager and/or Board of Commissioners who may receive approved benefits depending on hourly requirements and the length of their contract. Contract employees will generally be used for medium-term (generally between six months and two years) projects, programs, or activities requiring specialized or augmented levels of staffing for a specific period. The services of contract employees will be discontinued upon completion of the assigned project, program, or activity. Accordingly, contract employees will not be used for services that are anticipated to be delivered on an ongoing basis, except for as-needed services provided by independent contractors or contract employees filled temporarily by the City Manager due to extended vacancies in critical regular staff roles.

APPENDIX (CONTINUED)

Financial Policies (Continued)

4.2.4. Independent contractors

4.2.4.1. Independent contractors are not City employees. They may be used in two situations:

4.2.4.1.1. Short-term, peak workload assignments to be accomplished using personnel contracted through an outside temporary employment agency ("OEA"). In this situation, it is anticipated that City staff will closely monitor the work of OEA employees and minimal training will be required. However, they will always be considered the employees of the OEA and not the City. All placements through an OEA will be coordinated through the Human Resources Department and subject to the approval of the City Manager and Finance and Human Resources Director.

4.2.4.1.2. Construction of public works or other capital projects and delivery of operating, maintenance, or specialized professional services not routinely performed by City employees. The City Manager may authorize the services of an independent contractor to fill temporary, unexpected, or prolonged vacancies in regular staff roles. Such services will be provided without close supervision by City staff, and the required methods, skills, and equipment will generally be determined and provided by the contractor. Contract awards will be guided by the City's purchasing policy (see chapter 4.1. Purchasing).

4.3. Productivity

4.3.1. Applicability

4.3.1.1. This chapter on productivity is designed to ensure delivery of City services at the highest level of quality while optimizing and managing costs.

4.3.2. Productivity standards

4.3.2.1. The City will constantly monitor and review its methods of operation to ensure that services continue to be delivered in the most cost-effective manner possible. This review process encompasses a wide of productivity issues, including:

4.3.2.1.1. Analyzing systems and procedures to identify and remove unnecessary review requirements.

4.3.2.1.2. Evaluating the ability of new technologies and related capital investments to improve productivity.

4.3.2.1.3. Developing the skills and abilities of all City employees.

4.3.2.1.4. Developing and implementing appropriate methods of recognizing and rewarding exceptional employee performance.

4.3.2.1.5. Evaluating the ability of the private sector to perform the same level of service at a lower cost.

4.3.2.1.6. Periodic formal reviews of operations on a systematic, ongoing basis.

Financial Policies (Continued)

- 4.3.2.1.7. Maintaining a decentralized approach to managing the City's support service functions. Although some level of centralization is necessary for review and control purposes, decentralization supports productivity by:
 - 4.3.2.1.7.1. encouraging accountability by delegating responsibility to the lowest possible level;
 - 4.3.2.1.7.2. stimulating creativity, innovation, and individual initiative;
 - 4.3.2.1.7.3. reducing the administrative costs of operation by eliminating unnecessary review procedures;
 - 4.3.2.1.7.4. improving the City's ability to respond to changing needs, and identify and implement cost-saving programs; and
 - 4.3.2.1.7.5. assigning responsibility for effective operations and citizen responsiveness to each department.

5. Financial Reporting

5.1. Accounting, Auditing, and Financial Reporting

5.1.1. Applicability

- 5.1.1.1. This chapter on accounting, auditing, and financial reporting shall apply to all funds and departments of the City of Lakeland.

5.1.2. Policy

- 5.1.2.1. The City shall maintain a system of financial monitoring, control, and reporting for all operations and funds in order to provide effective means of ensuring that overall City goals and objectives are met.

5.1.2.2. Accounting records and reporting

- 5.1.2.2.1. The City will maintain its accounting records in accordance with state and federal law and regulations, as well as any specific requirements related to grant agreements. Budgetary reporting will be in accordance with the State's budget laws and regulations. The City will report its financial condition and results of operations in accordance with City charter, state regulations, and GAAP applicable to governments.
- 5.1.2.2.2. The Finance and Human Resources Director shall report to the Board of Commissioners 1) budget to actual comparisons for each governmental fund and 2) financial plan to actual comparisons for each enterprise fund on a monthly basis in the treasurer's report.

APPENDIX (CONTINUED)

Financial Policies (Continued)

- 5.1.2.3. Auditing
 - 5.1.2.3.1. The City Manager and Finance and Human Resources Director, with approval by the Board of Commissioners, will contract with an external Certified Public Accountant (“CPA”) firm with experience in municipal auditing, and of good reputation, to annually perform the City’s financial and compliance audit. Their opinions will be contained in the City’s annual audited financial statements or Comprehensive Annual Financial Report (“CAFR”). Results of the annual audit shall be provided to the Board of Commissioners, the State of Tennessee, the Federal Audit Clearinghouse, and any other bodies required by regulation or agreement, in a timely manner and in no wise later than the filing due dates.
- 5.1.2.4. Excellence in financial reporting
 - 5.1.2.4.1. As an additional independent confirmation of the quality of the City’s financial reporting, the City will annually seek to obtain the Government Finance Officers Association Certificate of Achievement for Excellence in Financial Reporting. The CAFR will be presented in a way designed to communicate with citizens about the City’s financial affairs.
- 5.1.2.5. Simplified fund structure
 - 5.1.2.5.1. The City shall seek to minimize the number of funds. The funds will be categorized in accordance with GAAP for reporting purposes.
- 5.1.3. Responsibility for accounting, auditing, and financial reporting
 - 5.1.3.1. The Finance and Human Resources Director shall be responsible for the enforcement of the City’s accounting, auditing, and financial reporting policies and establishing and monitoring any related procedures, including retaining and filing related auditing financial reports will all required regulatory bodies.

MEETING CYCLE: Thursday, June 10, 2021

SUBJECT: Ordinance – Final Reading - to amend the Official Zoning Map by Rezoning 9905 Memphis Arlington Road, part of Parcel ID L0150 00482, from AG – Agriculture to RE – Exurban

STAFF CONTACT: Richard Donovan, Planning Consultant

STAFF RECOMMENDATION

The MPC and Staff recommend **approval** of the request for rezoning at 9905 Memphis Arlington Road from Agriculture to Exurban.

BUDGET IMPACT

DISCUSSION

LOCATION: 9905 Memphis Arlington Road
PARCEL ID: Part of L0150 00482
ZONING: A (Agriculture) to RE (Exurban)
NEIGHBORHOOD TYPE: Type II
AREA: 7.46 Acres
OWNER: Eugene and Betty Howard
APPLICANT: Denise Howard
REPRESENTATIVE: Kyle Ham, Ledford Engineering, Planning, and Architecture

LAND USE PLAN:

Lakeland's Comprehensive Land Use Plan Update, adopted March of 2006, recommends "Suburban Neighborhood" and "Conservation Overlay" for the property.

"Suburban Neighborhood" is defined as *"Primarily single-family residential lots with a maximum density of 2.5 dwelling units per acre, but may contain religious facilities, schools, and public buildings. Development requires public water and sanitary sewer service. Streets shall be designed with an urban cross section"*.

"Conservation Overlay" is defined as *"Primarily Planned Developments containing single-family residential lots that require conservation development practices in the design and preservation of natural resources. Areas shall contain substantial passive open space and possibly some limited active open space. Development requires public water and sanitary sewer service."*

Streets may be designed with a rural or urban cross-section as approved by the Municipal Planning Commission and Board of Commissioners.”

UTILITIES:

The property at 9905 Memphis Arlington Road does not currently have access to sewer. The nearest sewer is a 12 line at 10120 Memphis Arlington Road, approximately 0.41 miles away. The Exurban zoning district does allow for the development of property with the use of septic systems.

ALLOWANCES IN LDRs:

Below are two excerpts from the LDRs for the RE zoning district. The first excerpt is the definition of the RE district. The second excerpt is the setback and other bulk requirements of the district.

- a. RE: ExUrban District. RE allows for the large Lot residential development. It permits the construction of the Exurban and Civic Building Types. These areas may be served by a rural level of municipal services (public water and sewer are not required if conditions are met).

POTENTIAL HOUSING COUNT:

Below are potential lot counts based on the requirements of the LDRs. The calculations below estimate the number of lots allowed based on the allowances in the RE district. Staff has provided this as a rough estimate of what the property is likely to yield in terms of the number of lots. Staff has not done a layout on the property.

Lot size	105,705 sf	219,028 sf
Min Lot size	87,120 sf	87,120 sf
Lot Count	1.21	2.51

Estimated Total Lot Count 3 lots

ANALYSIS:

The parcel under consideration has one structure on a lot larger than 5 acres and is classified as a Type II and IV neighborhood (pending amendment). The zoning of surrounding properties is generally AG (Agriculture) except to the west, and those properties are zoned RE (Exurban). Lakeland Commons also is just to the west of the Seed Tick and Memphis Arlington intersection.

The applicant seeks to rezone the property to RE, which meets the Land Use Plan's intent for less than 2.5 units an acre. The Comprehensive Plan requires sewer with the Suburban Neighborhood and Conservation Overlay areas; however, the LDRs allow development on septic for lots greater than 2 acres. The intent of the sewer requirement is to provide service to lots that cannot provide on-site sewage treatment. The concept shows three two-acre lots that are more consistent with the development along Memphis Arlington Road and at the intersection with Seed Tick.

ORDINANCE O-4-2021

AN ORDINANCE TO AMEND THE OFFICIAL ZONING MAP BY REZONING 9905 MEMPHIS ARLINGTON ROAD, PARCEL ID L0150 00482, FROM AG – AGRICULTURE TO RE – EXURBAN

WHEREAS, the City of Lakeland may amend the official zoning atlas of the City in accordance with Section 13-7-204 of Tennessee Code Annotated; and,

WHEREAS, The property is zoned Agriculture (A) and the applicant wished to rezone the property Exurban (RE) which is compliance with the City's Comprehensive Plan; and,

WHEREAS, the Municipal Planning Commission on March 24, 2021 voted 5 to 0 to recommend approval of the adoption of said Ordinance to the Board of Commissioners; and,

WHEREAS, the City of Lakeland believes that such amendment will promote, protect, and facilitate the public health, safety, and welfare of the community through coordinated and practical land use and land development for the betterment of Lakeland's population; and,

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF LAKELAND, TENNESSEE, as follows:

STAFF RECOMMENDATION

The MPC and Staff recommend **approval** of the Amendment to the Land Development Regulations.

BUDGET IMPACT

DISCUSSION

This is the first of group of three amendments that will address issues identified by BOC Resolution on February 11, 2021 or by City Staff. The MPC held three additional amendments for further study at their April meeting.

BUILDING TRANSPARENCY:

This amendment will change the transparency requirements for non-residential buildings. The MPC has reviewed several site plans in the last few months that have need some degree of relief or exception to the current transparency requirements. The Code currently requires that all sides have some percentage of transparency on all sides and does not account for “back of house” elements. The amendment changes the transparency requirements to only being required to face the street, parking areas, or open space. This would provide transparency to the most visible portion of the building but allow “back of house” areas without transparency.

Below is an illustration of how transparency is measured in the LDRs and 3 examples of recently constructed or approved buildings and how many façade they were required to have transparent. The LDRs measure the areas of transparency from 2 feet to 8 feet above the building base. This portion of the building must have the percentage of transparency required for the building type.

PLANNED DEVELOPMENT LETTER:

This amendment will require with each PD Outline or PDP the developer will submit a letter answering the three questions. The letter will answer these 3 questions:

1. What sections of the LDRs they are seeking relief from?
2. Why relief is needed?
3. What sections of the LDRs they are exceeding?

The letter will improve Staff, MPC, and BOC understanding of the request being made with each PD or PDP application. The idea here is to limit future surprises.

FOUNTAINS IN DETENTION BASINS:

This amendment will require a fountain in any wet detention pond that is proposed in the City. It requires that documentation be provided with the stormwater plan that the fountain is of adequate size for the shape and size of the pond. There is also a provision that allow installation once 75% of the home are built to ensure that the site has been stabilized.

ORDINANCE O-3-2021

AN ORDINANCE TO AMEND THE LAND DEVELOPMENT REGULATIONS OF LAKELAND, TENNESSEE, TO MAKE INTERIM AMENDMENTS TO THE LAND DEVELOPMENT REGULATIONS CONCERNING PLANNED DEVELOPMENTS, STORMWATER, AND BUILDING TRANSPARENCY

WHEREAS, the City of Lakeland seeks to make interim amendment to the Land Development Regulation until a new set of Land Development Regulations can be adopted; and

WHEREAS, the City seeks to resolve reoccurring issues within the Land Development Regulations for sections concerning planned development, stormwater, and building transparency; and

WHEREAS, the City of Lakeland believes that such amendment will promote, protect, and facilitate the public health, safety, and welfare of the community through coordinated and practical land use and land development for the betterment of Lakeland's population; and

WHEREAS, the Municipal Planning Commission on March 24, 2021 voted 5 to 0 to recommend approval of the adoption of said Ordinance to the Board of Commissioners; and

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF LAKELAND, TENNESSEE, as follows:

Section 1. To amend Table 3.B-1. Commercial, Industrial, and Civil Building Types Table by removing the items highlighted and stricken through and adding the highlighted as follows:

STAFF CONTACT: Richard Donovan, Planning Consultant

STAFF RECOMMENDATION

The MPC and Staff recommend **approval** of the Amendment to the Land Development Regulations.

BUDGET IMPACT

DISCUSSION

This is the second of group of three amendments that will address issues identified by BOC Resolution on February 11, 2021 or by City Staff.

VEHICULAR SERVICE:

This amendment will change where vehicular services uses (gas stations and others) are allowed with the City of Lakeland. The MPC has review several iterations of this amendment and decided on the current amendment. The ordinance makes the following changes:

1. Adds Vehicular Service to M1 as a conditional use. This is was done to correct the use table to make it reflect the language in the LDRs.
2. Requires columns and canopies to meet the design requirements
3. All vehicular services uses must be within 500 feet of two arterials or an arterial and collector. See map for allowed properties.
4. No vehicular service on Highway 70 or Canada Road.
5. If vehicular service is adjacend to residential, open space, or conservation area a 6 foot fence is required.
6. Active entrance on the arterial street side of the building.
7. If a vehicular service site is discontinued and reporosed for another use the tanks and canopies must be removed from the site.

These amendments do make several and possible all current vehicular service sites non-conformting and grandfathered. The current site would be allowed to continue to operate and

make site improvements within the constraints of the State Code and only become a violation if the use was discontinued for more than 30 months.

IMPERVIOUS, SEMI-PERVIOUS, AND BUILDNG COVERAGE:

This amendment will remove the impervious surface requirements for residential districts. This removal is consistent with other Cities in the immediate area and statewide. Most do have a maximum building coverage area; that standard is currently in place for Lakeland. The issue with the impervious surface requirement has come to light in the last several months with numerous appeals to the Board of Appeals. Many existing neighborhoods have difficulty meeting this requirement because driveways, houses, accessory structures, etc. cover larger portions of the lots. This requirement has been part of at least three appeals in the last five months. It is Staffs opinion that this many appeals mean the Code needs to be amended to resolve the issues.

COMMERCIAL BUILDING TYPE B:

This amendment will limit the use of Building Type B to Canda Road within the C1 and C2 zoning districts unless the lot also fronts on another connector, avenue or boulevard. The Type B building would not be permitted in new locations on Canada Road or Highway 70.

STAFF RECOMMENDATION

City Staff recommends that the Board of Commissioners adopt by Resolution the updated internal control manual of Lakeland School System, which has been duly adopted by the Board of Education of Lakeland School System.

BUDGET IMPACT

The internal control manual for LSS is a key component of ensuring oversight over the financial activities and controls related to LSS.

DISCUSSION

Since 2015, the State of Tennessee has required that governments within the state adopt and annually update a documented system of internal control.

RESOLUTION R-42-2021

A RESOLUTION ADOPTING A REVISED INTERNAL CONTROL MANUAL OF THE BOARD OF EDUCATION OF THE LAKELAND SCHOOL SYSTEM

WHEREAS, the Tennessee Comptroller of the Treasury, in accordance with TCA § 9-18-102, has directed municipalities and educational institutions to adopt an internal control manual that addresses the five (5) components of internal control on or before June 30, 2016; and

WHEREAS, the Board of Education of the Lakeland School System is an entity of the City of Lakeland;

WHEREAS, the Board of Education of the Lakeland School System has made changes to its policies and procedures since the adoption of the Internal Control Manual on June 27, 2016.

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of the City of Lakeland, Tennessee, that the revised Lakeland School System Internal Control Manual, attached hereunto, is hereby adopted.

1 INTRODUCTION

Lakeland School System has the responsibility to its taxpayers, ratepayers, and constituents to be good stewards of public monies and property. In our efforts to serve the public as Lakeland School System school board members or employees, Lakeland School System established this Internal Control Manual using state and federal directives, and widely recognized best practices

State of Tennessee statutes require the Comptroller's Office, Department of Audit to prescribe uniform accounting systems for entities that handle public funds. Those statutes require public officials to adopt and use the system designated by the Comptroller's Office. The Tennessee Legislature amended TCA Section 9-2-102 in 2015 to require local governments to establish and maintain internal controls in accordance with guidance issued by the U.S. Government Accountability Office (GAO). The guidance is titled Standards for Internal Control in the Federal Government (Green Book). The Green Book follows the format developed by the Committee of Sponsoring Organizations (COSO) which has been the gold standard of internal control for all entities except the federal government for several years.

The internal control system consists of three objectives and five main components.

THREE (3) OBJECTIVES OF INTERNAL CONTROLS:

1. **Reporting** – reliability
2. **Operations** – effective and efficient
3. **Compliance** – compliant with applicable laws, regulations, contracts and grant agreements

FIVE (5) MAIN COMPONENTS OF INTERNAL CONTROLS THAT ARE REQUIRED TO BE ADDRESSED:

1. Control Environment
2. Risk Assessment
3. Control Activities
4. Information and Communication
5. Monitoring

The purpose of this manual is to ensure that the objectives of reporting and compliance are established. The policies to achieve these objectives are derived from various financial best practices, state and federal laws, and regulations. Policies may be developed to suit the specific needs of Lakeland School System's functions and resources. Detailed procedures are developed and documented as a means for entities to comply with its established policies.

2 CONSIDERATIONS IN DEVELOPMENT OF INTERNAL CONTROLS

Internal control is defined as a process effected by an entity's oversight body, management, and other personnel that provides reasonable assurance Lakeland School System's objectives will be achieved. Before developing its Internal Control System (ICS), Lakeland School System as a whole and each department should determine its mission, strategic goals, and objectives, and then formulate a plan to achieve those objectives. The internal controls are policies and procedures put in place to help achieve those goals and objectives. By describing how Lakeland School System and its departments expect to meet its various goals and objectives, using compensating controls to minimize risk, the entire Lakeland School System becomes more aware of expectations. Each department's internal control plan will be unique; however, it must be based on polices included in this guide which incorporate or reference other comprehensive state, federal or standard setting agency polices that have been adopted.

Constant monitoring of all components will ensure that the ICS (which must be reviewed and updated at least annually) is revised whenever changing conditions justify.

Since Lakeland School System's policies and procedures are the control activities for its internal control plans, it is important that they be reviewed in conjunction with the plans and referenced where appropriate. Everyone in Lakeland School System has a responsibility to ensure that internal controls operate effectively.

As directed by T.C.A. 9-18-102 (a) and in accordance with the guidance issued by Tennessee Comptroller's Office, the Lakeland School System has adopted this internal control manual. It is critical to note that the development and operation of the internal control system involves everyone in the organization. As such, management must ensure that the manual is shared with all of its employees. The manual is a work in process and will be assessed periodically.

The following sections document the five components of internal control and significant financial and compliance areas that are deemed high risk.

The Green Book states documentation is management's responsibility:

3.09 Management develops and maintains documentation of its internal control system.

3.10 Effective documentation assists in management's design of internal control by establishing and communicating the who, what, when, where, and why of internal control execution to personnel. Documentation also provides a means to retain organizational knowledge and mitigate the risk of having that knowledge limited to a few personnel, as well as a means to communicate that knowledge as needed to external parties, such as external auditors.

3 FIVE COMPONENTS OF INTERNAL CONTROL

CONTROL ENVIRONMENT

Overview

The control environment is the foundation for all other components of internal control, providing discipline and structure. Moreover, management establishes the tone regarding the importance of internal control and the expected standards of conduct; and reinforces those expectations at various levels. Control environment factors include the integrity, ethical values and competence of Lakeland School System's personnel; the distribution of authority and responsibility; the development of its personnel; and the attention and direction provided by the governing body.

Objectives

1. The governing body and management should conduct business with integrity and ethical behavior.
2. The governing body and management should provide direction and oversight for Lakeland School System's internal control system.
3. The governing body and management should hire qualified and competent employees.
4. The governing body and management should establish structure, authority, and responsibility to hold individuals accountable for internal control responsibilities.

Policies

1. Conflicts of interest must be disclosed before business is conducted.
2. A code of Ethics has been adopted by the Board of Education and management and is reviewed annually with all employees.
3. The Board of Education, has adopted a policy manual.
4. The Board of Education uses the budget process as a means of oversight with department heads.
5. Organizational charts are reviewed for needed changes in regard to authority and responsibility.

Procedures

- If there is a conflict of interest, the disclosure statement from the policy manual must be completed and signed in front of a witness and given to the appropriate supervisor.
- The policy manual and corresponding forms are available to all employees and board members on the Lakeland School System website.
- The Board of Education formally adopts an annual budget. The adopted budget is given to the City for approval by the Board of Commissioners.
- Lakeland School System adopted a policy manual based on TSBA guidelines. Those policies are reviewed and updated annually by the Board of Education.
- Monthly, the policy review committee reviews current policies and submits their findings to the Board of Education.
- Based on legislative changes, TSBA provides recommended policy updates.
- The Board of Education has adopted a personnel policy related to the recruitment and retention of highly-qualified employees for the Lakeland School System.
- All positions shall be approved through the budget process in accordance with the organizational plan submitted by the Superintendent.
- Lakeland School System's organizational chart is available on the system website to establish a defined chain of command.
- All positions require a job description and copies shall be maintained in the Superintendent's office.
- All Lakeland School System employees are required to complete annual online training and are encouraged to obtain additional professional and/or continuing education credits.

RISK ASSESSMENT

Overview

Lakeland School System officials and management assess the risk of operations continually. The Lakeland School System has chosen to transfer the most common types of risk through the purchase of the following types of insurance:

- Property and Casualty
- Liability
- Errors and Omissions
- Worker Compensation
- Surety Bonds

There are some risks that cannot be anticipated as they relate to financial and compliance issues. We have assessed the following areas and identified certain risks that necessitate the development of internal control policies and procedures. Internal controls will not eliminate all risk but will help reduce risk to gain reasonable assurance that reporting and compliance objectives are met.

Objectives

1. Collections are complete, timely and accurate.
2. Disbursements are for valid Lakeland School System purposes and are properly recorded.
3. Assets are properly safeguarded.
4. Lakeland School System is in compliance with contractual, local, state and federal laws and regulations.

Significant Areas of Risk

Collections (General/ACH)

- Deposits not made within 3 days as required by law
- Deposits not made intact
- Funds not locked away until they are deposited
- No segregation of duties in counting and preparing deposits
- Receipts not coded to proper revenue codes
- Receipts not assigned to appropriate funds
- Unreconciled accounts
- Comingling of funds

Disbursements/Drafts

- Broken law – expenditures must be appropriated
- Owing late fees and penalties
- Improper reporting in financial statements; inaccurate reporting for the governing body – monthly budget vs actual
- Possible loss of school district funds; inappropriate disbursement; theft malfeasance

Safeguarding Assets

- Misuse or loss of assets, not just capital assets (ie. checking accounts, investment accounts, etc.).
- Payback of grant funds

Reconciliation of Accounts

- Misuse or loss
- Missing entries

Control of Investments

- Lower than expected rates of return
- Assessed liability for OPEB investment fund subject to change based on school district policy

Debt Management

- Debt issuances not in compliance with state law
- Violations of the policies of the OSLF
- Additional effort with the annual budgetary practices
- Potential for defaulting on principal and interest payments

Grant Management

- Grant requirements may have changed
- The Finance Director is not made aware of the grant transactions

The significant areas of risk are identified above and policies and procedures will be documented in the next section to explain how Lakeland School System plans to implement internal controls to help reduce the risks associated with these area of operations.

CONTROL ACTIVITIES

Overview

This section is where detailed implemented procedures are documented. The objectives, policies; and procedures are described for each of the significant areas identified in the Risk Assessment section.

Collections (General/ACH)

Objectives

1. Collections are complete, timely, and accurate.
2. Collections are safeguarded.
3. Collections are recorded accurately and in a timely manner in the accounting system.

Policies

1. To receipt all revenues to the appropriate fund and revenue code.
2. To receipt all monies in compliance with the state statutes and intact.
3. Pre-numbered receipts are issued for all collections.
4. Two people are involved in the receipting/depositing process.
5. Each person involved in the receipting process has their own cash drawer.
6. All collections are recorded in the General Ledger (G/L).
7. Reconciliations are completed monthly.

Procedures

For Funds Collected at School

- Each person involved in the receipting process must have their own cash drawer.
- All monies collected are receipted on pre-numbered receipts.
- Money receipted at the school is counted by the employee who collects the funds and initials for accuracy. Money is then turned into the School Bookkeeper, who counts and prepares the deposit.
- Deposit slips are prepared in duplicate and initialed by the Bookkeeper; Separate school designee takes all school deposits to the bank.
- Funds are deposited daily if possible, but no later than three (3) days after receipt. If funds are kept at school overnight, they must be kept in a secure location.
- Once deposit has been made, the bank receipt is given to the Bookkeeper and attached to the duplicate deposit slip.
- The Bookkeeper scans and attaches the electronic copy of the deposit slip in Skyward, assigns the proper revenue code, and receipts it to the G/L.

Procedures (continued)

For ACH collections

- Funds collected at board office are usually deposited via ACH. The School District Finance Director prints the remittance advice or verification of deposit and applies the proper revenue code before the Finance Clerk receipts to the G/L.

For Collections at Board Office

- Finance Director receives payments from Administrative Assistant who stamps "For Deposit Only."
- The Finance Director or designee prepares the deposit slip in duplicate, initials, and makes a copy of the payment or stub.
- Administrative Assistant verifies the deposit slip and initials, then carries to the bank to execute deposit within three (3) days of receiving, and returns with the deposit receipt.
- The deposit receipt is initialed by the Administrative Assistant and attached to duplicate deposit slip.
- The Finance Director attaches the deposit and duplicate deposit slip to backup documentation and applies the proper revenue code. The Finance Clerk receipts to the GL.

Disbursements/Drafts

Objectives

1. Disbursements are for a valid school system purpose and are necessary.
2. Disbursements are timely.
3. Disbursements are accurately coded and recorded in the accounting system.
4. Disbursements are legally appropriated.

Policies

1. Accounts Payables (A/P) are processed weekly.
2. More than one person reviews the A/P payment process.
3. Separate employees will code invoices and PO's, enter requisitions, and process check files.
4. A purchase order system is in place.
5. All vendor checks are mailed or deposited via ACH.

Procedures

- Before purchases are made, electronic purchase orders approved by the CFO are required.
- When purchases are received or a service is completed, the packing slips are matched with invoices by the School Bookkeepers or Finance Clerk and submitted to the Finance Director for payment.
- The Finance Director processes and prints the vendor checks and accounts payable reports.
- The Administrative Assistant matches the copies of the checks to invoices and mails the payments.
- At the end of the month, all checks are reconciled by the Finance Director. An outstanding check register is pulled and filed with the bank reconciliation.
- At year end, the School Bookkeepers, Finance Clerk, and Finance Director will review all of the previous years' accounts, prior year activity, and invoices received to help determine what is still outstanding.

Safeguarding Assets

Objectives

1. Ensure school system assets are properly valued and protected.
2. Ensure cash, accounts receivable and other asset accounts are reconciled.
3. Ensure school system assets are protected against loss, misappropriation or theft.
4. Ensure inventory items are available when needed.
5. Ensure inventory is necessary and reasonable.
6. Ensure all capital assets and inventories are properly recorded.

Policies

1. Finance Director reconciles all bank and investment accounts on a monthly basis within 15 days of receipt of a bank statement.
2. Bank accounts are appropriately collateralized.
3. All bank accounts are held in the School System's name.
4. All assets with a value of \$100 or more must be tagged.
5. The School System keeps an asset and inventory log that is updated as assets are acquired and disposed of.

Procedures

- Finance Director reconciles all bank and investment accounts monthly and gives to Superintendent for review and approval.
- All reconciliations are kept in Finance Director's office.
- All employees who handle school monies are bonded and all accounts are in the School System's name and properly collateralized.
- When new assets are acquired, the designated employees record them on the appropriate list (inventory or capital assets). If the item is over \$100 he/she will affix an asset tag.
- When items are determined to be surplus, destroyed, or need to be sold, the Technology Department is responsible for editing the inventory and asset logs.
- Annually, the Technology designee and Finance Director will review the fixed asset listing. The fixed asset list is provided to auditors annually.

Reconciliation of Accounts

Objectives

1. Ensure that all bank and investment accounts are recorded and reconciled.
2. Ensure that change funds are secure and properly accounted for.

Policies

1. Finance Director reconciles all bank and investment accounts on a monthly basis within 15 days of receipt of the bank statement.
2. Cash drawers are locked.
3. All accounts are accounted for in the general ledger.

Procedures

- Monthly, the Finance Director reconciles all general ledger accounts with the bank statements.
- CFO reviews and approves all reconciliations.
- All signed reconciliations are filed in the Finance Director's office.
- All cash drawers are counted down daily and locked.
- Deposits are made within the three (3) day rule and verified by multiple employees.
- All accounts (assets, liabilities, revenues, and expenditures) are listed within the accounting software.
- The State of Tennessee's Uniform Chart of Accounts is used, and all active account numbers are in the accounting software.
- Trial balances are periodically pulled and reviewed by the Finance Director.

Control of Investments

Objectives

1. Ensure investments are safe and in accordance with adopted investment policy.
2. Ensure that investments are authorized and provide for maximum returns with minimum risks.
3. Ensure investments comply with legal requirements.
4. Ensure investments are recorded accurately.

Policies

1. The Superintendent is authorized to invest excess funds of Lakeland School System.
2. Interest earned shall be credited to the appropriate funds and revenue codes.

Procedures

Other Post-Employment Benefits (OPEB)

- The Board of Education approves OPEB trust contributions as part of the annual budget. Upon Superintendent's approval, the Finance Director issues payment to the OPEB trust.
- The School System has an actuarial at least every two (2) years, and annually, auditors record OPEB liability.

LGIP (Local Government Investment Pool)

- Funds invested in the LGIP, with Superintendent's approval, can be wired between the School System's account and the LGIP.
- All interest earned on the LGIP is receipted into the proper fund and revenue code.
- The LGIP statement is printed monthly and reconciled by the Finance Director.
- The reconciliation is given to the CFO to verify and approve.
- Signed reconciliation statements are kept in the Finance Director's office.

Debt Management

Objectives

1. Ensure that state and federal regulations are understood and followed in regard to issuance of debt.
2. Ensure that all grant regulations are understood and followed in regard to issuance of debt.
3. Ensure that note disclosures in the financial statements contain all required elements.

Policies

1. All debt issuances are made in compliance with state law
2. All transfers are examined to ensure they do not meet qualifications to be classified as debt.
3. All debt issuances will only be made after approval of the Board of Education.

Procedures

- LSS complies with all legal requirements for notices and public meetings related to issuing debt.
- In the interest of transparency, all associated costs (including interest, issuance, continuing, and one-time) are disclosed in a timely manner.
- Professionals involved in debt transaction are required to disclose any conflicts of interest.

Grant Management

Objectives

1. Ensure that all grant requirements are met.
2. Ensure that all grant transactions are properly recorded.
3. Ensure that matching funds are available and approved.

Policies

1. Every department must notify the Finance Director when a grant application is submitted and awarded.
2. All grant applications must be approved by the Superintendent, and all grants with matching requirements must be approved by the Board of Education prior to submission of the application.
3. Once awarded, a detailed budget is prepared outlining the grant.
4. Grant management responsibilities are assigned to an appropriate employee for every grant.

Procedures

- Appropriate personnel complete grant application and submit to Superintendent for approval. If the grant requires matching funds or maintenance of effort, the application must be approved by the Board of Education and budgeted for in annual budget or via budget amendments.
- A copy of the grant application and award letter is given to Finance Director. The Finance Director assigns a project code specific to the grant for tracking in the accounting system.
- The awarded grant has an approved budget detail in E-Plan and that budget is entered into school system accounting software. If any amendments need to be made to the grant budget, state approval is required.
- The Superintendent assigns grant management responsibilities to the appropriate employee. Finance Director submits grant reimbursement requests. Grant reimbursements are issued through ACH and receipted to the G/L. The grant manager reviews grant periodically to ensure that funds are properly expended.

INFORMATION AND COMMUNICATION

Overview

Management has the responsibility to adequately communicate information to both internal and external parties. It is important that employees know the objectives, policies and procedures management has established and what the expectations are for internal controls. External stakeholders may also seek information regarding objectives and reliable financial information.

Objectives

1. Necessary information for achieving the entity's objectives is available and used.
2. Necessary information for achieving the entity's objectives is internally communicated by management.
3. Necessary information for achieving the entity's objectives is externally communicated by management.

Policies

1. Information maintained in a format should be communicated in that same format. For example, if the general ledger is maintained on computer, the monthly budget to actual reports should be provided through a computer generated report from that software package.
2. Reliable and accurate information from Lakeland School System must be communicated to the people who need it in a timely and useful format.
3. Because the credibility of Lakeland School System, its Board of Education, and its employees is at stake whenever information is released to outside parties, management should be confident the information being released is accurate and in compliance with policies and procedures.
4. The Board of Education communicates the types of information required to achieve their objectives and mitigate risk.

Procedures

- The staff of Lakeland School System is required to submit quality information that allows the Board of Education to make informed decisions and evaluate whether the school system is achieving its objectives.
- Lakeland School System clearly defines lines of communication through the policy manual and organizational chart.
- The internal control manual is available to all staff via the Lakeland School System website.
- Lakeland School System abides by Tennessee's Open Records laws for communicating with external parties, which includes the redaction of sensitive information.
- System generated reports pulled from various software programs are available in both electronic and printed formats.
- Information presented to the Board of Education is provided on a monthly basis and is also available upon request

MONITORING

Overview

The internal control system changes as technology, staff, objectives and policies change. Management is charged with continually monitoring the internal control system to determine if it is operating as designed and to ensure the policies are being followed.

Objectives

1. To practice activities that monitor the internal control system and evaluate the results.
2. To address deficiencies noted in the internal control system in a timely manner.

Policies

1. To ensure that internal controls do not deteriorate and continue to work as designed over time, an annual risk assessment will be conducted by Lakeland School System.
2. To establish more efficient and effective operations over time.
3. To ensure that accurate and reliable financial information is used in decision-making.

Procedures

- Monitor internal control through built-in monitoring activities and separate periodic evaluations and document the results.
- Evaluate differences to determine if:
 1. Changes in internal control have occurred but have not been documented
 2. Internal control has not been properly implemented
 3. Internal control design changes are needed.
- All accounts with financial institutions (checking, savings, investment, etc.) will be reconciled to the general ledger within 15 days of receipt of any statement from the financial institution.
- The above reconciliation will include a listing of outstanding checks and will be reviewed by the Superintendent.
- Reports comparing actual to budget amounts for revenues and expenditures will be generated monthly and reviewed by those in a position of authority over financial operations. Those in a position of authority include, but are not limited to, the Bookkeeper, Finance Director, CMFO, CFO, Superintendent, and Board of Education.

4 SUMMARY

The framework of this manual complies with the state requirements and was created using the Green Book as guidance. This manual will be reviewed annually and updated as needed. All members of Lakeland School System will be required to abide by the policies and procedures outlined in this manual and it will be made available for reference on the school system website.

In turn, Lakeland School System will abide by the Internal Control and Compliance Manual for Governmental Entities and other Audited Entities in Tennessee issued by the Comptroller. This policy manual does not supersede the requirements outlined in the Administration of Federal Education Programs Uniform Grant Guidance policy manual. Application of the policies and procedures will default to whichever policy manual is most stringent in its requirements.

Meeting Cycle: Thursday, June 10, 2021

Subject: **Resolution** - adopting a revised Internal Control Manual of the City of Lakeland. *Sponsored by Michael Walker*

Staff Contact: Michael Walker, Finance & HR Director

STAFF RECOMMENDATION

City Staff recommends that the Board of Commissioners approve the attached Resolution adopting the revisions to the City's Internal Control manual.

BUDGET IMPACT

The Internal Control Manual, and related documented controls, are a key component of the City's strategy to maintain fiduciary and budgetary control over the City's finances.

DISCUSSION

Since 2015, State law has required each municipality within Tennessee to formally document and update annually their system of internal controls. The City's system of internal control is documented in the Internal Control Manual.

For 2021, the City's Internal Control Manual has been updated in form and content to conform more closely to the State of Tennessee Internal Control Manual for Municipalities published by the Comptroller of the Treasury.

RESOLUTION R-43-2021

A RESOLUTION ADOPTING A REVISED INTERNAL CONTROL MANUAL OF THE CITY OF LAKELAND, TENNESSEE

WHEREAS, the Tennessee Comptroller of the Treasury, in accordance with TCA § 9-18-102, has directed municipalities and educational institutions to adopt an internal control manual that addresses the five (5) components of internal control on or before June 30, 2016; and

WHEREAS, the City of Lakeland has made changes to its policies and procedures since the adoption of the Internal Control Manual on June 27, 2016.

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of the City of Lakeland, Tennessee, that the revised Internal Control Manual of the City of Lakeland, attached hereunto, is hereby adopted.

PASSED AND ADOPTED by the Board of Commissioners of Lakeland, Tennessee on this 10th day of June 2021.

INTERNAL CONTROL MANUAL

Introduction

The City of Lakeland (the “City”) has the responsibility to its taxpayers, ratepayers, and constituents to be good stewards of public monies and property. Additionally, as a local government in the State of Tennessee the City must establish and maintain an adequate internal control system for purposes of financial reporting, managing operations, and legal compliance.

Various state statutes require officials to adopt and use the system and the character of books, reports, and records designated by the Comptroller of the Treasury. An accounting system is defined as the methods and records established to identify, assemble, analyze, classify, record, and report a government’s transactions and to maintain accountability for the related assets and liabilities. Those methods would necessarily include establishing, documenting, and implementing adequate internal controls. Among these requirements are Section 9-2-102, *Tennessee Code Annotated* (“TCA”) and Section 9-18-102(a), TCA (the latter of which was amended to expressly require each municipal government to establish and maintain internal controls).

The City is also required to maintain a system of internal control as a recipient of federal awards. The U.S. Office of Management and Budget (“OMB”) has established internal control guidance for all entities that receive federal awards as Code of Federal Regulations (“CFR”) 200.303. This guidance requires all entities to establish and maintain an effective system of internal control over federal awards. The OMB guidance further recommends implementing a system of internal control in accordance with internal control standards published by the U.S. Government Accountability Office (“GAO”) in *Standards for Internal Control in the Federal Government* (the “Green Book”), as one method of complying with CFR 200.303.

This *City of Lakeland Tennessee Internal Control Manual* (the “Manual”) also complies with the *Internal Control Manual for Local Governmental Entities and Other Audited Entities in Tennessee* issued by the Tennessee Comptroller of the Treasury.

What is Internal Control?

The GAO has established a common definition of internal controls, standards, internal control components, principles, and attributes in the GAO Green Book. Because this GAO Green Book framework is widely accepted, it is used as the basis for all City internal control matters covered in this Manual.

Definition of Internal Control:

Internal control is a process that is developed to provide reasonable assurance that the following categories of objectives will be achieved:

- **Reporting** – financial reporting will be reliable;
- **Operations** – operations will be effective and efficient; and
- **Compliance** – applicable laws, regulations, contracts, and grant agreements will be followed.

INTERNAL CONTROL MANUAL

The above definition reflects certain fundamental concepts. Those concepts are:

- Internal control is geared to the achievement of objectives in one or more separate but overlapping categories.
- Internal control comprises the plans, methods, policies, and procedures used to fulfill the mission, strategic plan, goals, and objectives of the City.
- Internal control is an integral part of the organization not a separate system within the organization.
- Internal control is a process. It is a means to an end, not an end in itself.
- Internal control is affected by people. It is not merely policy manuals and forms, but people at every level of the City.
- Internal control increases the likelihood that the City will achieve its objectives. However, it can only be expected to provide reasonable assurance, not absolute assurance, that all the City's objectives will be met.

The process of achieving the objectives stated above through Internal Control is illustrated below in Figure 2 from the GAO Green Book.

Figure 2: Achieving Objectives through Internal Control

How Does Internal Control Work?

The City's system of Internal Control applies to all functions, operating units, and divisions. The GAO Green Book approaches internal control through a hierarchical structure of five (5) components and seventeen (17) principles. The Green Book also contains additional information in the form of attributes. Attributes in this Manual are presented under the sub-heading title "This Involves" throughout this Manual. These attributes provide further explanation of the principles and documentation requirements.

FIVE (5) MAIN COMPONENTS OF INTERNAL CONTROLS:

1. **Control Environment** – the foundation for an internal control system
2. **Risk Assessment** – assesses the risks facing the organization as it seeks to achieve its objectives
3. **Control Activities** – the actions management establishes through policies and procedures to achieve objectives and respond to risks in the internal control system
4. **Information and Communication** – the quality of information management and personnel community and use to support the internal control system

INTERNAL CONTROL MANUAL

5. **Monitoring** – activities management establishes and operates to assess the quality of performance over time and promptly resolve the findings of audits and other reviews

There is a direct relationship between the City's objectives, the five components of internal control, and the organizational structure of the City. The seventeen principles support the components of internal control. The relationship of the objectives and components of internal control to the City's functions, operating units, and divisions is typically illustrated by a cube diagram used in the GAO Green Book as Figure 4.

What is the Purpose of this Internal Control Manual?

The purpose of this Manual is to ensure that the objectives of reporting and compliance are established. The policies to achieve the objectives are derived from various financial best practices and state and federal laws and regulations. Policies may be developed to suit specific needs of City functions and resources. Detailed procedures are then proscribed and followed as a means for the City to comply with its established policies.

INTERNAL CONTROL MANUAL

Five Components of Internal Control

1. Control Environment

The control environment is the foundation for all other components of internal control. There are five principles related to the control environment. These are listed below, specific to the City of Lakeland.

1. *The Board of Commissioners and management demonstrate a commitment to integrity and ethical values.*

This involves:

- Setting the foundational tone at the top
- Establishing standards of conduct
- Enforcing adherence to standards of conduct

Policies:

- The governing body through management has adopted a personnel manual (Employee Handbook) that details policies, expectations, and other employment-related topics.
- Each employee receives a copy of the city's Employee Handbook, which includes a policy on business ethics and conduct, and signs an acknowledgement of receipt.
- The governing body has adopted a financial policies manual that details expectations surrounding the annual budget process, ethical conduct, long-term financial planning, and other key financial areas.

Procedures:

- The Finance and Human Resources Director reviews the Employee Handbook annually to determine needed revisions to comply with federal and state laws, as well as practices of the city.
- The City Manager reviews suggested revisions, if any, by the Finance and Human Resources Director and presents the revised Employee Handbook or individual policies contained therein, as applicable, to the Board of Commissioners for approval.
- The City holds annual required training where human resource topics are covered. The code of conduct and the Employee Handbook are always part of the training.

INTERNAL CONTROL MANUAL

2. The Board of Commissioners oversees the City's internal control system.

This Involves:

- Establishing an oversight structure
- Determining who will be responsible for oversight of the internal control system
- Establishing a method for remediation of deficiencies

Policies:

- On an annual basis, the Board of Commissioners ensures that the *City of Lakeland Internal Control Manual* is updated in accordance with State statute.
- Changes and revisions to the City's financial policies, Employee Handbook, and/or internal control manual are approved by the Board of Commissioners.

Procedures:

- The internal control manual is updated annually by the Finance and Human Resources Director.
- Changes are reviewed by the City Manager prior to presentation to the Board of Commissioners for approval.
- The Finance and Human Resources Director, with City Manager oversight and review, proposes changes to the Employee Handbook and the city's financial policies as needed.
- Any changes from the procedures above are presented to the Board of Commissioners in an official open meeting and approved and effective upon passage of a board resolution or ordinance.

3. The Board of Commissioners has established an organizational structure, assigned responsibility, and delegated authority to achieve the City's objectives.

This Involves:

- Establishing an organization structure
- Assigning responsibility and delegating authority within the organizational structure
- Documenting the internal control system

Policies:

- Organizational charts are reviewed periodically for needed changes regarding authority and responsibility.
- An up-to-date internal control manual is maintained.

INTERNAL CONTROL MANUAL

Procedures:

- City organizational charts were developed based on the City structure required in the City charter.
- The charts are reviewed periodically as job descriptions and positions are added or changed to determine if the reporting structure, authority, and responsibility documented in the chart is still accurate (*see current Organizational Chart at the end of this section*).
- The internal control manual is updated annually by the Finance and Human Resources Director, reviewed by the City Manager, and formally approved by the Board of Commissioners.

4. The Board of Commissioners and management demonstrates a commitment to recruit, develop, and retain qualified and competent individuals.

This Involves:

- Developing expectations of competence
- Recruitment, development, and retention of individuals
- Succession and contingency plans and preparation

Policies:

- The Employee Handbook is maintained with up-to-date policies that address:
 - Job description requirements
 - Employee benefits
 - Business continuity in cases of emergency
- Job descriptions are maintained for each City staff position.

Procedures:

- Department heads review employee job descriptions annually and propose needed changes to the Finance and Human Resources Director.
- The Employee Handbook is updated as needed by the Finance and Human Resources Director, reviewed by the City Manager, and formally approved by the Board of Commissioners.
- Background checks are performed for all employees.

5. Management evaluates performance and holds individuals accountable for internal control responsibilities.

This Involves:

- Enforcing accountability
- Consideration of excessive pressures

INTERNAL CONTROL MANUAL

Policies:

- Management conducts annual performance evaluations on all City staff.
- The Board of Commissioners uses the budget process as a means of oversight with department heads.

Procedures:

- The City Manager disseminates and ensures completion of performance evaluations for all positions, by all management personnel, on an annual basis.
- The Finance and Human Resources Director prepares the annual budget beginning in January, with input from the City Manager and department heads, using historical data from the three (3) previous years. The Finance and Human Resources Director also coordinates and prepares an annual capital budget, a five-year CIP projection, and a long-term financial plan as components of the Annual Budget document.
- The proposed budget is presented to the Board of Commissioners during at least one (1) budget workshop. The City Manager, Finance and Human Resources Director, and all department heads are present to explain their budgets or request additional funding.
- The budget ordinance is prepared for first reading in May and second reading and final passage in June. The required public notice is published in a local newspaper no less than ten (10) days prior to the second and final reading.

2. Risk Assessment

Having established an effective control environment, management assesses the risks facing the entity as it seeks to achieve its objectives. Generally speaking, risk assessment means asking questions about what could go wrong. There are four (4) principles related to risk assessment.

1. *Management defines objectives clearly to enable the identification of risks and risk tolerances.*

This Involves:

- Defining the City's objectives
- Defining the City's tolerance or threshold for risk

Policies:

- The Annual Budget shall include the City's mission, vision statements, and goals (Board of Commissioner priorities) as a guiding document for the identification of the City's objectives and related risks.
- City officials and management assess risk of operations continually. The city has chosen to transfer the most common types of risk through the purchase of the following types of insurance:
 - Property and Casualty
 - Liability
 - Errors and Omissions
 - Worker Compensation
 - Surety Bonds

Procedures:

- The Finance and Human Resources Director obtains and/or renews surety bonds of at least \$10,000 for all City officials and staff with access to City financial assets.
- The Board of Commissioners meets annually to define City objectives and goals as part of the Annual Budget process, and assesses the risks related to City objectives.

2. *Management identifies, analyzes, and responds to risks related to achieving the defined objectives.*

This Involves:

- Identification of risks
- Analysis of risks
- Response to risks

INTERNAL CONTROL MANUAL

Policies:

- The *Internal Control Manual* shall be updated annually to include documentation of the City's –
 - risks associated with the City's objectives;
 - methodology for determining if the risk identified is material to the City; and
 - actions (control activities) taken to mitigate the risks.

Procedures:

- The Finance and Human Resources Director prepares an updated *Internal Control Manual* annually, for review by the City Manager and approval by the Board of Commissioners in their June meeting.
- The risks identified in the *Risk Identification* section below are reviewed annually and updated, as necessary.

3. Management considers the potential for fraud when identifying, analyzing, and responding to risks.

This Involves:

- Considering what types of fraud could occur
- Examining the fraud risk factors
- Responding to any identified fraud risks

Policies:

- The City's [Anti-Fraud Policy](#) addresses the process for the preventing and responding to fraud risks. The *Internal Control Manual* updated annually shall include the identification of fraud risks and related control activities, in the respective sections, to reduce the opportunity for fraud to occur.

Procedures:

See Procedures in Risk Assessment Principle 2. above.

4. Management identifies, analyzes, and responds to significant changes that could impact the internal control system.

This Involves:

- Identification of changes in accounting principles, accounting systems, personnel, laws, the business environment, etc.
- Analysis of and response to these changes

Policies:

- Annual training by authoritative and competent organizations is required for personnel involved in internal controls over financial reporting.

INTERNAL CONTROL MANUAL

Procedures:

- The Finance and Human Resources Director obtains annual training through various accounting organizations to remain current on new accounting and auditing standards.
- Directors involved in state or federal grant programs obtain related training on grant requirements as needed.
- The City Manager considers technological developments, employee turnover, new programs, new laws and regulations, and economic growth or decline on an annual basis during consideration of changes in internal controls.

INTERNAL CONTROL MANUAL

RISK IDENTIFICATION

There are risks the City cannot anticipate or know about, and as it relates to financial and compliance issues, the City has assessed the following areas and identified certain risks that need to be addressed by the development of internal control policies and procedures. Internal controls will not eliminate all risk but will help reduce risk to gain reasonable assurance that reporting and compliance objectives outlined in this Manual are being met.

Objectives

1. **Collections** are complete, timely, and accurate.
2. **Disbursements** are for valid city purposes and properly recorded.
3. **Assets** are properly safeguarded.
4. City is in **compliance** with contractual, local, state, and federal laws and regulations.

Materiality of Risks

For the purposes of this document, materiality is defined quantitatively as the risk of financial loss to the City in excess of \$10,000. Qualitative materiality factors, however, have also been considered in the identification of the risks below.

Risks

1. **Collections/ACHs**
 - a. Collections could be lost or misappropriated.
 - b. Collections could be recorded improperly.
 - c. Collections may not be deposited in the bank and recorded timely.
2. **Disbursements/Drafts**
 - a. Disbursements could be unauthorized.
 - b. Disbursements could be for personal items.
 - c. Disbursements could be made for items never received.
3. **Safeguarding of Assets**
 - a. Bank balances may be inaccurate due to failure to reconcile bank accounts.
 - b. Capital assets or inventory items could be missing.
 - c. Inventory is not available when needed.
4. **Compliance**
 - a. Grant funds could be spent for unallowable items.
 - b. Grant rules may not be followed which could result in having to return federal funds.
 - c. Federal reporting requirements were not met.

The significant areas of risk are identified above, and policies and procedures are documented in the *Control Activities* section regarding the City's internal controls to help reduce the key risks associated with these areas of operations.

INTERNAL CONTROL MANUAL

3. Control Activities

Control Activities are the actions management establishes through internal control policies and procedures to achieve objectives and manage risks. Fundamental examples of control activities include issuing receipts and purchase orders, reconciling the bank statement, and division (i.e., segregation) of duties. There are three (3) principles related to control activities.

Detailed procedures are documented in this section. The objectives, policies, and implemented procedures are described for each of the significant areas identified in the Risk Assessment section.

1. Management designs control activities to achieve objectives and respond to risks.

This Involves:

- Responding to identified objectives and risks
- Designing appropriate types of control activities
- Designing control activities at various functional and structural levels
- Adequately dividing (i.e., segregating) duties among employees

Overall Policy:

- This section of the Manual is reviewed annually by the Finance and Human Resources Director and reviewed and approved by the City Manager and Board of Commissioners. Detailed procedures are to be documented below and designed to address the City's objectives and risks identified in the prior sections of the Manual.

Specific Policies and Procedures in Response to Objectives and Risks:

Collections/ACHs

Objectives

- Collections are complete, timely, and accurate.
- Collections are safeguarded.
- Collections should be recorded accurately and timely in the accounting system.

Policies

- All collections will be receipted to the appropriate fund and revenue code and recorded in the general ledger daily by the Administrative Assistant and/or Senior Center Manager, as appropriate.
- A pre-numbered receipt will be issued for each collection made.
- The cash drawer and payment lockbox will be reconciled monthly by two people and the receipt log will be signed.

INTERNAL CONTROL MANUAL

- No checks will be cashed from the cash drawer.
- All funds will be deposited within three (3) business days.
- The cash drawer will be locked when unattended and placed in a designated area after hours.
- At no time will cash be left out in the open unattended.
- Collections and associated receipts will be immediately placed in the payment lockbox.
- Employees are prohibited from comingling city assets with personal assets.
- Chart of accounts codes will be reviewed with the Administrative Assistant and Senior Center Manager on a regular basis.
- All daily collection reports are posted to the general ledger by the accounting system at the end of each business day as part of the Administrative Assistant's daily closing process.
- Segregation of duties shall be maintained between access to cash receipts and recording, through the review of daily collection reports by the Finance Clerk and monitoring by the Finance and Human Resources Director.
- Reconciliations of the City's bank accounts, including cash receipts, are performed monthly by the Finance and Human Resources Director.

Procedures

- The Administrative Assistant will enter all collections immediately in the accounting system using the correct fund and revenue code.
- The Administrative Assistant and/or Senior Center Manager will immediately stamp all checks "for deposit only" in the appropriate fund bearing the city's name.
- A pre-numbered receipt is issued for all collections by the accounting system. Receipt lists date, amount, payer, proper accounting code, cash or check and is signed by cashier. One copy is given to every customer and one copy is retained with the daily receipt log with proper backup documentation.
- The cashier will reconcile his/her cash drawer monthly. All collections will be put into the payment lockbox and retrieved daily by the Finance Clerk for review, verification, and preparation of the deposit.
- The prepared deposit will be given to the Finance and Human Resources Director to review and verify.
- The Finance and Human Resources Director (or their designee) will deliver the deposit to the bank within three (3) business days of collection.
- The deposit will be secured in the office of the Finance and Human Resources Director or their designee until it is delivered to the bank.

INTERNAL CONTROL MANUAL

- The deposit receipt will be returned to the Finance Clerk for reconciliation with the receipt log and general ledger report.
- The Finance and Human Resources Director will reconcile the bank statements monthly and the City Manager will review reconciliations. Dates will be compared to deposit records for timeliness. Receipts will be reviewed for accurate amounts, coding, proper signature, and other required information.
- The cashier retains the key to the cash drawer. The drawer is always to remain locked when unattended.
- The cash drawer will be locked in a designated area after hours and on weekends.
- The cash drawer will be reconciled monthly by two people and a cash report will be signed by both employees.
- The payment lockbox will be reconciled monthly by the Finance Clerk. The lockbox will remain locked at all times and the Finance Clerk will have the only key.
- The Finance and Human Resources Director will periodically perform surprise cash counts to ensure there are no personal checks being held in the cash drawers and to ensure the drawers are in balance.
- The cashier posts the daily transactions to the general ledger after reconciling each day.
- The Finance Clerk will review the transactions for accuracy and make any adjustments or changes with the approval of the Finance and Human Resources Director.
- The Finance and Human Resources Director will reconcile the daily cash reports, deposit slips, and bank statements monthly.

Disbursements/Drafts

Objectives

- Disbursements are for a valid city purpose and necessary.
- Disbursements are timely.
- Disbursements are accurately coded and recorded in the accounting system.
- Disbursements are legally appropriated.

Policies

- The city has adopted purchasing policies that comply with state law.
- Various levels of authority have been assigned.

INTERNAL CONTROL MANUAL

- Purchase orders and packing slips are matched (typically electronically through the City's ERP system) and given to the Finance Clerk for payment as soon as possible.
- Checks are processed weekly to ensure timely payment of invoices.
- All invoices require electronic approval by a departmental Director and City Manager within the accounting system before checks are processed.
- All invoices have documentation attached electronically before being submitted for electronic approval.

Procedures

- All purchases will be made in accordance with the City's purchasing policy.
- Employees will complete a requisition in the ERP system for all purchases in order to encumber the funds. The employee's supervisor will review and authorize the requisition electronically.
- The accounting system will notify an employee if adequate funds are not available for any requisition, and the requisition will not be processed until available funds have been allocated by way of a budget transfer or amendment.
- Budget transfers are only recorded by the Finance and Human Resources Director.
- After a requisition has been approved, the employee will be notified that a purchase order has been generated.
- Employees will provide printed purchase orders to vendors when a purchase is made.
- The Finance Clerk will verify that packing slips and purchase orders match before payment of invoices.
- The Finance Clerk will prepare weekly invoice batches using backup documentation and present the batches to the Finance and Human Resources Director for review and approval of expenditure codes.
- The Finance and Human Resources Director verifies all expenditure codes for accuracy and availability of funds prior to the Finance Clerk processing invoice payments.
- The approving departmental Director and City Manager review backup documentation and electronically approve all invoices in the accounting system before a check is generated.

INTERNAL CONTROL MANUAL

Safeguarding of Assets

Objectives

- Ensure city assets are properly valued and protected.
- Ensure cash and other asset accounts are reconciled.
- Ensure investments are safe and in accordance with adopted investment policy.
- Ensure city assets are protected against loss, misappropriation, or theft.
- Ensure inventory items are available when needed for use.

Policies

- All bank account statements (checking, savings, investments, etc.) are reconciled to the general ledger accounts within 30 days of the date of the statement.
- All bank accounts are appropriately collateralized. Bank accounts maintained in the State Collateral Pool are classified as “Public” on the bank’s records.
- All bank accounts are held in financial institutions under the city’s name and only authorized employees (two signatures required) are allowed to open new accounts with the approval of the Board of Commissioners.
- All withdrawals, checks, liquidations, etc., from any bank account require two signatures.
- All investments require two signatures.
- All depository activity is maintained in compliance with the City’s Financial Policies Manual.
- Inventory records contain enough information to readily identify corresponding capital assets. Capital assets are tagged or otherwise identified during a physical inventory that is performed annually.
- Proper safeguards are in place to prevent theft or loss of assets.

Procedures

- The Finance and Human Resources Director reconciles the bank account statements to the general ledger on a monthly basis using an account analysis of each cash account.
- The City Manager reviews and approves the reconciliations and any adjustments to the general ledger.
- Outstanding reconciling items aged more than ninety (90) days are reviewed by the Finance and Human Resources Director, and appropriate action is taken to resolve the items (such as voiding and re-issuing checks, remittance to the State of Tennessee of unclaimed property).

INTERNAL CONTROL MANUAL

- Any requests for new bank accounts are presented to the Board of Commissioners for approval. If approved, the Finance and Human Resources Director and City Manager will complete the necessary paperwork to open the new account in the city's name and ensure that the bank holds the funds in a fully collateralized account.
- The Finance and Human Resources Director will annually review the accounts for accuracy of signers and proper collateralization.
- Assets valued in excess of \$500 will be appropriately marked or tagged.
- The Finance and Human Resources Director coordinates an inventory count of significant assets on an annual basis through the review process for insurance renewal. Disposal of inventory is done in a way that sensitive information cannot be retrieved.
- Insurance policies are reviewed and renewed annually for accuracy of covered assets.
- Surety bonds are renewed on an annual basis for all employees that handle cash.

Compliance

Objectives

- Ensure that state laws regarding the issuance of debt are followed.
- Ensure that state and federal grant regulations are understood and followed.
- Ensure that note disclosures in the financial statements contain all required elements.

Policies

- The city has adopted and maintains a debt management policy in accordance with state requirements.
- The Finance and Human Resources Director and City Manager consult with the city's financial advisor on all debt-related issues.
- Every department must notify the Finance and Human Resources Director when an application for 100% grant funding is submitted and subsequently awarded.
- All grants with matching requirements must be approved by the City Manager and Finance and Human Resources Director, and subsequently approved by the Board of Commissioners, prior to submission of application.
- Once awarded, the Finance and Human Resources Director is to be notified of the project budget and detailed expenditure requirements of the grantor agency.

INTERNAL CONTROL MANUAL

- The Finance and Human Resources Director must be provided with the grant contract information, grant or contract numbers, and whether the grant is state or federal funds.
- The Finance and Human Resources Director will amend the budget as necessary to accommodate awarded grant revenues and expenditures.

Procedures

- The City Manager and Finance and Human Resources Director annually review the debt management policy.
- Before the issuance of debt, the Finance and Human Resources Director consults with the city's financial advisor to determine the impact or implications to the city's financial well-being.
- Department heads are responsible for working with the Finance and Human Resources Director to submit all grant applications.
- All grant applications for grants requiring matching funds will be presented to the Board of Commissioners for approval before submission to ensure that funding will be made available.
- The Finance and Human Resources Director will determine any needed budget amendments upon receiving notice of award for any grant funds. The budget amendments will be presented to the Board of Commissioners for approval.
- Grant management responsibilities will be assigned to an appropriate employee for every grant.
- The Finance and Human Resources Director will be notified when any reimbursements have been submitted so that the revenue can be allocated to the appropriate revenue code.
- A copy of every grant application and contract will be filed with the City Recorder and secured electronically.

2. Management designs the City's computerized information system and related control activities to achieve objectives and respond to risks.

This Involves:

- Design of the City's information system
- Design of appropriate types of control activities
- Design of information technology structure
- Design of security management
- Design of information technology acquisition, development, and maintenance

INTERNAL CONTROL MANUAL

Policies:

- The GIS and Information Systems Director, with oversight by the City Manager, develops and periodically reviews and updates guidelines for information technology, including:
 - the types of computerized information required to be compiled to meet City objectives,
 - computer application controls necessary to ensure that information is valid, complete, and accurate,
 - general computer controls addressing security management procedures, contingency plans, configuration, logical and physical access,
 - information technology infrastructure needs and the controls needed to ensure that adequate resources are available to meet the reporting needs,
 - external and internal security risks and the controls necessary to limit exposure to unauthorized access, corruption of data, or other misappropriation of information, and
 - controls necessary to ensure that technology acquisition, development, and maintenance activities are authorized, necessary, and properly integrated throughout the organization.

Procedures:

- Requests for additions or revisions to the City's information systems are approved by the City Manager with consultation from the GIS and Information Systems Director.
- The GIS and Information Systems Director is responsible for new information systems hardware acquisitions and integration.
- The Finance and Human Resources Director and GIS and Information Systems Director ensure that accounting systems contain adequate system controls to protect against unauthorized access and use.
- The GIS and Information Systems Director is responsible for ensuring that information technology systems are adequate, secure, restricted to authorized use, and ultimately meet the City's information system needs.

3. Management implements control activities through policies.

This Involves:

- Documentation of responsibilities through policies
- Periodic review of control activities

Policies:

- The *City of Lakeland Internal Control Manual* is reviewed and updated on an annual basis.

INTERNAL CONTROL MANUAL

- The City's financial policies and procedures manual, Employee Handbook, and anti-fraud policies are reviewed annually and updated as changes are needed.

Procedures:

- On an annual basis the Finance and Human Resources Director reviews this Manual, the financial policies and procedures manual, the Employee Handbook, and the anti-fraud policy to determine if changes are needed.
- Potential changes are first presented to the City Manager for review and approval.
- Approved changes are presented to the Board of Commissioners for review and approval via resolution or ordinance, as applicable.
- Changes to information systems policies and procedures are determined by the GIS and Information Systems Director, reviewed by the City Manager, and approved by the City Manager or Board of Commissioners, depending upon the level of significance of changes or policies.

INTERNAL CONTROL MANUAL

1. Information and Communication

Management is responsible for developing and providing internal and external information. This information supports the internal control system and validates its existence. There are three (3) principles related to information and communication.

1. Management uses quality information to achieve the City's objectives.

This Involves:

- Identifying the City's information requirements
- Gathering relevant data from reliable sources
- Processing data into quality information

Policies:

- On a regular and recurring basis, management (department heads and the City Manager) –
 - reviews and documents the information requirements to achieve key objectives and address the risks of the City,
 - reviews and documents changes that occur in the City's objectives and the related changes in information requirements,
 - identifies and evaluates the reliability and timeliness of relevant data from both internal and external sources, and
 - reviews and evaluates whether data has been processed into quality information that allows management to make informed decisions and evaluates whether the City is achieving its objectives.

Procedures:

- Changes to information requirements and methods of delivery are reviewed and approved by the City Manager prior to implementation.

2. Management internally communicates the necessary quality information to achieve the City's objectives.

This Involves:

- Intentional communication throughout the City
- Deciding appropriate methods of communication

Policies:

- Management has clearly defined lines of communication through policy manuals and organizational charts
- Management communicates the types of information required to achieve objectives and address risks

INTERNAL CONTROL MANUAL

- Internal control documents and related reports are available to all staff in an appropriate method based on confidentiality and relevance to job responsibilities
- Appropriate information delivery systems have been determined for changes and updates
- Reports containing personally identifiable information or other protected or confidential information are available through communication methods that restrict internal and external access
- New employee orientation, annual human resources training, and the Employee Handbook are used to reinforce memo, email, internal network, and restricted communications

Procedures:

- The City maintains financial data in a computerized accounting system. Requests for financial information should be provided through a computer-generated report to maintain the integrity of the data.
- Any requests for data maintained in the city's asset management computerized system will be provided through a computer-generated report from that system to maintain the integrity of the data.
- The city complies with the Tennessee Public Records Act, Tennessee Open Meetings Act, and observes the guidelines provided by the Office of Open Records Counsel.
- All requests for information or records will be forwarded to the City Recorder to ensure compliance with state law.
- The City will redact all personally identifiable, confidential, or protected information in accordance with state law.
- Management clearly defines the lines of communication through policy manuals and organizational charts.

3. *Management externally communicates the necessary quality information to achieve the City's objectives.*

This Involves:

- Intentional communication with external parties
- Deciding appropriate methods of communication

Policies:

- Management has developed policies and procedures for the communication of information with external parties in compliance with the Tennessee Public Records Act, Tennessee Open Records Act, and other applicable federal, state, or local requirements.

INTERNAL CONTROL MANUAL

Procedures:

- All requests for information or records will be forwarded to the City Recorder to ensure compliance with applicable laws.
- The City will redact all personally identifiable, confidential, or protected information in accordance with state law.

INTERNAL CONTROL MANUAL

2. Monitoring

Things change - the Operating Environment, Laws, Accounting Principles, Technology, Resources, and People, etc. For this reason, internal control policies and procedures must constantly be monitored and improved or updated. There are two (2) principles related to monitoring.

1. *Management has established and operates monitoring activities to monitor the internal control system and evaluates the results.*

This Involves:

- Determining issues and deficiencies in the current internal control system
- Testing the internal control system against the intended design
- Evaluating the results of the monitoring tests and making necessary improvements or updates

Policies:

- The *City of Lakeland Internal Control Manual* is reviewed and updated on an annual basis to ensure that the City's objectives, risks, and control activities reflect current practice and are adequate.

Procedures:

- On an annual basis the Finance and Human Resources Director reviews this Manual and ensures that the objectives, risks, and control activities reflect current practice and are adequate – this includes:
 - The periodic review of significant purchases for the completion of required purchase orders, reviews, and approvals
 - Determining whether corrective actions or plans are needed for control failures
 - Determining whether the design of the internal control system needs to be changed or updated
 - Evaluating whether internal controls have been implemented but not documented and adding those controls to this Manual
- The Finance and Human Resources Director presents needed changes in the internal control system to the City Manager for approval

2. *Management remediates identified internal control deficiencies on a timely basis.*

This Involves:

- Reporting internal control issues and deficiencies to the responsible management representative
- Management should document reported internal control issues and deficiencies and evaluate each issue for corrective action

INTERNAL CONTROL MANUAL

- Actions should be taken to correct audit findings and other issues and deficiencies
- This may require action by the Board of Commissioners

Policies:

- The *City of Lakeland Internal Control Manual* addressing ongoing monitoring activities and requires corrective action plans be developed for identified failures in the internal control system.
- Audit findings and other significant findings are presented to the Board of Commissioners, along with management's recommended corrective action plans for oversight and approval.

Procedures:

- Management annually evaluates the state of the internal control system and determines any deviations from the designed criteria and the current condition of the system.
- Management makes a decision on whether to change the design of the internal control system or implement corrective actions to improve the effectiveness of the existing system.
- Members of management will periodically review the procedures outlined in this manual to ensure that policies are being implemented and objectives are being met.
- Financial reports will be generated monthly and reviewed by those in a position of authority over financial operations. Those in a position of authority include, but are not limited to, the Finance and Human Resources Director, City Manager, and Board of Commissioners.

INTERNAL CONTROL MANUAL

Summary

The framework of this manual complies with the state requirements and was created using the GAO Green Book as guidance. This manual will be reviewed annually and updated as needed. All employees of the City of Lakeland will be required to abide by the policies and procedures outlined in this manual, as well as any corresponding state laws. The manual will be made available electronically and in paper form.

The City of Lakeland will abide by the *Internal Control and Compliance Manual for Governmental Entities and other Audited Entities in Tennessee* issued by the Comptroller of the Treasury.

Subject: **Resolution** - approving the purchase of two Spartan Commercial Mowers for Parks Maintenance from Ladd's. *Sponsored by Pat O'Mara*

Staff Contact: Patrick O'Mara, Parks & Recreation Director

STAFF RECOMMENDATION

Staff recommends approving this resolution for the purchase of two commercial grade Spartan Mowers from Ladd's under state contract 66045 in the amount of Nineteen Thousand, Eight Hundred Thirty-Eight Dollars, and Forty Cents (\$19,838.40)

BUDGET IMPACT

This purchase is under state contracted rates under TN State Contract #66045. This purchase will be made using Park Development Funds.

DISCUSSION

Parks Maintenance is currently utilizing aging equipment. With Phase 1 of the Athletic Complex coming online in Fall 2021, replacing that equipment with these machines will allow staff to more efficiently maintain these new fields, as well as existing parks assets.

RESOLUTION R-45-2021

A RESOLUTION APPROVING THE PURCHASE OF TWO SPARTAN COMMERCIAL
MOWERS FOR PARKS MAINTENANCE FROM LADD'S.

- WHEREAS, the City of Lakeland desires to purchase two commercial mowers for Parks Maintenance in the Parks and Recreation Department; and,
- WHEREAS, the mowers are available for purchase from Ladd's; and,
- WHEREAS, funding for this work will be appropriated from Fiscal Year 2021 Park Development funds; and,
- WHEREAS, this purchase will be made under Tennessee State Contract #66045.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LAKELAND, TENNESSEE: That the City Manager is hereby authorized and directed to purchase two Spartan commercial mowers in the amount of Nineteen Thousand, Eight Hundred, Thirty-Eight Dollars, and Forty Cents (19,838.40)

PASSED AND ADOPTED by the Board of Commissioners of Lakeland, Tennessee on this 10th day of June 2021.

Subject: **Resolution** - authorizing the Finance and Human Resources Director to issue a request for proposals (RFP) for financial and compliance audit services for the fiscal year ending June 30, 2022. *Sponsored by Michael Walker*

Staff Contact: Michael Walker, Finance & HR Director

STAFF RECOMMENDATION

During the discussion and approval of the annual audit engagement of the City's current audit firm in February 2021, the Board of Commissioners indicated an interest in seeking proposals from other CPA firms to serve as the City's external auditor. Concerns were raised regarding auditor rotation as a means of ensuring the objectivity and independence of the external audit. Should the Board of Commissioners wish to change audit firms, the RFP process should begin early in fiscal year 2022 due to the requirement that audit contracts through the State of Tennessee are executed by February 2022.

There is some guidance and support for the seeking of RFP's for audit services and potential audit firm rotation, including:

1. The Government Finance Officers Association (GFOA) does recommend the competitive procurement of audit services; however, they also caution that the quality of the firm and their governmental experience are more important than price.
2. The Audit Manual for the State of Tennessee states that the Comptroller's Office encourages auditor rotation when a government engages a CPA firm to perform the annual audit. Auditor rotation can be effective only if a government has access to a sufficient number of interested and qualified firms.

However, there is also guidance and rationale for not rotating audit firms, including:

1. The GFOA also recognizes that Independence and objectivity of external auditors can be maintained through mandatory lead partner rotation within the CPA firm.
2. In the City's experience with our current auditors, Watkins Uiberall, PLLC, both staff and partners assigned to our audit have changed; the same personnel do not perform our audit as those who performed the audit even three years ago.
3. Studies have shown that audit failures occur at a much higher rate in the first three

years of an audit engagement, and the learning curve is high for the external auditor in the first three years of the engagement.

4. The City's current audit firm, Watkins Uiberall, PLLC, is the leading CPA firm of municipal governmental audits in Shelby County, TN, whose current clients include Shelby County, the City of Bartlett, the City of Germantown, the Town of Collierville, the City of Millington, and Arlington Community Schools.
5. The American Institute of Certified Public Accountants (AICPA) has routinely been opposed to mandatory audit firm rotation, and proposes instead that the lead partner be rotated at least every five years.
6. A potential change in audit firms as the result of an RFP could result in a loss of efficiencies of scale, loss of audit quality, and loss of knowledge and experience with the unique challenges of municipalities and their related school districts in Shelby County.

BUDGET IMPACT

The RFP process, and resulting selected audit firm, would result in a change in audit fees that would ultimately be appropriated in the Annual Budget for fiscal year 2023.

DISCUSSION

The points outlined above are intended to provide the Board of Commissioners with the information needed to make an informed decision on whether to began an RFP process that may result in audit firm rotation. City Staff remains open to discussion of the pros and cons of audit firm rotation, and ultimately is committed as always to following the will and direction of the Board of Commissioners.

RESOLUTION R-32-2021
AUTHORIZING THE FINANCE AND HUMAN RESOURCES DIRECTOR
TO ISSUE A REQUEST FOR PROPOSALS (RFP)
FOR FINANCIAL AND COMPLIANCE AUDIT SERVICES FOR
THE FISCAL YEAR ENDING JUNE 30, 2022

WHEREAS, the City of Lakeland Board of Commissioners desires to ensure independence and objectivity in the engagement of external financial and compliance auditors; and,

WHEREAS, the Board of Commissioners desires to periodically price and compare external audit fees available at market to fulfil the Board's fiduciary responsibilities to the citizens of Lakeland.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LAKELAND, TENNESSEE: That the Finance and Human Resources Director is hereby authorized and directed to issue a request for proposals from qualified certified public accounting firms duly licensed in the State of Tennessee for the performance of the City of Lakeland's annual financial and compliance audit for the fiscal year ending June 30, 2022, and the preparation of the comprehensive annual financial report, the scope of which shall include all funds and component units of the City of Lakeland and the Lakeland School System.

APPROVED AND ADOPTED by the Board of Commissioners of Lakeland, Tennessee this 10TH day of June 2021, the public welfare requiring it.

DISCUSSION

Accela is the software Memphis and Shelby County Office of Development utilize for their permitting and planning applications. The Board of Commissioners approved the Cooperative Agreement for the Accela Software System with Memphis and Shelby County in June 2020.

The agreement is with all municipalities in Shelby County as well as with MLGW. MLGW has requested changes which Memphis has agreed to incorporate into the Agreement. The attached letter lists the proposed changes,

RESOLUTION R-47-2021

A RESOLUTION TO APPROVE THE AMENDED COOPERATIVE AGREEMENT ON THE
USE OF THE ACCELA SOFTWARE SYSTEM WITH MEMPHIS AND SHELBY COUNTY
GOVERNMENT

WHEREAS, Memphis and Shelby County Division of Planning and Development has contracted with Accela Software Solutions to provide planning and permitting software for Memphis and Shelby County; and,

WHEREAS, Shelby County currently provides building code review and inspection for the City of Lakeland; and,

WHEREAS, City of Lakeland Staff will use Accela to approve Shelby Co Building Permits and zoning requests; and,

WHEREAS, Memphis and Shelby County Division of Planning and Development propose minor amendments to the Agreement; and,

WHEREAS, the City accepts the proposed amendments to the Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LAKE LAND, TENNESSEE: That the Board of Commissioners authorizes the Mayor to execute the amended Cooperative Agreement between the City of Lakeland and Memphis and Shelby County Division of Planning and Development for use of Accela Software.

PASSED AND ADOPTED by the Board of Commissioners of Lakeland, Tennessee on this 10th day of June 2021, public welfare requiring it.

Dear Ms. Emily Harrell,

This letter serves as notification to the City of Lakeland of recent amendments that have been made to the Cooperative Agreement with Shelby County Government, previously signed by the City of Lakeland, on the use of the Accela Software System. A summary of these amendments is below. These amendments should not impact City of Lakeland and its use of the Accela software as they were made at the request of Memphis Light Gas and Water (MLGW).

Please note the highlights of the MLGW changes to the Cooperative Agreement for MLGW usage:

- § 1, p. 2, Addition to definition of “Data” relative to MLGW, addition of “Derivative Data or Products,” and change to definition of “Owner”;
- § 2(G), (H), (K), (L), pp. 4-5, Clarification of rights to data;
- § 3(A)(5)(c), p. 7, Clarification of MLGW duties regarding demolition;
- § 3(B)(2)(e), p. 8, Adding the manner of communication with MLGW regarding inspections;
- § 3(D)(5), p. 9, Specifying that DPD will not collect MLGW fees;
- § 3(E), p. 10: Specifying that the Agreement does not change MLGW procedures;
- § 6(B), p. 11, Amended re time for notifying Shelby County I.T. of departure of a user;
- § 6(B), p. 11: Clarifying MLGW’s user seats;
- § 7, pp. 11: Addressing MLGW’s privacy responsibilities under federal law;
- § 8, first, fifth and last paragraphs, pp. 11-12, Amended re confidential information, and notification to MLGW of breach within 48 hours (not “immediately”);
- § 12, p. 13, Specifying municipal agreements to clarify that repeal of prior agreements does not apply to MLGW;
- § 14, p. 14: Date of adoption changed for MLGW; amendment to wording on future regulations; automatic 2-year renewals;
- § 16, p. 14, Addition, that removal of derivative data upon termination of agreement will be done “to the extent possible.”

There is no action required by the City of Lakeland to continue to use the Accela Software System under the existing Cooperative Agreement. However, you may opt-in to the revised agreement now that you have been informed of the nature of the amendments. If the City of Lakeland chooses to opt-in, this must be done by Friday, June 11, 2021 by signing the revised Cooperative Agreement. This Agreement has been sent to Mayor Mike Cunningham for signature. If you or any other representatives of the City of Lakeland have any questions concerning this notice or the amendments to the Agreement, please direct them to Robert Rolwing with the Shelby County Attorney's Office at robert.rolwing@shelbycountyttn.gov.

Sincerely,

WHEREAS, Shelby County Government ("Shelby County") on behalf of the Memphis and Shelby County Division of Planning and Development ("DPD") maintains an information system, currently the Accela program, containing a significant variety of digital information and computer software used in the daily operation of DPD departments (the "System"); and

WHEREAS, each of the Parties named above maintains information and computer software programs used in the daily operations of numerous departments and agencies supporting their constituents; and

WHEREAS, each of the Parties maintain some information or knowledge that is corresponding, interconnecting, and useful to the Parties and the public; and

WHEREAS, there currently exist separate agreements between Shelby County Division of Planning and Development Office of Construction Code Enforcement, and the Town of Arlington, City of Germantown, City of Lakeland, and City of Millington, regarding construction plans review and inspection; and

WHEREAS, the Parties intend to rescind and replace those separate agreements with this Agreement; and

WHEREAS, The Parties named above wish to participate in using the Accela software system purchased by the Memphis and Shelby County Division of Planning and Development, and use the services and maintenance of the Accela System by the Shelby County Division of Information Technology Services; and

WHEREAS, the Parties plan to use the Accela software system to accept applications for zoning changes, land use permits, engineering permits, building permits, electrical permits, plumbing permits, mechanical permits, and sign permits; to record reports and inspections regarding such applications; to record acceptance or denial of such permit applications; to record complaints and citations related to such permit applications; to review and record comments upon such applications and citations when necessary; and to accept application fees and transferring fees between Parties as necessary; and

WHEREAS, The Parties acknowledge that the Shelby County Division of Information Technology Services or the Memphis and Shelby County Division of Planning and Development may elect to add additional

permitting software integrations into the Accela System from time to time, and service for such integrations, and the Parties agree to such action, subject to the right of termination as set out below; and

WHEREAS, The Parties acknowledge that they will have need of varying degrees of access to and the ability to contribute data to the Accela software system hosted by the Memphis and Shelby County Division of Planning and Development, as set out below and in Riders to this Agreement between Shelby County and the individual Parties; and

WHEREAS, The Parties wish to allow public access to the data recorded in the Accela software system consistent with the Tennessee Public Records Act, Tenn. Code Ann. §§ 10-7-101, et seq., applicable exceptions, with the limitations inherent in conducting inspections and investigations, and In protecting the privacy of individual subjects of the data; and

WHEREAS, The Parties to this Agreement wish to establish the conditions and duties contemplated and to be performed by each Party in this single memorandum and in so doing assure clarity for these activities; and

WHEREAS, it is in the best interest of the Parties that this Agreement be established to exchange certain information system data and technologies as to use of the Accela program and options to participate in any successor program(s); and

WHEREAS, Such Agreement has been approved by separate resolutions of the local governmental Parties as an inter-local agreement under Tennessee law;

Now, therefore, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties noted above agree as follows:

AGREEMENT

Section 1. Definitions

"Data" refers to the digital and non-digital information, calculations, databases, and any products developed or placed to support computerized applications which are created, held, and maintained, by a Party. This includes, but is not limited to, applications for zoning changes, land use approvals, building permits, electrical permits, plumbing permits, mechanical permits, sign permits, and citations for those and other zoning and technical code violations that are stored and maintained in the System. With respect to Memphis Light, Gas and Water Division ("MLGW"), this includes address information maintained on MLGW systems which may be used pursuant to this Agreement to verify addresses on applications for any of the various permits covered herein.

"Data Security" means those safeguards mutually agreed upon to maintain the confidentiality where appropriate, integrity, and availability, of data applicable to this Agreement, including but not limited to system virus, malware, and other hacking protection, network, and system access controls.

"Derivative Data or Products" shall mean all works created by Shelby County Division of Information Technology Services or any other Party to this Agreement that incorporate all or part of another Party's information and/or technology, including but not limited to, a revision, modification, translation,

abridgement, condensation, expansion, collection, compilation, or any form of, modification to the other Party's information.

"Division of Planning and Development" or "DPD" refers to the Memphis and Shelby County Division of Planning and Development.

"Engineering Permit" refers to any permit required by the engineering division or office of a Party, except for a Technical Permit.

"Exhibit A" is the attached list of all Parties to this Agreement with appropriate administrative and technical contact information. This list will be maintained by Shelby County Government from information supplied by each Party.

"Exhibit B" is the Shelby County Division of Information Technology Services' Acceptable Use Policy, or the Acceptable Use Policy as it may be modified by agreement with a specific Party, to which all Parties must adhere.

"Land Use Permit" refers to any permit required by the Memphis and Shelby County Unified Development Code and the Parties' respective zoning codes, except for a Technical Permit.

"Municipality" and "Municipalities" shall refer to the Town of Arlington, City of Germantown, City of Lakeland and City of Millington.

"Owner" refers to the Party that provided the subject data or information.

"Party" and its plural refer to Shelby County Government, the Memphis and Shelby County Division of Planning and Development, the Town of Arlington, City of Germantown, City of Lakeland, City of Memphis, City of Millington, and MLGW.

"Project" is work proposed and/or done under a permit or application for a permit.

"System" refers to the Accela software and data processing system and service to it, or successor system(s).

"Technical Code" refers to the Memphis and Shelby County Building Code, Memphis and Shelby County Existing Building Code, Memphis and Shelby County Residential Building Code, Memphis and Shelby County Electric Code, Memphis and Shelby County Plumbing Code, Memphis and Shelby County Mechanical Code, and Memphis and Shelby County Fuel Gas Code, in effect at the time the Parties enter this Agreement and as replaced and amended from time to time, and the Memphis and Shelby County Sign Code or sign codes or sign provisions of the various Parties.

"Technical Permit" refers to a permit for work pursuant to a Technical Code.

"Technology" refers to any software, calculations, processes, procedures, and methods developed by a Party to increase the efficiency of analysis, work flow, and data collection.

"Third Party" and its plural refer to any organization or individual not a signatory to this Agreement.

Section 2. General Duties, Obligations, and Responsibilities

- A. Each Party recognizes that any third party wishing to contribute data to the System will be required to enter into this Agreement with Shelby County Government. This requirement does not include permit applicants, their representatives, or other persons accessing or commenting upon specific permit applications.
- B. Each Party asserts its right to regulate the distribution of its data and all portions of it.
- C. Each Party retains all rights pertaining to its data, particularly those regarding its distribution or sale. Any derivative product of a Party's data created by the Shelby County Division of Information Technology Services or any other Party remains the property of the Data Owner.
- D. Each Party is recognized as the entity responsible for quality control and evaluation of the data that it or its employees enter into the System. A Party may request assistance of Shelby County Division of Information Technology Services or other Party in these efforts.
- E. The Parties agree to work together to develop data standards that will allow continued and increased exchange of data with each other and other agencies.
- F. All requests for data will be in writing and, if granted, data will be delivered to the requestor in the standard format of the Party.
- G. Each Party may allow Shelby County Division of Information Technology Services to make changes to the Party's data in order to comply with the features of the System. The Party must be aware and agree to the changes before they occur and grant such permission in writing. Shelby County Division of Information Technology Services will hold no rights to this changed Data.
- H. Each Party agrees that any data provided will be relied upon at the individual Party's own risk. No Party will hold another responsible for incidental, consequential, or special damages, nor any other damages of any type or character arising out of the use of any data, information, or products, which may be furnished to the System by any Party. The Party providing data, information or products makes NO WARRANTIES, EITHER EXPRESS OR IMPLIED UNDER THIS AGREEMENT AND SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- I. Nothing in this Agreement shall be construed to create or impose any duty upon a Party or its officers, officials, or employees, to plan, develop, update, correct, implement, operate, maintain, or manage, the data, information, or products, except operation and maintenance of the System by the Shelby County Division of Information Technology Services as set out herein.
- J. No Party, nor, separately or severally, any of their respective officers, officials, agents, and employees, shall be liable in any way to any person for failure to plan, update, correct, develop, implement, operate, maintain, or manage, the data, information, or products, of the System, or any part thereof including, but not limited to, failure caused by or resulting from negligence, employee strike, act of God, accident, or other occurrence.

- K. The arrangement of facts included in the data, the organizational structure of the data, the coding of the data, the format of the data and the geographic design of any maps and reports are the property of the Party providing the data.
- L. GRANT OF LICENSE: Each Party grants to the others a mutual license for their respective use of all Data that is shared under the terms of this agreement. The Parties shall use the Data only for their respective internal business purposes.

Section 3. Technical Permits

A. Permit Applications

Applications from the public or any governmental entity for all Technical Permits, exhibits regarding same, and payment of all fees associated with them, shall be submitted digitally on the public portal of the System. The Memphis and Shelby County Division of Planning and Development ("DPD") shall first process the application.

Each Party will receive notification of permit applications and issuances within its jurisdiction through the System. The Parties agree that no mailed notice is necessary or required.

Each Municipality in which construction is proposed, and DPD, shall approve or deny all applications for Technical Permits as set out below, and shall record inspections, citations, and other notes regarding such applications and inspections, by notation in the System.

All applications shall be accompanied by payment of the appropriate fees through the System in the manner provided by Accela. No application shall be acted upon unless accompanied by the appropriate fees.

Every application for a Technical Permit must include a valid address of the location where the proposed work or project is to be done. A valid address is that assigned by MLGW. An application without a valid address will not be processed. Addresses shall be populated into Accela from the GIS system operated by Regional Geographic Information System (ReGIS). Address entries will be automatically validated against the data in the ReGIS system. ReGIS addresses are retrieved from MLGW based on a separate data sharing agreement.

1. New Residential Construction

- a. Upon notification of the pending application, the relevant Municipality shall first conduct review of site plans and foundation plans for new single family residential construction and approve or deny the plans.
- b. Upon approval by the Municipality and notification of approval to the applicant, the applicant may apply to DPD for the building plan review and necessary Technical Permits. DPD shall conduct all inspections for compliance with the most current version of the Memphis and Shelby County Joint Building and Technical Codes for these structures. The burden of scheduling inspections lies with the owner or his/her contractor.

2. Existing Residential Construction

a. For approval of a room addition to a single family residence or a detached accessory structure(s) on residential locations, the applicant owner or his/her contractor must submit a site plan showing:

1. Lot dimensions, scaled to size and dimensioned
2. Subdivision Information
3. Location of all proposed and existing construction
4. Location of existing improvements, right of ways, easements and utilities
5. Parking and driveway

b. No permit for such work shall be approved without prior zoning approval of the relevant Municipality noted in the System.

c. Upon approval by the Municipality and notification of approval to the applicant, the applicant may apply to DPD for the necessary Technical Permits. DPD shall conduct all inspections for compliance with the most current version of the Memphis and Shelby County Joint Building and Technical Codes for these structures. The burden of scheduling inspections lies with the owner or his/her contractor.

3. Commercial, Industrial, Multi-family Residential, Education, or Assembly Buildings

a. The Municipality shall first review applications seeking permission to construct commercial, industrial, educational, assembly, or multi-family residential buildings to confirm compliance with the Municipal zoning ordinance. The Municipality shall also review such applications for design review purposes as required.

b. Upon approval by the Municipality and notification of approval to the applicant and DPD, the applicant may apply to DPD for the necessary Technical permits. DPD shall conduct all inspections for compliance with the most current version of the Memphis and Shelby County Joint Building and other Technical Codes. The burden of scheduling inspections lies with the owner or his/her contractor.

c. DPD shall provide applicant and the relevant Municipality with written comments when necessary to address deficiencies or other issues discovered in the technical plans review process.

d. DPD shall return to the Municipality via the System any application that does not pass the required technical review by DPD or any Municipal requirement, whereupon the Municipality shall evaluate the issue. If the Municipality and applicant resolve the issue and the Municipality notes the resolution in the System, the applicant may resubmit corrected plans to DPD for completion of DPD technical review of those plans. A new application and fee are not required under these circumstances.

4. Sign Permits and Enforcement

- a. The Municipalities shall first review sign permit applications for compliance with local zoning and any sign ordinance requirements. Upon approval, the Municipality shall note approval or denial in the System.
- b. Upon approval by the relevant Municipality, DPD shall review the sign permit application for Technical Code compliance. Upon its satisfaction that all permitting and licensing requirements for installation of the sign have been met, DPD shall issue a permit for the requested sign.
- c. DPD shall conduct inspections of the construction of the sign to assure compliance with the approved plans and construction documents.
- d. In addition to Municipal enforcement and inspections, each Municipality hereby contracts with and designates DPD, and DPD agrees, to continue inspecting completed and existing signs within their borders for compliance with relevant codes. DPD shall notify the appropriate Municipality of any suspected violation within its borders.

5. Demolition Permit – additional requirements

DPD shall issue demolition permits for all demolitions in the jurisdiction of the Parties. In addition to requirements of the Technical Codes and elsewhere in this Agreement, the following requirements must be met before issuance of a demolition permit:

- a. If a building to be demolished is located in a Municipality, the Municipality must note its approval of the demolition in the System before DPD may issue the permit.
- b. DPD shall set an appropriate bond amount for all demolition work. No demolition permit shall be issued until DPD receives satisfactory evidence that the applicant has obtained the bond for the demolition work.
- c. No demolition permit shall be issued until MLGW verifies that the structure's electric, gas, and water connection(s) have been cut off, or that the structure includes no electric, gas or water connections. Nothing in this Agreement shall obligate MLGW to disconnect active electric, gas and/or water services at the request of DPD or any Party without a court order or order of the Chief Electrical Inspector or Chief Mechanical Inspector to do so.

B. Permit Issuance and Construction Inspection

1. Permit Issuance

- a. Technical Permits shall be issued only after the following items have been filed or noted in the System.
 - i. A completed, signed, application, including valid address of the location where the proposed work or project is to be done.
 - ii. System notation from the Municipality demonstrating Municipal approval of the structure and containing all conditions established in the Municipal review of the proposal.

- iii. DPD's System notation evidencing compliance with zoning and applicable Technical Codes.
- iv. Payment of the appropriate fee as set out below.

b. Sign Permits shall be issued only after the following items have been filed or noted in the System.

- i. A completed, signed, application along with documentation or System notation from the Municipality demonstrating Municipal approval of the sign or signs and containing all conditions established in the Municipal review of the proposal.
- ii. DPD System notation evidencing compliance with Zoning and applicable Technical Codes.
- iii. Payment of the appropriate fee as set out below.

2. Construction Inspection

- a. DPD shall provide inspection of construction activities as provided in the Memphis and Shelby County Building and other Technical Codes.
- b. The owner or contractor must request the inspection(s) electronically using the System.
- c. Re-inspection due to a contractor's repeated failure to perform work in compliance with the applicable Technical Code provisions may subject the owner or contractor to re-inspection fees.
- d. DPD shall record final inspections, service releases, and status changes, in the System.
- e. Upon submission of an inspection transaction from DPD to MLGW, the MLGW interface will return a status of receipt of the submission. This is not an indication of the creation or status of any work order that may ultimately be associated with the inspection submission.

C. Review for Conformity with Design Review Requirements

1. DPD shall inspect all commercial premises seeking final approval of a certificate of occupancy for any new private structure or additions to an existing private structure for compliance with Design Review regulations where applicable. Should a deficiency exist, DPD shall provide the owner of the property or his/her contractor electronic notice of the deficiency and provide a reasonable time for the owner and contractor to correct the deficiency, not to exceed thirty (30) days.

2. If the deficiency is not brought into compliance within thirty (30) days of that initial notification of the deficiency, DPD shall serve notice upon the property owner of any item of noncompliance, with an electronic copy to the relevant Municipality.

3. This subsection C applies only to design review requirements for projects in unincorporated Shelby County and in the City of Memphis. Municipalities reserve the right to perform a final inspection as part of final approval of a certificate of occupancy for any new private structure or additions to an existing private structure for compliance with design review regulations where applicable.

D. Fees and Penalties for Permit and Plans Review

1. DPD Fees. DPD shall collect all permit fees, plan review fees, and penalty fees required by the City of Memphis and Shelby County. All fee payments shall be made electronically via the System's payment portal.

For payment by credit card, the payment processing vendor's fee shall be charged to the applicant. The System shall include notice to the applicant of the processing fee.

2. DPD Fees for Projects in Municipalities. A DPD surcharge of 33.3333% shall apply to all for permits on projects within a Municipality, except sign permit applications, in order applications to fund DPD work required under this Agreement. The Municipality in which the project is proposed shall receive 25% of the permit fee collected, in order to fund that Municipality's review, except that:

- a. Re-inspection fees, DPD address change fees, and any other permit modification fees, not involving an increase or decrease in the work permitted, shall be kept by DPD as part of the fee for services provided.
 - b. The sign permit annual renewal fee shall be collected and maintained by DPD as part of the cost of the sign permitting, inspection, and enforcement services.
3. Payments. DPD shall make quarterly payments to each Municipality of the fees to which it is entitled by this section, and shall include a statement denoting the applications for which the fees are paid.
4. Municipal Fees. Nothing in this section shall preclude a Municipality from administering Municipal permits and collecting Municipal fees for projects within that Municipality.
5. DPD shall collect no fees for MLGW.

E. Local Amendments

The Parties acknowledge that the various Municipal ordinances and practices may require alterations or additions to these procedures. Each Municipality may enter a separate memorandum of understanding with DPD to accommodate those needs. Each Municipality entering such a memorandum shall notify the other Municipalities of that memorandum by

means of its choosing. Nothing in this section shall apply to MLGW procedures or permit another Party to require, by ordinance or otherwise, any alteration or addition to such procedures.

Section 4. Land Use and Engineering Permits

- A. This section applies only to zoning and subdivision applications and permit applications for land use and engineering projects in unincorporated Shelby County and in the City of Memphis. A Municipality may elect to opt into this section.
- B. Applications from the public or any governmental entity for zoning changes, subdivisions, land use approval, engineering permits, exhibits regarding same, and payment of all fees associated with them, may be submitted digitally on the public portal of the System upon the election of the affected Municipality. Administrative appeals of decisions regarding those matters shall also be submitted in the same manner.
- C. Each Party will receive notification of zoning and subdivision applications and permit applications, issuances, or denials, within its jurisdiction through the System. DPD, Shelby County, City of Memphis, and any Municipality that elects to opt into this section, agree that no mailed notice among those governmental entities is necessary or required.
- D. The City of Memphis, Shelby County, and any Municipality that elects to opt into this section, shall approve or deny all zoning changes, subdivisions, and land use and engineering applications for proposals within their respective jurisdictions, and make all requested comments regarding them, by notation in the System.
- E. All permit applications must be accompanied by payment of the appropriate fees in the manner provided by Accela. No permit application shall be acted upon unless accompanied by the appropriate fees.

Section 5. Citations for Violations

The System shall host citizen and other complaints regarding alleged zoning, land use, permit application, and related violations.

Pending citations to court or to an administrative body, and notations regarding their final resolutions, shall be made available on the public portal of the System.

Complaints alleging violations shall not be made available on the public portal of the System.

Section 6. User Seats

- A. Each Party shall designate its users of the Accela or successor programs to the Shelby County Division of Information Technology Services and copy the System Administrator for DPD. Each Party shall assign each of its System users with one of the following designations:

- User: entitled to enter data into the System;

- Administrator: one person designated as lead System user for each Party with rights to manage tasks of that Party's System users;
 - Supervisor: which for all Parties is the Shelby County Division of Information Technology Services, and which will maintain and service the System, and field troubleshooting for each Party.
- B. Upon departure of a designated User, Administrator, or Supervisor, the Party with which he/she is employed shall notify the Shelby County Division of Information Technology Services within three (3) days, who shall immediately terminate that person's System permission and capabilities.
 - C. Each Party shall be entitled to a total of two (2) user and/or administrator seats at no cost. The number and designation of additional user seats in the System for each Party shall be negotiated between DPD and each Party and shall be the subject of a separate agreement between DPD and that Party. No other Party has veto rights over the number and designation of another Party's user seats, except that DPD or Shelby County Division of Information Technology Services may reject the requested number or designation for good cause. For each additional user seat, each Party shall annually pay to DPD an amount equal to the cost of each additional user seat, prorated per capita according to the total expense of operating and maintaining the System.
 - D. The Parties acknowledge that additional user seat costs may rise during the term of this Agreement due to proration of the costs of additional software integrations, licensing, and servicing.
 - E. For the Municipalities, the cost of additional user seats shall be paid to DPD from permit application fees for work or projects proposed in that Municipality. DPD shall retain all Municipal application fees beginning July 1 of each year until such time as that Municipality's additional user seat costs have been paid in full. DPD shall distribute all subsequent permit application fees, for work or projects proposed in that Municipality, as set out herein.

Section 7. Confidentiality

A Party may designate information to be deemed confidential because of considerations of individual privacy, safety, health, corporate or governmental proprietary claims, regulatory requirements and other reasons or when making the information available would violate agreements with other entities. The Parties prefer that confidential information not be entered into the System when no other Party requires or has need of that information.

Section 8. Data Security

No confidential information shall be included by any Party in the data shared via the Accela System pursuant to this agreement. Any confidential data provided to this System must be immediately reported to the Shelby County Division of Information Technology Services pursuant to the notice provision of Section 15 herein and removed from the System. Said notification shall include the nature of data uploaded, date the data was uploaded, the agency uploading the data, and the location of data placement.

Confidential information includes:

ACCESSED: Payment Card Industry (PCI) data, as defined by PCI Security Standard v3.2;

PROTECTED HEALTH INFORMATION (PHI), as defined under the Code of Federal Regulations, Title 45, Subtitle A, Subchapter C, Part 160, Subpart A §160.103 (45 C.F.R. §160.103);

PERSONALLY IDENTIFIABLE INFORMATION (PII), as defined under the Tennessee Code Annotated § 47-18-2107 and the National Institute of Standards and Technology Special Publication 800-122 sections 2.1 and 2.2, in electronic and/or paper format; and the

CRIMINAL JUSTICE INFORMATION SERVICES (CJIS) requirements as defined by the current revision of the Federal Bureau of Investigation (FBI) CJIS policy.

All Parties agree to abide by the Shelby County Government Acceptable Use Policy v1.4.b, attached hereto as Exhibit B, as it may be modified by agreement with a specific Party, and as it applies to access provided to them for the purpose of satisfying the Administrative Controls for access to the System.

The Parties shall provide to the Shelby County Division of Information Technology Services specific administrative, technical, and physical safeguards for their environments, systems, and applications that access System data. These controls must comply with applicable sensitive data requirements for the data types accessed from, or downloaded to, their systems.

Each Party shall promptly report to the Chief Information Officer of the Shelby County Division of Information Technology Services any breaches of System data, pursuant to the notice provision of Section 15, and shall implement immediate appropriate corrective actions to contain and prevent recurrence of the breach. The Chief Information Officer of the Shelby County Division of Information Technology Services shall within 48 hours notify each Party whose data is affected or included in the breach.

Shelby County warrants to each Party that Shelby County will not knowingly distribute sensitive or confidential data via this System, in accordance with this agreement. Shelby County warrants that it will maintain the security of sensitive and/or confidential data and will be responsible for utilizing appropriate measures to prevent unauthorized access to sensitive and/or confidential data.

Shelby County will ensure that all participating agencies adhere to the access requirements established in Exhibit B hereto and shall provide each Party with documentation regarding those access requirements.

Shelby County will provide specific administrative, technical, and physical safeguards for the environments, systems, and applications hosting and providing access to System data.

Shelby County shall promptly report to the Parties any unauthorized access to or breach of System data, pursuant to the notice provision of Section 15. Shelby County shall implement immediate appropriate corrective actions to contain and prevent recurrence of the breach.

Section 9. Assignment

Neither this Agreement nor any of the rights or duties hereunder may be assigned or otherwise transferred in any way by any Party hereto, voluntarily or involuntarily, by operation of law, or otherwise, without the prior written consent of the other affected Parties. Such consent may be conditioned upon

execution of an agreement by the assignee to assume the obligations of the assignor and to fulfill the assignor's duties hereunder. Such consent shall not be unreasonably withheld, conditioned, or delayed.

Section 10. Force Majeure

No Party is responsible for delays due to causes or occurrences beyond its control, including, but not limited to, civil disobedience, acts of God, casualty or accident, war, labor disputes, or the like.

Section 11. No Third Parties Benefited

This Agreement is made and entered into solely for the benefit of the represented Parties, their successors and permitted assigns, and no other person or entity shall have any rights hereunder.

Section 12. Miscellaneous

This Agreement supersedes all prior agreements between and among the Parties with respect to its subject matter, and/or exchanges of data relevant to applications for zoning changes, land use permits, engineering permits, building permits, electrical permits, plumbing permits, mechanical permits and sign permits and constitutes a complete and exclusive statement of the terms of the agreement between the Parties with respect to that subject matter. The Agreements so superseded include but are not limited to the various Services Agreements between the Memphis and Shelby County Office of Construction Code Enforcement and the Town of Arlington; the City of Germantown; the City of Lakeland; and the City of Millington; regarding plans review, inspection services, fee collection, and related matters.

Section 13. Governing Law/Dispute Resolution

The Parties agree that this contract is made and entered into in Shelby County, Tennessee, and that all services, materials, and equipment, to be rendered pursuant to said Agreement are to be delivered in Shelby County, Tennessee. The interpretation and enforcement of this Agreement will be governed by the laws of the State of Tennessee. The Parties agree that jurisdiction and venue over all disputes arising under this Agreement shall be in Shelby County, Tennessee. The Parties further agree to enter into non-binding mediation, each Party to bear its own costs of mediation.

If any court of competent jurisdiction holds any provision of this Agreement invalid or unenforceable, the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable. The captions used herein after for convenience and shall not control interpretation of the text.

Section 14. Term

This Agreement shall commence on _____, 2021 and if not terminated in accordance with the provisions of Section 16, shall continue for a term of five years and shall thereafter automatically renew for two (2) subsequent five year terms unless terminated under the provisions of Section 16.

Any Party or Party's officer, official, or employee, who violates any provision of this contract or any of the rules and regulations promulgated as permitted herein, or any provision developed within any contract

or license that has been executed as permitted herein may be subject to forfeiture of all future rights to utilize the System, in addition to any legal remedies that might be available as a result of the violation.

Section 15. Notice

Any notices required or permitted to be given under the provisions of this contract shall be effective only if in writing and delivered either in person to the affected Party or its authorized agent, or by First Class U. S. Mail to the addresses set forth in Exhibit A, by e-mail to the authorized agent, or to such other person or address as a Party has designated in writing and delivered to the address of the affected Party in Exhibit A.

Section 16. Termination

This Agreement can be terminated by a Party upon thirty (30) days written notice for any reason. Upon termination of this Agreement, to the extent possible, Shelby County Division of Information Technology Services will remove all data provided by the terminating Party and all derivative data from the System. All backup tapes or other backup media pertaining to that Party's data and derivative data will be destroyed. The data and derivative data will be removed or the media will be turned over to the terminating Party at that Party's request. Within thirty (30) days of termination, DPD shall provide notice to Shelby County and every other agency as named in Exhibit A of said termination pursuant to the notice provision of Section 15.

Section 17. Amendment

This Agreement may be modified or amended only by written instrument signed by the Parties, subject to the provisions of Section 3(E).

Exhibit B

Acceptable Use Policy for the Use of Accela Civic Platform in Shelby County

1. Purpose:

The Parties to the Cooperative Agreement on the Use of the Accela Software System (the Agreement) have developed this Acceptable Use Policy for the use of Accela Civic Platform in Shelby County (AUP) to protect the Parties and their respective employees from liability and business interruptions due to inappropriate use of the System.

2. Scope:

This policy applies to all Parties to the Agreement, their employees, vendors, contractors, business partners, and consultants ("Users") actively logged into the System in their assigned job responsibilities.

This applies to all System usage whether on or off network.

This policy applies to the access and use of System managed data and information.

3. Policy:

This policy defines the acceptable and unacceptable uses of the System and System managed data and information. Acceptable use of this resource will result in continued accessibility and reliability of the resource. Unacceptable use of this resource will result in reduced accessibility, increased overhead, and increased liability risks. All Users are expected to take an active role in ensuring that this policy is followed and that the System and System managed data and information is used in the acceptable manner.

1. Acceptable Use and Responsibilities:

a. Users are permitted access to the System for business purposes upon approval as provided in the Agreement.

(i) Access is activated upon designation of approved users by a Party as provided in the Agreement.

(ii) Access is limited to the timeframe requested and will be disabled at the requested time or upon notification of termination of the user's relationship (employment, contractual or otherwise) with the Party.

(iii) User access privileges are granted on a need-to-know (least privilege) basis .

(iv) Users are responsible for all access and communications originating from equipment and accounts assigned to them.

b. Users shall take an active role in securing their access credentials, the data to which they are granted access, and the hardware utilized to access said data.

(i) Users are responsible for the security of their assigned passwords and accounts. The sharing of assigned user identification or password information with anyone is strictly prohibited.

- (ii) Users shall ensure that any device utilized by them to access the System, whether owned by the user or their employer, is continually executing approved virus-scanning software with current virus signatures.
- (iii) Users shall immediately report any suspected security breach or loss of data to the SCG ITS Service Desk and, wherever possible, take appropriate action to mitigate and contain the effect of such breaches.

c. Users shall take an active role in maintaining the security of sensitive data.

- (i) Users are responsible for utilizing appropriate measures to prevent unauthorized access to sensitive data.
- (ii) Users of the System are prohibited from unauthorized copying, moving, or storing of data or information, to or on local hard drives, removable electronic media, or Internet and cloud based storage.
- (iii) Users of the System are prohibited from unauthorized copying, moving, or storing of data or information via remote access technologies.
- (iv) Users of the System shall not request or send credit card data or Personal Account Number (PAN) via fax, phone, written format, verbally, or using other electronic messaging technologies.
- (v) Users shall not post or make available to newsgroups, social media, or other public forums any data from the System.

d. SCG shall ensure compliance with this policy.

- (i) SCG shall secure and maintain the privacy of all data and information stored or transmitted by the System to comply with applicable legal requirements and this policy. All data not protected by these requirements may be discoverable through public records request or other applicable methods.
- (ii) SCG will gather and report on information regarding the usage of the System for business or management purposes. Usage reports include, but are not limited to, resources utilization, Internet accesses, and security-related activities.
- (iii) SCG shall utilize various data capture, analysis techniques, and tools to facilitate maintenance, audit, and installation functions of the System on behalf of its customers. Such tools and techniques shall be used in accordance with the established contractual agreement.

2. Unacceptable Uses:

- a. Users shall not knowingly or through carelessness breach or attempt to breach the System security measures or adversely impact the normal functioning of the System.**
 - (i) Users shall not circumvent the user authentication or security of any device, application, or other resource.
 - (ii) Users shall not attempt to access data for which the user is not authorized, or attempt to access a resource or account the user is not expressly authorized to use.

- (iii) Users shall not utilize any form of device or application to intercept or capture data in transit.
- (iv) Users shall not utilize any program, script, command, message, or other technique to interfere with or impede the System.
- b. Users shall not utilize the System to engage in any activity that is illegal under local, state, federal or international law.
 - (i) Users shall not violate the legal rights of any person while utilizing the System.
 - (ii) Users shall not install or utilize any unlicensed, pirated, or illegally obtained software on the System.
 - (iii) Users shall not install or utilize any software on the System without prior approval of the appropriate SCG ITS authority.
 - (iv) Users shall not utilize the System to connect to any external systems except as authorized by the Agreement.
 - (v) Users shall not export Accela software, technical information, or encryption software or technology which is illegal under international or regional export control laws.
 - (vi) Users shall not utilize the System or credentials to make fraudulent offers of products, items, or services.
- c. Users shall not utilize the System in an inappropriate manner that disrupts the business processes or causes any other disadvantage to the Parties.
- d. Users shall not make statements about warranty, express or implied, concerning the System unless such statements are required as part of the user's job duties and are approved by the appropriate SCG ITS authority.

3. Enforcement:

Any user who fails to comply with this policy may lose access to the System.

4. Acceptable Use Policy Sign-off:

SCG and MLGW shall require all employees, contractors and consultants whose assigned responsibilities include access to the Accela system to review this Acceptable Use Policy and acknowledge receipt and understanding using the following language and format:

As an employee, contractor, or consultant User of the Accela system, I certify, by signing below, that I have been given a copy of the Acceptable Use Policy.

I understand that it is my responsibility to thoroughly read the policy and request additional information or clarification from my supervisor or Shelby County Government or Memphis Light, Gas and Water Division contact if I do not understand any information contained in the policy.
